

First College Boxing Tourney of Ohio Held by Miami-Cincinnati

OXFORD, O., Feb. 25.—So far as known the boxing tournament to be given in Miami University gymnasium on March 27 between Miami University and the University of Cincinnati, will be the first intercollegiate event of the kind ever held in the state. Extensive arrangements are being made for the affair, and a large audience is expected.

Preliminaries, to ascertain who of Miami's fighters will meet the Cincinnati men, will be held March 19, and the finals will be pulled off the following day. Sixty men are at work with the gloves every afternoon.

Bowling Notes

Feltman's Tramps practically clinched the championship of the City bowling league by walloping the second place Coco-Colas two games out of three at Twigg's alleys Tuesday night. Double entry scores were frequently chalked up, the Coco score sheet showing four while the Tramps also accounted for four. The A. S. M. five captured the first two games of their match with the Haberdashers. The last game was chalked to the Seeder credit via the forfeit route.

Jones, of the Cokes, stepped forth in the race for the lat offered for individual score, when 259 maples were upset in his second trial. He also carried off high average for the evening with 218. Todd took the second score honors with 235, while Sherer took second average honors with 201. The scores follow:

League Ball or Not? Exhibition Stockholders To Decide Very Soon

Whether or not Richmond will have league ball this summer, will be decided at a meeting of the stockholders of the Richmond Exhibition, which is to be held soon.

Public sentiment is in favor of league ball here and since the reorganization of the Central League to an eight club organization, Richmond has a chance to gain a franchise.

The last meeting of the Richmond Exhibition Company was not a success only a small portion of the members turning out. A different meeting will probably be held this time, as the greater majority of the stock holders are said to favor Richmond having league ball.

Richmond Men Prove Fish; Win From Muncie

Richmond made a clean sweep of events from Muncie in the dual aquatic meet held in the Richmond "Y" pool Tuesday night, thereby gaining the right to represent their district at the state meet at Ft. Wayne.

Ivan Toney was the individual star of the evening, winning the 40 and 100 yard sprints and making a flashing finish in the relay. Canopy Parker came through in the fancy diving contest. Francis Robinson, although much younger than the rest of the contestants, won second place in this event. Prokofieff won the plunge event for Richmond.

Following are results of the meet.

40-yard sprint, Toney (R), first, time 23.4; Martin (M), second; Williamson (M), third.

100-yard sprint, Toney (R), first, time 1:13.3; Williamson (M), second; Lafflin (M), third.

Fancy dives, Parker (R), first; Robinson (R), second; Redding (M), third.

Plunge for distance, Prokofieff (R), first, distance, 52 feet, 6 inches; Martin (M), second, distance, 50 feet; Lafflin (M), third, distance, 38 feet.

Relay, won by Richmond team, Parker, Prokofieff and Toney, time 1:15.1.

Gatherings From the World of Sport

Lightweight Champion Benny Leonard is now in California to begin work on a motion picture in which he is featured. Leonard will remain on the far coast for at least two months. He plans to take part in several bouts in San Francisco, Portland and Seattle before he returns east. Leonard is a great favorite in California. The native sons always did think well of New Yorkers, as Tommy Murphy, Knockout Brown and Leach Cross can testify. Leonard they regard as the wonder of the age, even though Willie Ritchie did cause him plenty of trouble in a four-round bout the last time the champion was out that way.

Slowness to anger seems to be the fault of Fred Fulton, says Jack Dempsey.

When asked how he was able to polish off the lanky plasterer in sixteen seconds, Jack summed it up this way:

"I realized that Fulton was a good man as long as he was ahead in a fight, but that he could not stand the gaff. I knew that he was very clever and that he had a dangerous left if he had a chance to use it."

"So I determined to cut the daylight away from him at the first jump. He is somewhat slow to wrath, and likes to take it easy in the first round."

"So I sprang across the ring at him, met him coming out of his corner, smashed him over the heart with my right and then sent my left to his jaw. The fight was over."

Another Groh has come into the National league. Manager Fred Mitchell of the Chicago Cubs has

signed John Groh, a first baseman who has starred in Chicago semi-professional ranks, and Heinie's namesake will attempt to beat Fred Merkle for a place on the Cub infield.

Umpire Charley Moran, whose Center college football team set up such a record on the gridiron last fall, is now trying to develop a winning baseball team at the Kentucky university.

Charley Pick is in demand in the Pacific Coast league, being wanted by the Sacramento, San Francisco and Los Angeles clubs. Pick, however, plans to play with an independent team this summer at his home town in Illinois.
