

STEERS, TO BE FED BY YOUNG ENTRANTS IN FAIR, BOUGHT

EATON, O., March 16.—Thirty-six or 40 young steers, weighing between 400 and 600 pounds each, will be delivered here next week to the Probable county fair board, it is expected. The steers are purchased by the board for the boys' and girls' club contest, which will be a prominent feature of the county fair next fall. While the steers probably will not be thoroughbred, they will be of good type, according to the board members.

Present plans are to distribute the steers throughout the county March 27. It is expected that at least two of the animals will be placed in each township in the county. Board members say they have promised to give boys and girls in their respective townships in sufficient number to absorb the entire consignment of animals.

Under rules for the contest each boy and girl will pay cash for his or her animal, or give a note at the time the animal is turned over to them, and after they become qualified entrants in the contest. Each one is to keep a strict account of feeding cost, etc. After competitive display and scoring at the fair the animal will be sold at public auction.

The board is now in the midst of revision of the premium list for the fair this year. The work probably will be completed in time for submission at the next board meeting the second Saturday in April.

That section of the premium list relating to the art hall will this year be revised by an expert instead of by the board, according to the board members.

Markets

GRAIN PRICES

WAGNER GRAIN LETTER
CHICAGO, March 16.—Large profit taking in corn but the cash corn leads the market. This suggests No. 2 corn will sell around \$1.65. Corn belt mainly in no hurry to sell and cars are scarce. A good reaction looks due but market now runs \$1.24½ on Feb. 9, to \$1.56½ March 16. This brings up the question of a 60 day bull market. Corn may be merging into a premier swing. Argentine corn two to five cents higher.
