

COMMITTEE IS NAMED FOR MUSIC MEETING

Members of the Richmond conference committee of plans for the state convention of the Indiana Music Teacher's association will meet in room 33, on the third floor of the third floor of the high school building, Wednesday at 4 p. m. to discuss preliminary plans for entertaining the convention here on April 20.

Ralph C. Sloane, director of music in the Richmond schools, and president of the state association, has announced members of the committee as follows:

Music merchants, Ray Weisbrod, Walter B. Fulghum and R. L. Allen; Music department of Woman's club, Miss Alice Knollenberg, Mrs. L. F. King and Miss Marjorie Beck; Palladium, Miss Emma L. Peta; the Art association, Mrs. M. F. Johnston, Mrs. Howard A. Hill and Mrs. Edna Cathell; Richmond representative of Musical America, Miss Esther Griffin White; City Federation of Teachers, Miss Flora Broadbent, John F. Thompson and Miss Caroline Heitbrink; Earlham college, Prof. Samuel L. Garton and Kent Morse; Y. M. C. A., Lester W. Candler; Commercial club, Lewis F. Hiff; Ministerial association, the Rev. R. L. Semans; Chautauqua association, Filmore Riggs.

Many Baker Pictures To Be Shown; Exhibit, Beginning Sunday, Open

Of particular interest to all Richmond people who are interested in art is the announcement catalogue of the exhibit of paintings by George Baker to be opened in the public art gallery in the high school building, next Sunday afternoon. The exhibit will continue over Easter Sunday.

Over 400 invitation cards will be mailed to art patrons this week. The entire public will be welcomed at the opening.

Included in the catalog are the following pictures: No. 1, Winter on Clear Creek; 2, Springtime; 3, Spring Blossoms; 4, November Twilight; 5, The Cedars; 6, Young Oaks, loaned by Stephen Kuth; 7, The Passing Storm; 8, Oaks in Winter; 9, Summer Evening; 10, The Hitch Rack; 11, Moonlit Buildings; 12, Morning; 13, Hoar Frost; 14, Building the Bridge; 15, Virginia Hills, loaned by J. D. Nixon; 16, Autumn, loaned by Stephen Kuth; 17, Gray and Green; 18, October; 19, Autumn Hillside; 20, Four Trees; 21, Harmony in Gray; 22, Lick Creek Hills; 23, The Hill Road; 24, Nearing Spring; 25, Twilight; 26, Autumn Tones; 27, Hilltop Corn Shocks; 28, Gray March Day; 29, Clear Creek Hillside; 30, Falling Leaves; 31, Midwinter; 32, The Hillside Beech; 33, Autumn Maples; 34, Winter Evening; 35, Harvest; 36, Maple Outpost; 37, Oaks of Clear Creek; 38, Gray Day; 39, In the Edge of the Wood; 40, January Thaw; 41, Hues of Autumn; 42, November Haze; 43, The Old Homestead; 44, Afterglow; 45, Winter Stream; 46, Passing Winter; 47, Close of a Winter Day; 48, Green and Gold; 49, Edge of the Orchard; 50, Summer Afternoon; 51, In Centerville, loaned by J. D. Nixon; 52, Group of Pastel Sketches, loaned by J. D. Nixon.

Plan for Intensive Work in Motor Course

Plans for more intensive work were taken up at the first session of the motor mechanics course offered former service men by the Y. M. C. A. in the association building Monday night. The meeting was a get-together affair, but real work will be started in the Garfield Annex next Monday night. Two classes a week for six weeks will be held.

Providing the attendance warrants it, the association will divide the class into branches, motor mechanics and ignition. Expert instructors will be obtained for both.

Program for High School Orchestra is Announced

Following is the program of the high school orchestra concert to be given Wednesday evening in the high school auditorium, for the benefit of the French Orphans' relief fund:

March, The Viking, King; Overture, The Call of Bagdad, Boeldieu; Concerto for two Violins, Bach—Mr. F. K. Hicks and Miss Mary Jones. Characteristic Sketches (selected): (a) Wandering, Atherton; (b) A Japanese Sunset, Depper; (c) A Love Song, Gruenwald. Cornet—Concert Polka (Bargley), Elmer Hurrell. A Passing Fancy (Rollinson); A Parade of the Dolls (Gruenwald); Song—Les O' Mine (Maley), Earlham Male Quartet. Overture—La Burlesque (Suppe).

FUEL OIL BIDS SHORT
WASHINGTON, March 16—Fuel oil bids opened today by the navy department covered less than one fifth of the 5,000,000 asked for and prices quoted were more than 100 per cent above those in current contracts.

Superfluous Hair Now Removed Roots and All!

A boon to women troubled with superfluous hair is the new phelactine process. It is totally unlike the electrolytic, electric and other methods heretofore employed for the removal of hairy growths. It is the only thing that enables one to remove the hair completely—roots and all—in one's own home, without the assistance of an expert. The result can not be doubted, for the user sees the hair-roots with her own eyes.

A stick of phelactine, with easy directions, can be had at any drug store. It is entirely harmless (a child could safely eat it), odorless and non-irritating. It is an instantaneous method, and so thorough that the skin is left perfectly smooth and hairless, bearing not the least evidence of its former disfigurement.

Briefs

Wanted—Brass molders. Call Mr. Gallagher, room 62, Westcott Hotel, between 7 and 9 tonight.

Short News of City

GIVEN GLOVE PATENT

H. C. Lawson of this city, has been granted a patent on a glove by the government.

MRS. HUNT GIVEN PENSION

A pension of \$25 has been granted Amanda M. Hunt, of Fountain City.

CLASS SURPRISES WEAVER

A surprise party on Frank Weaver, 220 North Sixth street, was given by members of the Men's Bible class, United Brethren church Monday night at the Weaver home. Readings and music with a short business session, featured. Refreshments were served.

INTERURBAN SHUT OFF

Interurban service between Newcastle and Indianapolis was shut off Monday morning as the result of a break in the main steam pipe connecting the boilers and engines at the main power station of the traction company in Anderson. Several other lines controlled by the Anderson power station were closed temporarily.

EARLHAM PROGRAMS OUT

Programs for the in formal annual banquet of the Chicago Earlham association, at the Morrison Hotel in Chicago, Saturday evening, March 20, have been mailed. The announcement is made on the programs that President David M. Edwards will be guest of honor.

P. D. HIBBS TO SPEAK

P. D. Hibbs, one of the leading colored educators of Kentucky, will speak at 8 p. m. Tuesday, at the Mt. Moriah Baptist church. A good program has been prepared and the public is invited.

"Y" DIRECTORS TO MEET

Minor business will be taken up at a meeting of the board of directors of the Richmond Y. M. C. A. in the association building at 6 p. m. Wednesday.

FIRST BIBLE MEETING

The first meeting of the recently organized bible class of Y. M. C. A. dorm met in the Y. M. C. A. at 7 p. m. Monday. They were the guests of a dinner given by the ladies of the First Presbyterian church.

SURVEY IS TABULATED

Work of tabulating returns from the city survey of Richmond made Sunday afternoon in the interests of the Interchurch World Movement, is being continued by survey leaders. Workers are busy each night, covering territory missed Sunday.

HISTORY CLASS TO MEET

The Y. M. C. A. history class will meet in the association building at 7 p. m. Wednesday. J. W. Hansell is director.

EGGS LOWEST IN 6 MONTHS

The retail price of fresh eggs dropped from 55 to 43 cents a dozen on Richmond markets Tuesday morning. This is the lowest price charged for eggs for over six months. However, butter advanced from 78 to 80 cents a pound. The buying price of eggs dropped from 45 to 35 cents.

MISS SIMS GETS HOME

Miss Ruthanna Sims, a member of the Friend Forward Movement college deputation which recently finished a trip to the west coast and back, in interest of religious work recruits, arrived at the Central Offices of Friends Tuesday morning. Miss Sims spent the week-end in Chicago with her sister.

MRS. DAVENPORT HOSTESS

Mrs. Frank Davenport will be hostess for the Neighborly club Wednesday afternoon at her home east of the city.

If Too Thin Try Bitro-Phosphate

While excessive thinness might be attributed to various and subtle causes in different individuals. It is a well known fact that the lack of phosphorus in the human system is very largely responsible for this condition. It seems to be well established that this deficiency in phosphorus may now be met by the use of Bitro-Phosphate, which can be obtained from Conkey Drug Co. or any good druggist in convenient tablet form.

In many instances the assimilation of this phosphate by the nerve tissue soon produces a welcome change—nerve tension disappears, vigor and strength replace weakness and lack of energy and the whole body loses its ugly hollows and abrupt angles, becoming developed in a glow of perfect health and beauty and the will and strength to be up and doing.

CAUTION:—While Bitro-Phosphate is unsurpassed for the relief of nervousness, general debility, etc., those taking it who do not desire to put on flesh, should use extra care in avoiding fat-producing foods.

INFLUX OF COLORED VOTES HELP G. O. P.

Indiana will go overwhelming Republican at the coming elections, believes Cornelius Richardson, colored attorney, and representative of the state Republican committee. Richardson has been traveling over the state for the past few weeks building up the state G. O. P. organization and acquainting the voters with republicanism.

"The prospects in Indiana for a Republican victory both nation and state wide in its scope is exceedingly good," said Richardson. "If the election was held tomorrow the Republicans would come through with colors flying. My observations have been made directly

FRIENDS AT MEETINGS
Sylvester Jones, associate director of the Friends Forward Movement, attended a conference of pastors of Indiana Yearly Meeting in Indianapolis Tuesday. Hermon O. Miles, national financial director of the movement, went to Columbus, O., Tuesday on official business.

PETTIS REID BETTER.
Pettis A. Reid, who has been ill at his home in the Wayne apartments, has reported much improved Tuesday.

Fermented mares' milk or koumiss, has been a favorite beverage of the Tartars from ancient times.

DYE THAT SKIRT, COAT OR BLOUSE

"Diamond Dyes" Make Old, Shabby, Faded Apparel Just Like New

Use "Diamond Dyes," guaranteed to give a new, rich, fadeless color to any fabric, whether it be wool, silk, linen, cotton or mixed goods,—dresses, blouses, stockings, skirts, children's coats, feathers, draperies, coverings.

The Direction Book with each package tells so plainly how to diamond dye over any color that you can not make a mistake.

To match any material, have druggist show you "Diamond Dye" Color Card.—Advertisement.

ECZEMA IS ONLY SKIN DEEP

No internal medicine will cure Eczema. Only by the application of CRABAPPLE OIL, the great external remedy, can the Eczema microbe be destroyed. Prove this statement for yourself at once. Write for free test treatment address: **Little Chemical Co., Dept. L, Chicago, Ill.**

"I suffered for 30 years with Eczema. In the morning I awoke all over the body, itching and burning. I tried all sorts of medicine and I sleep like a baby now."—J. W. McCracken, Chicago, Ill. (Written two years after using CRABAPPLE OIL.)

and particularly from my racial group. Colored Laborers Arrive.

"There has been a great exodus from the industrial centers, of foreigners returning to their native lands. As a result the demand for laborers has brought into the central states a great number of colored voters. Practically all of these new settlers are staunch Republicans."

Richardson estimated that at least 10,000 new voters had settled in Indiana since the last election.

Colored Republicans of the Sixth congressional district will hold a big mass meeting in Connorsville Thursday, and it is the hope of Richardson that a number of men from Richmond will attend.

Edmund Wasmuth, state Republican chairman, will be the principal

speaker at the meeting, called for the purpose of furthering Republican organization among the colored voters.

Somewhere in the world is a woman who can make a fool of the wisest man, and the chances are she has done it.

How to Keep Baby Smiling and Well

See that the daily functions are regular and normal

YOU can't expect the little ones to be happy and playful when the head feels dull and the stomach bloated. The normal habit of children is to be happy and when you notice them cross and fretful you will usually find constipation is responsible.

Perhaps they have missed that daily function so necessary to comfort and health. Look at the tongue and see if the breath is bad. Watch for belching. These are the tell-tale symptoms of constipation. Tonight give a little of Dr. Caldwell's Syrup Pepsin, which you can buy at any drug store, and it will act in the morning and the troublesome symptoms promptly disappear.

Dr. Caldwell's Syrup Pepsin is a combination of simple laxative herbs with pepsin. Unlike the harsher physics it acts gently and without gripping so that while grownups can use it freely it can also be given to a tiny baby with perfect safety. Thousands of American families would not think

of being without a bottle in the house for the emergency arises almost daily when it is needed.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet used it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 514 Washington St., Monticello, Illinois.

A Gift from Dixie

Southern Mothers Have Found a Way to Treat Children's Croup and Colds Without Internal Dosing

ALL mothers everywhere know that children's stomachs are delicate and their digestions easily disturbed, and therefore they should be given as little internal dosing as possible. Yet croup and colds come often and certainly cannot be neglected.

A North Carolina Druggist Solves the Problem

Thanks to Lunsford Richardson, a druggist in Greensboro, N. C., this problem has been solved, and Southern mothers have been given a method of treating cold troubles externally. Mr. Richardson discovered a salve that would vaporize by the body heat when applied over throat and chest. These vapors, inhaled with each breath, carried the medication through the air passages to the lungs, at the same time the salve was absorbed thru and stimulated the skin, attracting the blood to the surface and thus aiding the vapors inhaled to relieve the trouble. This preparation Mr. Richardson called Vick's VapoRub.

Vicks contains no harmful drugs, just the old-fashioned, time-tested remedies—Menthol, Camphor, Thymol, Eucalyptus, Turpentine, etc.—combined in a new-fashioned way.

The Use of Vicks Has Steadily Increased

Starting with the customers of Mr. Richardson's retail drug store, the sale of this external treatment has grown, county by county, state by state, until now Vicks can be found in almost any drug store in all sections of the United States.

Mothers who once use Vicks always keep a bottle on hand thereafter. It is so easily applied, so quick in its effects, and, best of all, can be used as often and as freely as desired, without fear of harmful results.

Now Over 17 Million Jars Are Used Yearly

The best evidence of the value of Vicks is the increasing number of families who, each year, are converted to the use of this real "Little Bodyguard in the Home."

The number of jars used annually for the last few years is:

1910	347,748 Jars
1911	523,152 Jars
1912	1,027,068 Jars
1913	1,357,590 Jars
1914	1,462,330 Jars
1915	2,418,213 Jars
1916	4,302,764 Jars
1917	6,799,511 Jars
1918	17,377,408 Jars

DIRECTIONS FOR THE USE OF VICKS

Vapors Important.—For these troubles a large part of the value of Vicks lies in its vaporizing qualities. So whenever Vicks is applied over the throat and chest, care should be taken to leave the clothing loose around the neck and the bed clothes arranged in the form of a funnel, so that the vapors arising may be freely inhaled.

Hot Wet Cloths.—In cases of deep chest colds, severe sore throat or incipient pneumonia, hot, wet towels should be used over the throat and chest to open the pores of the skin before applying Vicks.

For Head Colds, Asthma, Catarrh, Hay Fever.—Vicks can be melted in a spoon and the vapors inhaled, or a little should be applied up the nostrils and snuffed up the head.

For Spasmodic Croup, Children's Colds.—Rub Vicks over the throat and chest until the difficult breathing is relieved, then spread on thickly and cover with a hot flannel cloth. An application at bed time usually prevents a night attack of croup. Vicks is particularly recommended for children's colds since it is externally applied, and can, therefore, be used often and freely without disturbing the youngsters' delicate digestions.

For Deep Chest Colds, Sore Throat, Tonsillitis, Bronchitis, Coughs.—or any affection of the respiratory organs where there is tightness or soreness, Vicks should be applied over the throat and chest—if necessary, first using hot wet cloths—and rubbed in well until the skin is red; then spread on thickly and covered with one or two thicknesses of hot flannel cloths. If the cough is annoying, a small piece the size of a pea can be swallowed every few hours.

Minor Ailments

In addition to its use for Cold Troubles, Vicks has been found excellent as a salve, liniment or plaster for troubles such as Bites, Burns, Itchings, Soreness, Sunburn.
