Dandruff Surely Destroys The Hair

Girls—if you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it.

You will find, too, that all itching and digging of the scalp will stop, and your hair will look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive and four ounces is all you will need, no matter how much dandruff you have. This simple remedy never fails.—Advertisement.

Little Friends of the Liver

The liver is the regulator of health. If the liver is active and well, good health and happiness prevail; but once you allow your liver to get torpid and sluggish, life becomes a misery. Dyspepsia, Indigestion, Biliousness, Constipation, Headaches and Melancholy result, resulting in lack of energy, loss of memory and ill health; but remember, Carter's Little Liver Pills touch the liver and correct all liver ills.

COLBY TESTIFIES BEFORE COMMITTEE

(By Associated Press)
WASHINGTON, March 18.—Whether there is to be a prolonged senate investigation of the nomination of Bainbridge Colby to be secretary of state probably will be determined as a result of a statement by the nominee himself today before the foreign relations committee.

The committee meeting which Mr. Colby accepted an invitation to attend was behind closed doors, and members took every precaution to hold in confidence the nature of the matters under consideration. A half dozen other witnesses previously had been heard in secret session, and it was said that still others might be summoned.
