

RAYMOND KELLEY ON ABINGTON GOLD STAR HONOR ROLL

GOLD STAR ROLL

Harry Jarrett prepared the Abington township honor roll of men in the world war, which follows:

Raymond Charles Kelley, son of George W. and Maud Alice Kelley, was killed in action in France, Oct. 4, 1918. He was born in Brownsville, Indiana, January 8, 1896; entered the army Oct. 5, 1917, and was assigned to Infantry, Machine Gun company.

ROLL OF HONOR

Elmer Ellsworth Hale entered the army Dec. 15, 1917, and was assigned to 317th Machine Shop Truck unit, Automobile Repair department, Quartermaster corps, regular army; embarked from Newport News March 4, 1918, and arrived at St. Nazaire, France, March 21, 1918; battles participated in: St. Mihiel and Meuse Argonne; attached to Eighth French army March 28 to Dec. 15, 1918; attached to Third French army from Dec. 16, 1918 to May 4, 1919; French army of occupation in Germany.

Edward Parker entered the service Oct. 4, 1917, and was assigned to 151st company, Third Regiment, 38th Division Infantry, National Guards; treated at Camp Shelby, Miss., for bronchitis; discharged Dec. 13, 1917.

Samuel R. Stinson entered the army Sept. 5, 1918, and was assigned to Battalion F, 70th Regiment, 11th Division, artillery, regular army; discharged Feb. 4, 1919.

Everett Sylvester Mullin entered the service Sept. 5, 1918, as private, and was assigned to Battery E, 70th Regiment, 11th Division, heavy field artillery, regular army; discharged Feb. 3, 1919.

ONE BOTTLE OF DRECO KILLED MY CATARRH

Had a Constant Dripping Into His Throat—Claims Dreco Has Cured it.

"Maybe other people have had catarrh as badly as I did, but they would have to prove it to me before I'd believe it. I had almost constant dripping into my throat from the back of my nose, and in the morning my nose and throat would be almost entirely stopped up, and it took a good long time before I could get them free enough to be comfortable."

Mr. Ivon Murphy of Greentown, Ind., near Kokomo, volunteered this statement and offered it in the right spirit as a possible benefit to other sufferers from this most annoying complaint.

"My breath was foul, too, so much so that I was ashamed to go into company at times, for I felt sure I must be objectionable to my friends. Honestly, I believe I took two dozen different remedies, supposed to be good for catarrh, and went to one doctor after another, but at the finish I consider that I was just a little worse off than when I began."

"Just about this time, a friend told me of a positive cure of catarrh made by Dreco. I didn't have any more faith in it than the law allows, but took one bottle for luck. Almost at once I saw I was on the right track; could see improvement right along, and was comfortable in breathing freely for the first time in years, and not a trace of drippings in the throat. "You can take my word for it, I kept right on, and am now finishing up the second bottle, but it's my opinion the first bottle really did all the work, and I am only taking the second to sort of 'chuck' sure of it." I know that I'm going to be entirely cured, and it's a pity that others don't know all about Dreco. You can tell them about me if you like."

All good druggists now sell Dreco and it is highly recommended in Richmond by Thistlethwaite's drug stores.

Nervous Woman Suffered Untold Agonies Until She Began Taking Trutona.

Indianapolis, Ind., March 19—"I feel it my duty to give Trutona the warmest praise I possibly can, because suffering humanity is entitled to know how much good it has done for me." These are the recent gifted words of Mrs. C. L. McGee, who is 68 years old and lives in Indianapolis, at 424 South West street. Mrs. McGee then added:

"For the past seven years I have suffered untold agony from liver trouble, constipation and nervousness. I was so nervous that if my husband dropped his shoes on the floor I'd jump as though I'd been stuck with a pin. I have been in the hospital three times in the last seven years, and I'm anxious to make clear how much good Trutona has done for me."

Since taking Trutona, I simply feel like my former self. My bowels are regular and my nerves are so good now, that a hundred pound weight dropped on the floor would not disturb me. My dizzy spells have left me, as have the annoying liver spots which used to flit before my eyes."

My husband and I cleaned house today, the first time I have been able to do such work for some time. Trutona certainly did reach the right spot in my case, and I want to recommend it to everyone suffering as I have done. If they'll try Trutona, they'll surely get relief."

Trutona's healthful action reaches every portion of the body, and performs its work faithfully and efficiently. Trutona rebuilds diseased nerves and tissues, creates a healthful appetite and assists in the assimilation and digestion of the food. Trutona is sold in Richmond at Clem Thistlethwaite's drug stores.

The Self-fed Hog is the Best-Paying Hog

The most successful hog raisers have discontinued the old fashioned wasteful method of feeding for the more economical and labor saving SCHUMACHER FEEDING PLAN which consists of giving hogs free access to SCHUMACHER FEED, corn and tankage in self-feeders. Tests have proven that SCHUMACHER FEED saves corn and makes more pounds of pork at less cost.

Call at our store and ask for free booklet "BIG PIGS AND HOW TO RAISE 'EM," which tells all about the more profitable and better method of feeding hogs.

Each year for overalls— \$200,000,000

EVERY year you and the other men of the United States wear \$200,000,000 worth of overalls. Tied end to end they would reach twice around the world.

Some of these overalls wear well—stay comfortable. Others wear out quickly—bind and rip.

Which kind of service do yours give? Have you found an overall that gives you full value in wear and comfort every time?

Millions of men are today wearing overalls which give satisfaction they have never known before. When these men want overalls, they make sure that they get Blue Buckles.

"I've tried a lot of overalls, but of all I've worn I'll choose Blue Buckles every time. They always give long wear."

Joe M. Cullbert
President of the Iowa
Corn and Small Grains
Growers Association

The heaviest, toughest denim on the market goes into Blue Buckles. Blue Buckles are always big and roomy—Blue Buckles never rip. First-class workmanship makes the details right in every pair. Pockets reinforced to prevent tearing—heavy brass buttons—a solid back band—extra wide suspenders—and wide double-stitched seams everywhere—points like these give Blue Buckle wearers solid satisfaction.

Ask for Blue Buckles and get your money's worth.

Don't Experiment with Catarrh; It Often Leads to Dread Consumption

YOU WILL NEVER BE CURED BY
LOCAL TREATMENT WITH
SPRAYS.

Catarrh is a condition of the blood and cannot be cured by local applications of sprays and douches; this has been proven by the thousands who have vainly resorted to this method of treatment.

Catarrh should not be neglected or experimented with. The wrong treatment is valuable time lost, during which the disease is getting a firmer hold upon its victim, and making it more difficult for even the proper treatment to accomplish results.

Though Catarrh makes its first appearance in the nostrils, throat and air passages, the disease becomes more and more aggravated and finally

reaches down into the lungs, and everybody recognizes the alarming conditions that result when the lungs are affected. Thus Catarrh may be the forerunner of that most dreaded and hopeless of all diseases, consumption.

No local treatment affords permanent relief. Experience has taught us that S. S. S. is the one remedy which attacks the disease at its source, the blood, and produces satisfactory results in even the worst cases. Catarrh sufferers are urged to give S. S. S. a thorough trial. It is sold by all druggists. You are invited to write to the Medical Department for expert advice as to how to treat your own case.
