

TAX REDUCTION IS IMPOSSIBLE UNTIL 1922—HOUSTON

WASHINGTON, March 19.—Income and excess profit taxes can not be reduced until after 1922, David F. Houston, secretary of the treasury department, wrote to the House ways and means committee, urging an immediate simplification of these taxes and substitution of a flat tax on excess profits instead of the graduated rates of 20 and 40 per cent.

Only extremely moderate reductions may be made in the calendar year of 1922, collected in 1923, the secretary wrote.

Under the plan of a flat tax, the letter stated, "it would be possible to adopt a declining rate, perhaps of 25 per cent for the first year in which the change is in operation, 20 per cent for the second year, and 15 per cent thereafter."

Unless action is taken at the present session of congress, Mr. Houston said, existing taxes "must continue to be collected on the basis of the present law until the close of the calendar year, 1922."

Such a condition, he wrote, is contemplated with the gravest apprehension.

Losses To Be \$25,000,000

Immediate action by the government under the supreme court's decision that stock dividends are not taxable will approximate \$105,000,000, the letter stated.

Secretary Houston added, however, that the ultimate loss would be but \$25,000,000, as much of the original loss would be regained through the sale of stocks and subsequent taxes on them.

GIRLS! DRAW A

MOIST CLOTH THROUGH HAIR

Let "Danderine" save your hair and double its beauty

Oh, girls, such an abundance of thick, heavy, invigorated hair; a perfect mass of wavy, silky hair, gloriously fluffy, bright and so easy to manage.

Just moisten a cloth with a little "Danderine" and carefully draw it through your hair, taking one small strand at a time; this magically removes all dirt, excess oil and grease, but your hair is not left brittle, dry, stringy or faded, but charmingly soft, with glossy, golden gleams and tender lights. The youthful glints, tints and color are again in your hair.

"Danderine" is a tonic-beautifier. Besides doubling the beauty of the hair at once, it checks dandruff and stops falling hair. Get delightful Danderine for a few cents at any drug or toilet counter and use it as a dressing and invigorator as told on bottle.—Advertisement.
