## LOSS OF APPETITE

Pimples and Other Eruptions—Mental and Physical Weariness.

They are all common at this time of the year, and all are indications that the blood is wanting in the power to defend the body against infectious and contagious diseases, because they are all in fact, indications that it needs cleansing, enriching and vitalizing.

It is important to give them attention—it is in fact, hazardous to neglect them.

Get Hood's Sarsaparilla today and begin taking it at once, regularly after eating and if convenient, in a little hot water.

Remember, this medicine has given satisfaction to three generations, for the blood, stomach, liver and kidneys. It builds up the whole system. It makes food taste good.

For a gentle laxative or an active cathartic, take Hood's Pills. You will like them.—Advertisement.

**BUYING A MISSIONARY'S TIME**  
"Now I have paid up my pledge to the Presbyterian Church. When I think of how much I have made this year, what I gave wasn't much. I will do more next year."

"This plan of giving to the church a certain proportion, possibly a tenth, appeals to me. I am going to talk it over with my wife. The amount I gave last year figures out to a mighty small sum every week. But at that, the money I did pay bought a foreign missionary's time for a little while—for a few days at least he belonged to me."

"Friend, can't you give 50 cents a week?"  
The Presbyterian Church year ends March 31. The board treasurers are endeavoring to have all accounts for every cause paid before the last week of March.
