• SPRING AILMENTS

Relieved by a Well-Known Medicine of Superlative Merit.

Spring ailments are due to impure, impoverished, devitalized blood. Among them are pimples, boils and other eruptions, loss of appetite, that tired feeling, a run-down condition of the system, and sometimes chronic weaknesses made worse.

Hood's Sarsaparilla combines the roots, barks, herbs, berries and other medicinals that have been found, in many years of intelligent observation, to be most effective in treatment of these ailments.

Successful physicians prescribe these ingredients for diseases of the blood, stomach, liver and kidneys, and in cases where alternative and tonic effects are needed.

Hood's Sarsaparilla is the spring medicine that purifies, enriches and revitalizes your blood, increasing power of resistance to disease.

Women Need Swamp-Root

Thousands of women have kidney and bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease. If the kidneys are not in a healthy condition, they may cause the other organs to become diseased.

Pain in the back, headache, loss of ambition, nervousness, are often times symptoms of kidney trouble. Don't delay starting treatment. Dr. Kilmer's Swamp-Root, a physician's prescription, obtained at a drug store may be just the remedy needed to overcome such conditions.

Get a medium or large size bottle immediately from any drug store. However, if you wish first to test to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention the Richmond Palladium.—Advertisement.

HOODS?

Next time you buy rolled oats, ask your grocer for Hood's Label Brand and note how good they are.

It used to be that rolled oats were a winter's dish only—because when summer came weevil appeared in the grain.

The Hood process of preparing rolled oats does away with that. The oats, before sealing in the package are electrically sterilized, destroying all weevil bacteria. Hood's Rolled Oats are good every day in the year. Made from plump, white grains and prepared and packed strictly sanitary and clean. No better oats can be packed, each package guaranteed.
