## Junior High Sports

Harlan's league leading purple team had a hard time holding on to its perfect score in the older-group basketball games in the Garfield gym Wednesday afternoon, requiring three minutes of overtime before winning 6 to 4. Kessler's white team won a hard fought 7 to 6 game from Norton's purples. Throckmorton's purples won a 12 to 4 scrap from Chris's whites. These games, completed the inter-group contests for the season, final standing being as follows:

Team	Won	Lost	Pct.
Harlan	9	0	1.000
Kessler	6	3	.667
Thomas	6	3	.667
Norton	3	6	.333
Chris	2	7	.222
Throckmorton	2	7	.222

## Bowling

The second lap of the nine game, five man bowling contest between the Natcos and Swayne-Robinsons, will be played off at Twigg's alleys Saturday night. The Natcos won two out of the three games from the tool-makers in the first round at the Y alleys last Saturday night.

The A. S. M. has issued another challenge for a two and one man bowling tourney with the Natcos. The Seeders have also challenged the Swayne-Robinsons to a nine game tourney, in singles, doubles and five man.

## Freshies Continue to Show Class for Earlham Nine

Members of last year's Earlham baseball team have a hard fight on hand to grab varsity positions this season. Freshie candidates are putting up a very impressive brand of ball.

Further progress in the finer points of infolding was doled by the Quaker mentor Wednesday afternoon, and the Freshies seemed to profit most. Hillard and Goar continue to show class upon the mound and dopesters are picking this pair to bear the brunt of the schedule.

Coach Morse is awaiting word from Franklin, Rose Poly and State Normal. His intention is to play Rose Poly on Friday afternoon and State Normal on Saturday. Franklin will be met by Earlham anywhere, anyhow and any time.

The Quaker track squad hit the cinders for the first time Wednesday afternoon and Coach Nash Higgins had a hard time to keep several sprinters from "showing off." Final arrangements are that Earlham will hold a dual meet with Cincinnati, there, on April 24.

## Records Going to Smash at A. B. C.; Champion Teams Yet to Try for the Marks

PEORIA, Ill., March 25.—With the 1920 American bowling congress reaching the half-way mark at the close of play here tonight, officials today estimated the scores as a whole will be the highest in history. Three records already have gone by the boards and with three A. B. C. champions and many sectional and state title holders yet to roll the best scores of the tournament may come in the closing weeks.

Industrial teams from Akron, O., attacked in the five-men events today. Teams from Denver, St. Paul, Newark, Chicago, Milwaukee, Huntington, W. Va., and Madison, Wis., also were on the drives.

The entire schedule this morning was taken over by Kenosha, Wis., bowlers rolling in the individuals and two-men classes. Many of them rolled high scores in their team events last night and changes were expected today in the all-event standing.

## Sophomores Maul Seniors in Earlham Girls' Games

The Sophomores handed the Seniors an awful walloping in the second round of the Earlham girls inter-class basketball games Wednesday afternoon, the final score being 21 to 0. This is the worst treatment ever accorded a team of the high and mighty senior class. The Juniors and Freshies looked horns and after a hard game the score showed the Juniors on the long end of a 13 to 9 score.

A regular battle is promised Friday afternoon when the strong Juniors and Sophs clash. The Sophs came off winner in the last engagement and the Juniors are out for revenge. The Freshies are preparing to atone for past insults accorded them, by giving the Seniors the same treatment Friday as the Sophs gave Wednesday.

## COLISEUM

Chick Shorten, one of the members of the hard-hitting quartet of Tiger outfielders, stands out as one of the greatest place hitters in the great national game. His ability to place 'em where the fielders ain't, coupled with his ability to hit 'em at a 315 gait (his last year's speed) makes him as valuable a man to the Tigers as are either Veach or Flagstead, although he hit a bit below them.

Old-timers will tell you Shorten is a second Willie Keeler. Sounds good. Others who compare him with Jess Burkett. This may be nearer correct. For Shorten had an opportunity to learn Burkett's style and acquire the "inside dope" on place hitting that Burkett could give him. Shorten at one time played for Burkett at Worcester, Mass., and teammates (including Steve O'Neill of the Indians) tell us that Jess spent hours a day coaching Chick. Burkett's work bore fruit. Chick's batting average jumped from .285 to .345 while with Jess.

Shorten first broke into print as a member of the famous Minooka (Pa.) Blues, an amateur team that sparked years ago—due to the brilliant playing of O'Neill, McNally, Festus Higgins and some other boys who broke into the majors on the reps they acquired with the Catholic Temperance league club.

Chick was born in Scranton, Pa., in 1892. Burkett grabbed him from the Minooka club in 1913 and two years later the Red Sox took him south and then turned him over to the Providence club. He was recalled in the spring of 1916, turned back for a few weeks and then recalled again in time to break into the world's series. He made his series debut in the third game, getting three hits in four trips to the plate, driving in one of the two runs in the sixth inning rally which threatened to destroy Brooklyn's four-run lead. Shorten's single in the fifth and final game helped put the contest and series on ice. He was with the Red Sox until January 17, 1919, when the Tigers got him in the cracker-box swap arranged by Detroit, Washington and Boston, the Sox giving Shorten, Pitcher Love and Alansmith for Oscar Vitt, after acquiring Alansmith and Dumont for Janvrin and some cash.

## Reds Beaten by Wildness of Ring; Score is 6 to 3

TAMPA, Fla., March 25.—The wildness of Jimmy Ring and the effective pitching of the two big Washington right-handers, Eric Erickson and Jim Shaw, enabled the Senators to reverse the count on the Reds Wednesday, and the champions were beaten 6 to 3 in the second game of the long series.

Ring, who has had no practice while the club has been on this jaunt to the west coast, was painfully untamed, and all of the senatorial rallies were due to his ignorance of the plate's location.

The Reds outlived the enemy, but were stopped in the pinches by Erickson and Shaw, while the Griffins always had easy walkers on the sacks, to be driven around when a base hit made its tardy appearance. It was the first really poor exhibition given by Pat Moran's star right-hander this spring, and was excusable on account of the absence of any practice hours while the club is touring the state of Florida.

## "Y" Service Men's Motor Classes Increase Greatly

Increasing interest is being manifested in the motor mechanics and ignition classes held by the Y. M. C. A. in the Garfield annex, twice a week for former service men. Wednesday's attendance was so great that another automobile had to be obtained. C. E. Thomason, Wayne county director for the educational program of the "Y," donated a large touring car. The auto ignition class was also greatly increased. Ben Berman, of the Auto Wrecking company, has donated all the ignition fixtures to be used.

## STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels. Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles. Have you a bad taste, coated tongue, poor appetite, a lazy, don't-care feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets, the substitute for calomel. Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without gripping, cramps or pain. Take one or two at bedtime for quick relief. Eat what you like. 10c and 25c.

## LOWDEN EMBARGOES EASTERN STATES FOR CORN BORER

SPRINGFIELD, Ill., March 25.—Reported discovery of the European corn borer among the crops of corn, broom corn and other plants in Maine, New Hampshire, Vermont, Massachusetts, Rhode Island, Connecticut, New York and Pennsylvania, has led Governor Frank O. Lowden to issue a proclamation forbidding the importation of such plants from these states, except under certain restrictions. The pest also is said to have been discovered in celery, green beans, beets, spinach,

rhubarb, oals, rye straw, chrysanthemums, asters, cosmos, geraniums, gladiolus and dahlias.
