

F. WAGNER, EATON MAN, KILLS SELF; CAUSE MELANCHOLIA

EATON, O., March 25.—Frank Wagner, about 40 years old, former local business man, suicided here Wednesday afternoon by shooting himself in the head with a shotgun in the basement at the home of his father-in-law, James A. Longnecker. Melancholia is assigned as the reason for the act. Wagner's dead body was discovered by his father-in-law shortly after 3 p. m. Although Mrs. Longnecker was in the home at the time the tragedy was enacted, she did not hear the shot. Mr. Longnecker had been absent from home temporarily, and when he returned and found Frank absent, he began a search of the home and came upon the dead body in the basement.

Wagner had placed the muzzle of the shotgun against his right ear, pulled the trigger and sent the charge of shot crashing into his head. Death was doubtless instantaneous. The gun used is owned by Harold Longnecker, son of Mr. and Mrs. Longnecker.

Had Been in Sanitarium.
Wagner had been a patient in a sanitarium at Oxford, Ohio, for the last three months receiving treatment for melancholia. His condition did not improve and last Sunday Mr. Longnecker brought him to his home here. He is said to have requested that a doctor be called to chloroform him. He avoided seeing his friends.

For several years Wagner operated a book and stationery business in Eaton, and also a grocery. A year or longer ago, he disposed of his business interests because of the condition of his health, and attacks of melancholia, which had become frequent. His wife died about a year and a half ago. He is survived by one brother, Vern Wagner, of Detroit, Mich., who was to come here the last of this week to arrange to take his brother to some institution for further treatment. Arrangements for the funeral have not been announced.

Twin Farmers Withdraw.
Members of the Preble County Farm Bureau living in Twin township have withdrawn from the county organization and have formed a township bureau. Action resulting in the withdrawal and formation of a bureau within the township was taken in a meeting held recently at New Lexington.

According to public announcement, the Twin township members of the county bureau withdrew as a result of the announced intention of the bureau to raise the membership fee to \$10 for a three-year membership. The county bureau recently announced that a membership drive would be made and the new membership fee rate placed in effect.

The Twin township bureau announces it will reduce its membership fee from one dollar to 50 cents. S. S. Hawley is president of the new township bureau. John Pontius is secretary and Ed Rinck is treasurer.

The bureau will put on a membership campaign. Two teams will conduct the drive. Casper Hakebost will captain one team, the members of which are William Peterman, Clarence Purnhagen, Elmer Loxley and John Pontius. The other team will be captained by S. S. Hawley and is made up of Charles Voge, Jr., Jacob Kreitzer, Ed Rinck and John Purnhagen. The team securing the greatest number of memberships will be banqueted by the losing team.

Teachers to Meet April 3.
Spring meeting of the Preble County Teachers' association will be held April 3, in the centralized school building in Lanier township. The meeting will be addressed by Dr. Jesse McMillan, Miami university, and Dr. H. F. Dyer, of Boston, Mass., formerly superintendent of public schools in Cincinnati.

NEW YORK SONG HIT
One of the greatest musical successes of the country, "SWEET HAWAIIAN MOONLIGHT" is the only truly Hawaiian melody ever written by an American, and is extremely popular in all the large musical centers. This immensely popular number is by the writers of "WEeping WILLOW LANE," another decided success. The following is a part of the chorus clipped from a copy just received:

Sweet Hawaiian Moonlight

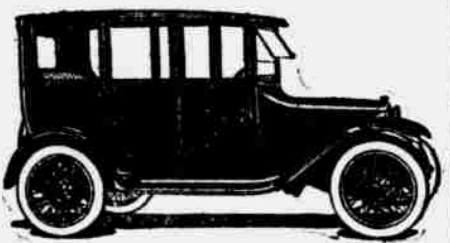

One of the unusual features of this song is its originality. It is one of those melodies, once heard, is never forgotten. It is harmonious in the extreme and, when heard, it's immense popularity is easily understood, for it is whistled, hummed and sung everywhere. This song is splendidly recorded for all phonographs and player pianos.
