

American Legion

Plans for a personal canvass of every former service man in the community as a part of the membership drive of Harry Ray post, American Legion, were started at the meeting of the Post Wednesday evening.

According to the plan announced by Commander Hunt, the city will be divided according to wards and precincts, and a chairman will be appointed for each division.

A list of every former service man is being prepared, and these will be given to each chairman, who will be held responsible. It is hoped that through this method a 100 per cent increase in the membership of the post will be obtained.

New Rooms Nearly Ready.

The executive committee announced Wednesday that the new club rooms in the K. of K. temple will be ready for occupancy within the next two weeks. Although the permanent furniture for the rooms is not ready, the committee is planning to fit the room with temporary furniture until the permanent fixtures arrive.

The new post rooms when completed will be one of the best club rooms in the state, the executive committee report states. The committee has arranged with a Chicago decorating company to plan for the club furniture and fixtures, and all of the fixtures will be selected for the best advantage of the organization.

Members of Harry Ray post were invited Wednesday evening to attend the Post Exchange sale, to be given by Clarence Teaford post at New Paris, on April 3. Clarence Teaford

post is rapidly becoming one of the most active posts in Preble county, and members of Harry Ray post are urged to support the sale.

Russell Music Chairman.

Frank Strayer, chairman of the music committee, resigned his position Wednesday, and Commander Hunt appointed Bert Russell to fill the vacancy.

The committee is planning to organize a post band which will be made up entirely of members of the post. The committee was also ordered by Commander Hunt to purchase a phonograph and piano for the new club rooms.

Give Stomach What It Needs

The Alkaline Effect of Stuart's Dyspepsia Tablets Usually Corrects the Stomach Faults That Provoke Attacks of Indigestion or Dyspepsia.

To sit back after a good meal and know there is not going to be sour risings, gas, drowsiness and discomfort is the logical result of using Stuart's Dyspepsia Tablets immediately after eating. Most people believe they can trace each attack of indigestion to the something they ate and can still "taste." And it surprises them, invariably, to note how quickly relief comes after using one or two of these tablets. Whether it is highly seasoned food, rich pastry, the heavy hearty foods or some one particular offender the relief comes just the same. Those who are susceptible to attacks of indigestion or dyspepsia should try Stuart's Dyspepsia Tablets as they supply the stomach with an alkaline effect just as it does naturally when it is working in a perfectly healthy condition.

Stuart's Dyspepsia Tablets are so widely known and used that you can get them in any drug store in the United States and Canada at 50 cents a box.—Advertisement.
