

## THREE GOLD STARS SHINE ON SERVICE FLAG OF WASHINGTON

Three gold star names are on the Washington township roll of honor. Information for which was gathered by Lincoln Perkins, of Milton. A large number of men have not sent in information on their activities during the war, and the county committee urges them to do so.

**GOLD STAR ROLL OF HONOR.**  
Raymond Bryant, who died of influenza at Camp Greenleaf, Ga., Oct. 19, 1918, was the son of Mr. and Mrs. Greenberry Bryant, of Milton, Indiana. He entered the service March 6, 1918, and was assigned to medical department.

Ralph H. Moore, son of Jesse E. and Malinda Moore, was killed in action October 8, 1918, in France. He entered the service June, 1917, at Detroit, Mich., and was assigned to the 120th company, Machine Gun battalion medical department. On April 11, 1918, was promoted to sergeant.

Henry Heath Callaway, son of Robert F. Callaway, died at Camp Eustis, Virginia, Oct. 10, 1918, of influenza. He entered the service June 1, 1918, and was assigned to coast artillery.

**WASHINGTON TOWNSHIP**  
Lester Clayton Knipp entered the service Sept. 20, 1917, and was assigned to Company M, 161st Infantry, 88th Division; embarked from Montreal, Canada, Oct. 4, 1918, and arrived in Liverpool, England, Oct. 18, 1918; sailed for United States May 10, 1919, arriving in Newport News, Va., May 20, 1919, and discharged June 2, 1919, as corporal.

Clarence Underwood Knipp entered the service March 6, 1918, and was assigned to Field Hospital, Medical Branch, National Army; embarked from Hoboken, N. J., June 8, 1918, and arrived at Liverpool, June 15, 1918; sailed for United States June 10, 1919, and arrived in Hoboken, N. J., June 18, 1919; discharged June 25, 1919, as corporal.

Jonathan Lloyd Parkin entered the service June 1, 1917, at Indianapolis, as Hospital Apprentice, second class; assigned to Hospital Corp Training School at Great Lakes Naval Training Station, Great Lakes, Ill.; other service in United States at Marine Barracks, Quantico, Va., U. S. N. Hospital, Washington, D. C.; discharged August 4, Pittsburgh, Pa.

Ivan Worth Parkins entered the service July 21, 1917, and was assigned to Company A, 36th Regiment, Infantry, Regular Army; discharged April 22, 1919; second lieutenant. Medical Captaincy.

William Cullen Squier entered the service June 15, 1918, and was commissioned captain, Medical Corps, Regular Army; assigned to Camp Greenleaf, Chickamauga Park, Ga.; U. S. Army Hospital 38, Detroit, Mich., and Ft. Russell, Wyoming; tentatively discharged June 30, 1920.

Francis Nelson Hester entered the service Dec., 1917, and was assigned to 828th Aero Squadron Aviation Section, Signal Corps; embarked from New York Sept. 1, 1918, and arrived at Glasgow, Scotland, Sept. 13, 1918; arrived back in United States Sept. 6, 1919, and was discharged Sept. 12, 1919, as sergeant.

Isaac Russell Bryant entered the service March 6, 1918, and was assigned to Field Hospital, Medical Branch, Regular Army; embarked from New York June 8, 1918, and arrived in Liverpool, England, June 15, 1918; sailed for United States May 28, 1919, arriving in Boston, Mass., June 9, 1919; discharged June 21, 1919.

Earl Clayton Clingan entered the service May 17, 1918, and was assigned to Company A, 36th Regiment, Infantry, Regular Army; discharged April 22, 1919; second lieutenant. Medical Captaincy.

## DOUBLE BEAUTY OF YOUR HAIR

"Danderine" creates mass of thick, gleamy waves

In a few moments you can transform your plain, dull, flat hair. You can have it abundant, soft, glossy and full of life. Just get at any drug or toilet counter a small bottle of "Danderine" for a few cents. Then moisten a soft cloth with the "Danderine" and draw this through your hair, taking one small strand at a time. Instantly, yes, immediately, you have doubled the beauty of your hair. It will be a mass, so soft, lustrous and so easy to dress. All dust, dirt and excessive oil is removed.

Let Danderine put more life, color, vigor, and brightness in your hair. This stimulating tonic will freshen your scalp, check dandruff and falling hair and help your hair to grow long, thick, strong and beautiful.—Advertisement.

Walter Isor Higham entered the service Oct. 5, 1917 as private and was assigned to Company "C", 835th Infantry, 84th Division; embarked from Quebec, Canada, September 3rd, 1918, arriving in Liverpool, England, Sept. 16, 1918, sailed for U. S., Jan. 5, 1919 and landed in Hoboken, N. J., Jan. 19, 1919; discharged Feb. 8, 1919, First Sergeant.

Orie Herbert Knipp entered the service March 29th, 1918 as private and was assigned to Third Company, 165th Depot Brigade, national army; discharged June 11, 1919, sergeant.

Upon my life, good little wife,  
This coffee's frightful dusty;  
Some peddler must  
Have sold this dust,  
It tastes so flat and musty.

**The dust and chaff  
often found in coffee  
sold by peddlers  
and syndicate stores  
result from improper  
grinding. Golden Sun  
Coffee is steel cut. This  
releases all the flavor  
and aroma and  
avoids dust and  
chaff. Your grocer  
sells it.**

One of the richest iron ore deposits in the world is in the Rajara Hills, India.

## The After Effects of Pneumonia

This is No. 2 of a series of advertisements, prepared by a competent physician, explaining how certain diseases which attack the air passages—such as Pneumonia, Influenza, Whooping Cough, Measles or even a long continued Cold—often leave these organs in an inflamed, congested state, thus affording a favorable foothold for invading germs. And how Vicks' Vapo-Rub may be of value in this condition.

Pneumonia attacks the air cells of the lungs. An inflammation is set up and matter is thrown off which causes the air cells to solidify, thus preventing the natural flow of blood thru the lungs. This "backing up" of the blood causes the heart to pump harder, just as stepping on a hose increases the water pressure, which is the reason why, during this disease, the physician watches the overburdened heart so carefully.

After recovery the lungs are filled with a mass of wreckage—the debris of the battle—which must be gotten rid of by a process known as resolution. Frequently, inflamed spots remain, congestion persists, cough hangs on, and the least exposure brings on a cold that is hard to get rid of. If neglected, such damaged air passages may easily develop serious disease of the lungs.

Such cases should always continue under a physician's care and frequent examinations should be made to see that nature is

properly continuing the rebuilding process.

Nightly applications of Vicks' VapoRub will aid nature in this work. Because Vicks acts locally by stimulation thru the skin to draw out the inflammation, attract the blood away from the congested spots and relieve the cough. In addition, the medicinal ingredients of Vicks are vaporized by the body heat.

These vapors are breathed in all night long, thus bringing the medication to bear directly upon the inflamed areas.

Vicks should be rubbed in over the throat and chest until the skin is red—then spread on thickly and covered with hot flannel cloths. Leave the clothing loose around the neck and the bed clothes arranged in the form of a funnel so the vapors arising may be freely inhaled. If the cough is annoying, swallow a small bit of Vicks the size of a pea.

Samples to new users will be sent free on request to the Vicks Chemical Company, 232 Broad Street, Greensboro, N. C.

## QUIT MEAT WHEN KIDNEYS BOTHER

Take a Glass of Salts if Your Back Hurts or Bladder Troubles You.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.—Advertisement.
