

# LAST CALL MADE FOR BOOSTERS, IN BASEBALL DRIVE

Richmond is on the verge of having league baseball. As soon as the remaining 600 baseball buttons are signed for, the Quaker City will be in the baseball pond and things will begin to hum.

A committee visited 18 Richmond men Monday morning in an effort to have the remainder of the buttons taken. When this is accomplished, C. E. Dickerson, president of the Central League, will be notified and he will immediately come to Richmond to aid in organizing a ball club.

**Going Ahead With Teams.**

Other cities of the Central league are not waiting on Richmond but are going steadily ahead and building teams. The longer it takes Richmond to buy the buttons, the smaller grow chances of recruiting a championship team. For this reason, workers are working overtime in an effort to clean up the buttons.

## Bowling

Evidently the Swayne-Robinson bowling quintet is not as good as it cracked up to be, as the Natcos grabbed two more games Saturday afternoon, making the series 4 to 2 in favor of the toolmakers. The Robinsons started out well, capturing the first by 37 pins. The second was lost by almost the same number of pins and the final by 100 pins. The concluding games of the series will be bowled on the Y alleys next Saturday afternoon. High score and average for last Saturday's performance were grabbed by Helmich with 214 and 189. Zeyen rolled best for the losers, scoring 180 for high score and 166 for an average.

Monday night will see the close of the A. S. M. bowling league season, and with the Empires two full games behind the league leading Light Drafts, the Empires have a chance, however, if the last place Kentuckys are able to trim the Drafts. That is, if the Empires can take care of the Easy Pulls. The Hoosiers and Jumbos will complete Monday's program at Twigg's alleys.

## Colleges Would Play Ball

**Here; But No Return Games**

Practically every college in the state is willing to come to Richmond for a baseball game with Earlham, but has a deaf ear when Coach Mowde demands a return game. Baseball is the poorest paying sport in Indiana colleges. For this reason, Mowde has tried to schedule games with colleges near Richmond. St. Mary's, Muncie, N. C. and Butler being the original three schools. State Normal, of Terre Haute, has written for a game to be played here. Mowde will schedule a game here providing a return game can be arranged.

Unless heavy rain sets in before Monday afternoon, Coach Mowde will have both the baseball and track athletes out for work. Saturday and Sunday were days of rest.

## Cedar Rapids, Once Beaten by Wingate, Wins Interstate

MADISON, Wis., March 28.—Cedar Rapids, (Ia.) High School, captured the interstate basketball championship by defeating Winfield (Kas.) High School in the finals of the event on the University of Wisconsin floor here last night, 21 to 20. The contest was hard fought throughout, with the losers staging a late rally which almost gained them the game. Cedar Rapids led at half time by a 14 to 9 margin. Superior, Wis., gained the third-place honors by a victory over Canton, Ill., in the first game of the evening, 25 to 11.

Wingate beat Cedar Rapids, 30 to 24, in the Chicago tourney two weeks ago.

## Vigran Calls Another S. A. L. Meeting Monday

Sam Vigran will make one more attempt to organize a Saturday Afternoon league in Richmond. A meeting of representatives from Richmond factories interested will be held in Vigran's store at 7:30 p. m., Monday night. This makes the fourth meeting.

The four factories originally lined up are the Natco, Starr Piano, Wayne Works and Jenkins-Vulcan. If these are willing, Vigran will start the league with four teams. Definite action depends upon Monday's meeting, however.

## Junior High Sports

The annual inter-group basketball tournament at Garfield school will get under way in the Garfield gym Tuesday afternoon. No regard is to be paid the division of the team, both whites and purples clashing indiscriminately. The Nortons and Throckmortons are to open the tourney. Following is the schedule for the first round of play:

Tuesday—Norton-Throckmortons; Harlan-Kessler; Schaler-Wickett; Dallas-Kelly.

Wednesday—Anderson-Carroll; Winner No. 1-Winner No. 2; Winner No. 3-Winner No. 4; Winner No. 5-Winner No. 6.

**Warren Collins.**

While Warren Collins, rookie right-handed pitcher being tried out by the Yankees, hasn't won his big league debut yet, he stands out as one of the most picturesque persons who has blown into the big league camps in many moons.

First of all, he's a Texas ranger. He hails from the Dallas club in the Texas league. Before breaking into pro ball he made a name for himself as "Rip" Collins at the Texas A. and M. college. Football pickers named him as one of the halfbacks on the All-Southern and All-Western eleven during the four years he was at college.

He served as corporal with the troops on the border before and after the affair with Mexico. He was nicknamed by his trunk the 44 gun and the ranger badge and figures some day he may get a chance to make up for those four wounds. During the war he became a captain in the infantry and was kept on this side as bayonet instructor.

Last year, with Dallas, his first year in pro ball, he won 11 games and lost 12. Dallas finished third. He allowed 45 earned runs in 25 games, permitting 236 earned runs a game. He fanned 126 batters and allowed only 166 hits. He was a bit wild, allowing 91 bases on balls. He has lots of speed and a swell curve.

**MIDDLE WEST TEAMS ON ALLEYS AT BOWLING CONGRESS**

PEORIA, Ill., March 29.—Teams on the drives at the American Bowling Congress today come from Milwaukee, Indianapolis, Toledo, Trenton, N. J., Wheeling, W. Va., Columbus, Cleveland, Detroit, Louisville, Chicago, Kokomo, and Marion, Ind. Bowlers from Chicago, Columbus, Indianapolis, Pittsburgh and Wichita Falls, Tex., shot in the singles and doubles.

**DRULEY TO MEET CARTER IN DAYTON BOXING BILL**

Yank Druley, Centerville welterweight scrapper, has been matched to meet Tommy Carter at Dayton next Monday night. Carter is an overgrown lightweight who holds a decision over Riley and Billy Voss, but still retains a lightweight's speed. Both men will weigh in at 140 pounds, and the scrap will be the semi-final of the show. Billy Denison, Richmond promoter, is Druley's manager.

## WH, WOULD THAT WE HAD MORE ON THE SAME ORDER

**George Washington.**

George Washington, street car conductor in Cincinnati for twenty-seven years, is called the model conductor by car riders. He helps women and babies on and off the cars—and even to the curb, and helps them find seats in his car. And when passengers get peeved he returns kind words for wrathful ones. Also, his friends say he upholds the name he carries by never telling even a white lie.

## GRAIN PRICES

CHICAGO, March 29.—Provisions easy. Corn and oats steady and slow. The dullness is owing to crippled wire service. Only small dips are expected. Cash corn and oats about unchanged. Rye higher on old talk about absorbing demand and yet the United States only exported 2,700,000 rye in February. When dry weather appears we look for a rush to seed oats and some reaction in September oats. In visible supply wheat decreased 1,717,000 corn increased 330,000, oats decreased 299,999, rye increased 401,000. Michael's in his Monday review mentions the high cost of everything in the United States as supporting feature of corn.
