The ex-soldier is shown how to apply for compensation through the United States public health service or any American Legion post.

In order to answer the innumerable questions as to insurance, compensation and allotments that come up from time to time, the Office of the Assis-

tant to the Secretary of War, in charge of soldier reemployment and welfare, has issued a pamphlet designed to help ex-service men solve their individual problems. It is known as Bulletin No. 6, and may be had from Army, Navy and Marine recruiting offices, employment agencies, welfare organizations, public health officers, local posts of the American Legion, Army and Navy hospitals, and chambers of commerce. This pamphlet will also be supplied free of charge to any one who will address the Office of the Assistant to the Secretary of War, Council of National Defense Building, Washington, D. C.
