This space will be devoted to the advancement of Young Peoples' Societies of this county, and will be devoted to lesson helps, interesting news, and everything pertaining to young people's work.

Motto—For Christ and The Church.

Sunday, April 4. Topic: "The Power of An Endless Life"—Heb. 7: 15, 16, 25; 1 John 3: 1-3. (Easter consecration meeting.)

### Some Bible Hints.

Eternal life is strong; to have it is to be invincible; even death cannot conquer it (v. 16).

The living Christ is able to save today, always, to the farthest bounds of time or human need (v. 16).

We are immortal, God's children, sharing His nature, His life. This should make us wish to be like Him (v. 1).

If heaven is to be our home we must fit ourselves for it by purity and love (v. 3).

### Suggestive Thoughts.

The most wonderful fact in the universe is the fact of life. To have the very life of God and know it, should make us triumphantly strong.

God's life should carry God's nature, His love, His mercy, justice, purity, truth. Let it be the cleansing current that will sweep away all human imperfection.

The power of Christ's earthly life came out of its eternal relations. He was God's son. He was one with God. The power of our life must come from the same source and will come if we realize the truth.

We need power to do the simple things of life. The thought, the thoughtful services, and to speak healing words to the sorrowing.

### A Few Illustrations.

The longer you look at great pictures, masterpieces, the more will their beauty dawn upon you, and poor pictures will become intolerable. If we would only see our inheritance we should never look at earth again.

We know something about the pull of gravitation. The greatest bodies pull the hardest. If heaven is greater in our eyes than earth, it too will pull hardest.

Look at nature and you will see how life communicates itself, perpetuates itself everywhere. Christ's endless life has this power; it enters the world through us.

If a man could live for a thousand years how wise he might become! Yet we have endless life—which means eternal advancement in knowledge and character and achievement.

### To Think About

Why should God's children be like God in character?

How does the thought of eternity inspire us?

How may we know we have eternal life?

### A Cluster of Quotations

If I could hear Christ praying for me in the next room I would not fear a million enemies. Yet the distance makes no difference; He is praying for me.—McChesney.

"Do not complain of this misfortune so long as thou has Caesar for a friend," said one of the imperial emperors to a disconsolate friend. The King of Kings is our friend.—Bushnell.

Whatever is united to Christ shares His power; hence this "power of an endless life" is ours as well as His. We shall not die. Death will be for us the portal to life. The seed of eternity is in us and it will grow and blossom.—Morton.

If earth, that is provided for mortality and is spoiled by its Maker's enemies, has so much pleasure in it that worldlings count it heaven, what must heaven be which is provided for God Himself and His friends.—Bishop Hall.

## ARE YOUR KIDNEYS WEAK?

Thousands of Men and Women Have Kidney Trouble and Never Suspect It.

Most people do not realize the alarming increase and remarkable prevalence of kidney disease. While kidney disorders are among the most common diseases that prevail, they are almost the last recognized by patients, who usually content themselves with doctoring the effects, while the original disease constantly undermines the system.

Weak kidneys may cause lumbago, rheumatism, catarrh of the bladder, pain or dull ache in the back, joints or muscles, at times have headache or indigestion, as time passes by you may have a sallow complexion, puffy or dark circles under the eyes, sometimes feel as though you had heart trouble, may have plenty of ambition but no strength, get weak and lose flesh.

SPECIAL NOTE—You may obtain a sample size bottle of Swamp-Root by enclosing ten cents to Dr. Kilmer & Co., Binghamton, N. Y. They will also send you a book of valuable information, containing many of the thousands of grateful letters received from men and women who say they found Swamp-Root to be just the remedy needed in kidney, liver and bladder troubles. The value and success of Swamp-Root are so well known that our readers are advised to send for a sample size bottle. Address Dr. Kilmer & Co., Binghamton, N. Y. Be sure to say you read this offer in the Richmond Palladium.—Advertisement.

If such conditions are permitted to continue, serious results are sure to follow; Kidney Trouble in its very worst form may steal upon you.

If you feel that your kidneys are the cause of your sickness or run down condition, begin taking Dr. Kilmer's Swamp-Root, the famous kidney, liver and bladder medicine, because as soon as your kidneys are well, they will help the other organs to health.

If you are already convinced that Swamp-Root is what you need, you can purchase the regular medium and large size bottles at all drug stores. Don't make any mistake but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., which you will find on every bottle.
