

## SOUTHWESTERN OHIO WOMEN CONVEGE AT EATON FOR MEETING

EATON, O., April 9.—Annual conference of the Southwest Ohio District Federation of Women's Clubs opened here this afternoon and will continue over Saturday afternoon. The Preble County Federation of Women's Clubs is entertaining the meeting.

The conference opened at 2 p. m. today, with Mrs. George D. Antrim, Dayton, vice-president of the Southwest district, presiding. The session was taken up with conferences on art, civics and music, with Mrs. John McKee, of Springfield, conducting the art section; Mrs. Elmer Lawrence, Cincinnati, the civics section, and Mrs. Ralph A. Herbruck, Dayton, the music section. The meeting is being held in the auditorium in the courthouse.

An elaborate musical program and a reception for state and district officers and delegates will feature a session this evening. The musical feature is scheduled for 8 p. m., the reception to follow in the lobby of the courthouse, which has been decorated and arranged for the affair.

The program of music will conclude with an address, "My People," by Mrs. Anton Kruchio, Hungarian interpreter, of Dayton.

Mrs. William Sharp, Columbus, president of the Ohio Federation of Women's Clubs, is a prominent figure in the conference. She will deliver an address Saturday afternoon. J. E. Shultz, welfare department, N. C. R., Dayton, also will speak at this session. A luncheon will be given at noon in the Pythian temple.

Saturday morning's session will be devoted to a program of addresses, among which will be an address of welcome by Mayor Harry L. Risinger.

The delegates and visitors to the conference number between 300 and 400.

The district federation is made up of 112 clubs, representing Preble, Montgomery, Butler, Hamilton, Warren and Clarke counties.

Prizes Are Awarded.  
In the third school group silver medal contest held this week at New Paris, with representatives of the district schools of Jefferson and Jackson townships and West Alexandria competing, the winners were as follows:

### This Skin Peeler All the Rage in Society

There is a growing tendency among women of culture and fashion to pay more attention to hygienic means of preserving their charms. The advent of mercerized wax doubtless has been largely responsible for this. This remarkable substance produces complexions so natural in appearance, so magnetically beautiful, artificial complexions are no longer desired. Instead of "doctoring" an offensive skin, the skin is peeled off. The wax peels the skin so gradually, in such fine particles, no discomfort is experienced. The fresher, younger skin beneath, wholly in evidence within a week or two, is lily white, satiny soft and smooth. It's not a patched-over complexion, but a brand new one. That's why mercerized wax has become such a rage among society folk. The wax is put on nights like cold cream and washed off mornings. All druggists have it, of course; one ounce will do.—Advertisement.

### Fat People Have Perverved Taste

Proof That Arbolone Removes  
Craving for Wrong Foods.

Dissolves and Eliminates Fatty  
Tissues Harmlessly.

Any Anti-Fat treatment that fails to correct the perverted appetite and craving for the very foods which make fat is certain to fail of permanent results. Mark that fact well! Five-grain tablets Arbolone removes the craving for undesirable fatty foods, restores natural appetite and digestion, while it dissolves fatty accumulations in the body and eliminates slowly but surely, without weakening or other evil effects.

Mrs. L. Holly, Imperial, Calif., writes: "Kind Sirs: Have taken your Arbolone Tablets for obesity and in seven months reduced from 205 pounds to 152 pounds. I cannot say enough for them, and anybody who is fat should take them. My health is better than ever, etc."

Tablets Arbolone enjoy the largest sale of any obesity medicine, and they deserve it. Sold by all well stocked druggists in sealed tubes with full directions.—Advertisement.

### Bert Williams Has the Blues

"I'm Sorry I Ain't Got It, You Could Have It If I Had It" is the answer this exclusive Columbia artist always gets in this side-splitting song of the "Blues."
