A delightful feature of today's session was a luncheon served at noon in Pythian temple.

Irwin Presbyterian Choice?

Indications are said to point strongly to selection of Rev. Charles A. Irwin, of Belle Center, O., as pastor of Eaton Presbyterian church and probabilities are a call will be extended him. He is an announced candidate for the local pastorate. He preached here last Sunday and is scheduled to preach here again this coming Sunday. The local church has been without a pastor the last several months, following Rev. T. J. Simpson's resignation and removal from the city.

In a congregational meeting Thursday night at the Presbyterian church the annual election of officers was conducted and resulted in the re-election of the old official body.

May Locate Auto Factory

Further consideration of a proposition to locate an automobile factory in Eaton will be taken up in a Commercial club meeting tonight. Thursday night the proposition was discussed and then laid over until the meeting tonight.

The proposition to locate the factory here comes from a North Dakota city. No bonus is sought but the plan calls for local sale of stock. It is said about \$25,000 in stock subscriptions was secured at the meeting Thursday night. The company is said to be incorporated.

I. O. O. F. to Meet Oct. 21

Campaign for candidates will be made by the Camden lodge for the meeting in Camden, the degrees to be presented by the degree staffs of the Camden and Lewisburg lodges. A committee appointed at the Lewisburg meeting will arrange a program for an open session of the Camden meeting.

At the Lewisburg meeting a class of eighteen candidates received degrees, which were conferred by Eaton and New Paris lodges. The Daughters of Rebekah served a supper. There are six Odd Fellow lodges in the county.
