

REDS WALLOPED BY SENATORS IN LAST CONTEST OF SPRING

CINCINNATI, Ohio, April 12.—Griff's Senators closed their long spring series with the noble World's Champions at Red Land Field Sunday afternoon by grabbing the final contest of the set, three to two, after a hard fought struggle that went into one round of over time. Ring and Sallee pitched good enough ball to win, but wobbles gave the visitors just the needed shade.

Two very nifty double plays assisted Jimmy Ring in keeping the Washington score down to reasonable figures in the first two innings. Ring wobbled at the getway, opening badly by walking Judge, the first man up. Milan laid down a pretty butt in front of the plate and Wingo making a hurried play on the ball, tossed it past Meyer into right field, enabling the batter to go to second and Judge to rest on third.

Sam Rice, who had a big day at the bat, slammed a sharp single into right which scored Judge but Milan was held at third by the fast fielding of Neale. Roth drew a pass, filling the bases. Shannon popped to Groh for the first out. Charrity sent along fly to Duncan, which scored Milan from third but Pat's fine throw to Heine eliminated the speedy Rice, who tried to go from second to third on the catch.

O'Neill opened the second round with a double, which was the only extra base swipe of the day. The hit gave rise to a very fast double play. Harris bunted to Ring, who managed to catch O'Neill between second and third. In the run down Heine handed the ball to Kopf at second and Larry touched Harris before he could slide into third and then ran down O'Neill. This escape put Ring on edge and he pitched great ball for next four rounds.

Walter is Hit Slightly.

The Reds got one in the first when Kopf singled to center and went to third when Rice allowed the ball to evade him out in center. Larry scored on Groh's fly to right.

In the fourth they tied the score. After two were out Roush singled to left, pulled a clean steal of second and ranged home on Duncan's drive into right.

Sallee went to the Red hill in the seventh and got by until the tenth. In the fatal round Shaw led off with a single. Judge hit safely to right but the lumbering Shaw was extinguished at third base. Judge took second on the out and was pushed along to third by Milan's sacrifice. Rice rolled to Kopf who threw wild to first and Judge scored the winning marker.

The Reds were easy on Shaw in their half of the inning and the long series was over. Now for a look at the real thing.

Miami's Baseball Team Is Fast Rounding Into Shape; Georgetown Played First

OXFORD, O., April 12.—With three days left for practice, Coach Little of Miami University is shipping his baseball team into shape for a 12-game schedule. There are 23 men in the squad, some of them exceptionally promising. Paul Miller, of Paulding, will be center field and captain this season. The pitching staff will include Stewart, of Hamilton; Wilk, of Cincinnati; Kramer, of Chillicothe; Gregg, of Washington, C. H.; Lucas, of New Washington, and Beckley, of West Chester. Catchers—Crisler, of Greenville; Smith, of Toledo, and Holtzmueller, of Farmersville. There is keen competition for infield jobs, among the candidates being Brower, of Cincinnati; Sheard and Munns, of Oxford; Gray, of Cincinnati; Hopkins, of Portsmouth; Myers, of Pleasant Hill; Mackey, of Fairport Harbor. The outfield candidates are: Heyman, of Bellevue; Eyer, of Norwood; Shorer, of Wapakoneta, and Perrone, of Cincinnati.

Miami's schedule, which opens on Thursday with Georgetown College, Georgetown, Ky., is one of the stiffest the institution has had in years. The revised schedule follows: April 16, Kentucky State University at Lexington; April 17, St. Xavier College at Cincinnati; April 22, Ohio Northern University at Oxford; April 23, Denison University at Oxford; April 25, Ohio Wesleyan University at Delaware; April 30, Denison University at Granville; May 1, Ohio State University at Columbus; May 7, Kentucky State University at Oxford; May 14, University of Cincinnati at Oxford; May 20, Georgetown (Ky.) College at Oxford; May 21, Ohio Wesleyan University at Oxford; May 28, University of Cincinnati at Cincinnati.

Earlham Men Work Out In Mad; Nine Will Play Start on Next Saturday

Rain or shine, the Earlham baseball and track candidates will be put through a workout Monday afternoon, after a nine-day vacation.

The first regulation baseball scrap of the season is due to come off at Reid Field next Saturday afternoon, against the Starr Plano nine. This game will prove a fitting test of the metal of the Quakers, as the Starrs will line-up as one of the strongest and best teams in this vicinity.

The first inter-collegiate scrap will be against the Wilberforce colored nine at Reid Field, April 24. The colored school never fails to turn out a strong baseball team.

Cincinnati university at Cincinnati, on April 24, will be the scene of the first Earlham track meet.

Association Players Wait Crack of Bat

CHICAGO, April 12.—Baseball clubs of the American Association are waiting the call of "Play Ball" Wednesday, which will start them on their way in the nineteenth annual pennant race. Reports from all clubs in the association point to one of the most favorable seasons in the history of the league.

The crack of the ball will be heard in Indianapolis, Kansas City, Milwaukee and Louisville, where the initial games are scheduled to be played. Reports from those cities indicate that the rivalry to draw the largest crowd on opening day is keen. President Elickey has offered a cup to the club

drawing the biggest attendance for the first game on home grounds. Games scheduled for the opening are:

Toledo at Indianapolis; Minneapolis at Kansas City; St. Paul at Milwaukee; Columbus at Louisville. The schedule for the season calls for 168 games, as compare with 154 last year.

Ritchie Mitchell.

Ritchie Mitchell's recent victory over Willie Jackson and his success in two other bouts lately have made him real ambitious. Ritchie wants another chance at Benny Leonard and the lightweight crown that boy wears.

Previous to his clean-cut victory over Jackson, Mitchell knocked out Lew Edwards, Australian lightweight champion, and defeated Jack Sheppard, who claims the English lightweight title. These deeds give him the right to tackle Benny he feels.

The last time the Milwaukee bearcat and Benny met—it was in the spring of 1917—Benny knocked the westerner into a deep slumber in seven rounds. And the scribes agreed that Leonard wasn't in the pink when he turned the trick.

Ritchie is a native of Milwaukee—born July 14, 1895. He started fighting in 1912 and the only mention of his work that year the record books is a three-round knockout over Jimmy Kelly. Since then he has fought most of the bright lights, including Johnny Kilbane, Ed Wolgast, Freddy Welsh, Charley White, Joe Rivers and Joe Welling. He is a willing mixer and a mighty clever boxer which makes him a good drawing card.

40 Men Take Part In Spring Football at Miami; Fundamentals Practiced

OXFORD, O., April 12.—Spring football practice at Miami University was resumed today following the Easter recess. Coach Little, though busy with the baseball activities, has general supervision of the gridiron work. The details, however, are being left largely to Captain "Red" Hale, of Mansfield, and Earl Houser, of the Dayton Triangles. Another assistant coach began work today—Cecil Pults, former star fullback of Purdue University, who is training the Miami squad in kicking.

The spring practice includes tackling, blocking, forward passing, place and drop kicking and a few of the fundamental formations of the game. Coach Little is a great believer in spring field work. He says it suits his mind's interest, keeps them in better physical condition and saves a lot of time when the short fall practice season opens.

There are some exceptionally promising men in Miami's squad this spring. Among the old men there are Munns, McGinnis, Wolf, Kramer, Brower, Esler, Captain Hale, Wire and other lesser lights. Among the new men, who are expected to make a noise in football circles this fall, may be mentioned: William Davis, of Pittsfield, Mass., halfback and quarterback; L. Davis, of Columbus, halfback, a fine kicker; Lincel, of Kenton, fullback, exceptional in punting, running and passing; Hawk, of Mansfield, guard and center; Work, of Akron, end; Predmore, of Marathon, guard; Engle, of Oberlin, tackle; Fox, of Bucyrus, quarterback; and Blum, of Lorain, quarterback.

All told Miami has about 40 men in the field every afternoon, and there are a dozen others who would be in practice were they not tied up in baseball and track work.

MICHIGAN CITIES ASK BERTHS IN PROPOSED MINOR LEAGUE LOOP

The minor league baseball situation now offers the alternative of a six club loop composed of Indiana and Ohio cities, or an eight club circuit of Indiana, Ohio and Michigan cities. Representatives of Ohio and Indiana cities met here Sunday to discuss the probable make-up of the league. A tri-state league is favored by the Richmond organizers. The probable Michigan clubs are Grand Rapids, Kalamazoo and Muskegon.

Muncie was counted upon to complete the six club circuit but failed to have representatives at Sunday's meeting. This virtually eliminates that city. Joe Carr presided at Sunday's meeting and announced that he had a telegram from Elmer Dickerson, of the Central league, offering to merge the three best cities of his league with the five best prospects of the I-O circuit.

Decide This Week.

Final action probably will be taken at a meeting which Carr announced would be held here Thursday. Elmer Eggemeier, president of the Richmond club, announces that Richmond fans need have no worry about players. Richmond has options on 23 first class players and three managers. The names of these will be published until definite action upon the league is certain.

Richmond had 25 players tentatively signed last week, among them Goldie Rapp, of the Cincy Reds. Rapp has been farmed out to St. Paul of the American Association. However, the remaining players are nearly all of the same ability as Rapp.

Dayton Men Here.

Representatives of Dayton baseball interests were present at Sunday's meeting, and expressed their willingness to become affiliated with a Class B league. These men are not affiliated with the interests that held the old Central League franchise. Anderson announced his willingness to enter an Indiana-Ohio league, but will not consider taking Michigan cities into the circuit. Middletown was dropped.

The following towns were represented at Sunday's meeting: Richmond, Ft. Wayne, Springfield, Lima, Dayton and Anderson.

Hiking and Bicycle Clubs Will Be Formed By N. Y. Classes

Blistered feet and aching muscles probably will prevail in Richmond next Sunday, as the first of a series of hikes and bicycle rides for the members of the boys' department of the Y. M. C. A. will be held Saturday.

Enough are signed to form five hiking groups and one bicycle group. Warren Faugner will lead the hiking squad and C. M. Beatty, K. W. Harding, Russel Crabb, James Hiatt and Harold Vore will lead the hikers.

The boys will hike between eight and ten miles. An all day trip will be made and the boys will be asked to take provisions for a camp fire lunch. The boys that took cooking at Garfield will be given an opportunity of displaying their knowledge.

The snap-shot club of the Y will be divided among the different groups and lasting memories of the hike will be made. Six boys have signed for the snap-shot club and four additional will be admitted.

SUBURBAN LEAGUE MEN TO MEET NEXT SUNDAY

Another meeting of representatives of the proposed Suburban Baseball league will be held in George Brehm's store next Sunday afternoon.

At least 12 towns are anxious to be represented. Richmond has three teams, Shamrocks, All-Stars and Miller-Kempers. Centerville, Cambridge City, Hazletown, Whitewater, Ross

JUST THINK OF CADOMENE

When You Find You Are Losing In Out in the Game of Life.

Worn-Out, Nervous Men and Weak, Bloodless, Anemic Women Have Found New Strength and Vigor in Taking Cadomene Tablets.

A well-known writer on physical culture says: "You cannot run a high-powered engine without fuel. You cannot get much speed without plenty of steam. You cannot get up much steam without plenty of coal and a perfectly working furnace (body). Similarly, in your own case, the internal 'works' must be sound and working properly."

That tired feeling—do you know what it means? It means that digestion and nutrition are lacking. It means that slow but sure decline in your vitality will surely ensue and real sickness will overtake you, unless you bestir yourself in overcoming the weakness of the organs responsible. This is not written to frighten. In reality it expresses logical facts. Cadomene Tablets, the favorite prescription of a great physician, are made and sold by druggists for people who need help for nature's forces, owing to ignorance, neglect or dissipation of one kind or another. Every package is guaranteed to please or money back.—Advertisement.

The 1920 baseball lid at Garfield school will be pried off when representative White and Purple team clash in an indoor-baseball scrap at the Twenty-Second street playgrounds, Tuesday afternoon. Original plans provide for an inter-assembly room league and a six team league, to play regulation baseball. No division will be made in the assembly-room league but three Whites, three Purple teams will compose the out-door baseball league.

REDS ARE NOT TOO CONFIDENT—MORAN

"The Reds are not overconfident because they won the pennant and the world's championship last year," says Pat Moran.

"They realize that they will have to fight hard for every game. The Giants, Brooklyn, Cubs and Pirates will not be easy by any means this season and the Reds know it. I will make no changes in the lineup."

The Reds will have some good extra men, however, in See, Crane, Schreiber and Gerner, and I may use them now and then to give the regulars a rest. But I can't afford to take many chances, and the champions will be ready for a quick getaway on April 14."

Chuck Ward, who will cover the territory between second and third in the Robins' infield this season, has been playing great ball and is ready for the opening gong of the season. He has fully recovered from the operation which he underwent last winter, and the knee which handicapped his playing last season, is now in good shape. Chuck's fielding in the games with the Yankees, and the one he played with the Senators, was of the mid-season variety. He covers a lot of ground and his throwing to first base has been speedy and accurate.

Fred Fulton is out on the Pacific coast and he seems to be having a hard time of it getting men to meet him. Fulton had a match with Gunboat Smith practically clinched when the size of the "medal"—all fighters are amateurs on the Pacific coast—Smith was to get was declared to be too big by the Portland commissioner. As Gunboat would not accept a smaller "medal" the bout had to be called off. Fulton and Smith may be matched at an Oakland club for four rounds. Fulton is not allowed to fight in San

Francisco because he got in bad with the authorities during a former trip.

Edward Barrow, manager of the shattered Red Sox, comes to the defense of Pitcher Carl Mays of the Yankees by declaring that the latter does not use the "bean ball."

"Mays is a good fellow and I don't believe that he would try to hit a batsman any more than would Walter Johnson," says Barrow. "Nobody ever questions Johnson's fast ball, although sometimes it speeds so close to the batsman's head that it looks intentional."

"It's unfair to charge Mays with such unsportsmanlike and cowardly tactics. He is a great pitcher and doesn't have to resort to intimidation."
