Former Navy Men May Re-enlist, Word Is Received

Authority has been received by the local naval recruiting station to enlist ex-service men who have held the following ratings in the U. S. Navy, for submarine duty: boatwain's mates, quartermasters, gunner's mates, seamen, machinist's mates, quartermasters, gunner's mates, seamen, machinist's mates, electricians, engineers and ship's cooks. They have their choice of submarine bases located at New London, Conn., or San Pedro, Cal., for assignment to duty. Men going to New London will be assigned to submarines on the Atlantic Coast, and as far as possible will be assigned to the submarines which they request. Submarines are permanently assigned to New London, Conn., Hampton Roads, Va., Key West, Fla., Coco Solo, Canal Zone, and two divisions with the Atlantic Fleet. On the West Coast they are based at San Pedro, Cal., and Pearl Harbor, Hawaii.

The following advantages are to be derived from service in the submarines: Men on board submarines receive \$5.00 per month extra pay, and after qualifying as a submarine man each man receives \$1.00 per dive, up to \$15.00 a month for fifteen dives. Thus a qualified man may get as high as \$20.00 per month extra money, the average being from \$15.00 to \$20.00. Also due to the fact that a crew consist of from 25 to 35 men, all of whom with the exception of one or two are supposed to be rated men, the chances for promotion are very good. With the construction of the R-40 S type of boats many of the discomforts and hardships, which characterized the older types will be eliminated, and there will be an opportunity for extensive cruising.

Full information concerning the above can be obtained at the Navy Recruiting Station, 5th and Main streets.

STOMACH ULCER GONE SUFFERED 16 YEARS

Says his stomach is perfect now, and his weight has increased.

"I had ulcers of the stomach so bad that I was sent to the hospital. Treatment there didn't help me at all, but in a few days I was down again. You said you wouldn't guarantee Mike's Emulsion to cure a bad case of ulcers of the stomach, but I tried it, anyway. If it does the work for others as it did for me, I don't want to be backward about any case of stomach ulcers. I have now taken twelve bottles and my stomach is in perfect condition. I feel better and weigh more than I have for 16 years, and I have had stomach trouble all of that time.—L. S. Walker, Greenleaf, Kan. Thousands of people who have suffered agony from chronic stomach trouble in its worst form have been promptly relieved and soon restored to perfect health by Mike's Emulsion. A trial will show, and a trial costs nothing.

Mike's Emulsion is a pleasant nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickly puts the digestive organs in shape to assimilate food. As a builder of flesh and strength, Mike's Emulsion is strongly recommended to those whom sickness has weakened, and is a powerful aid in resisting and repairing the effects of wasting diseases. Chronic stomach trouble and constipation are promptly relieved—usually in one day. This is the only cod liver oil emulsion made, and so palatable that it is eaten with a spoon like ice cream. Truly wonderful for weak, sickly children. No matter how severe your case, you are urged to try Mike's Emulsion under this guarantee: Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price 60c and \$1.20 per bottle. The Mike's Emulsion Co., Terre Haute, Ind. Sold by druggists everywhere. Advertisement.

KOKOMO FATHER GAVE IT TO HIS LITTLE DAUGHTER

Five-Year-Old Girl Had Bad Case of Catarrh in the Head, No Appetite—Weak and Pale.

BIG DIFFERENCE NOW

Mr. Baker Got Great Relief Himself From the New Root and Herb Remedy and That is Why He Gave it to Her.

"I got so much good from taking Drego that I put up in the five year old girl to taking it and there is a big difference in her now," said Mr. Willis Baker, the well known concrete contractor of 1318 East Marklin Street, Kokomo, Ind.

"I had never been able to get rid of constipation, gas in my back, indigestion, gas in my stomach and heartburn, till I tried this new medicine Drego and I believe the first dose did me good. Drego also worked my liver off, thereby relieving those awful dizzy spells and cleared off my tongue. I had catarrh which kept me hawking all the time and clearing my throat. Drego overcame this for me, and I started my little girl taking it, and there is a big improvement in her. The color has returned to her cheeks; she romps and plays, has a good appetite and the catarrh is all gone. I am a strong believer in Drego."

Drego acts on the liver in a smooth, gentle manner, gradually working off the excess bile day by day. It is not strong or harsh and does not excite the muscles as strong cathartics do. It tones up the digestive organs and relieves gas on the stomach; puts an end to constipation; increases the appetite; gives strength to weak kidneys; restores sound sleep and tired nerves. Drego is a great blood purifier and system cleanser.

All progressive druggists now sell Drego and it is highly recommended in Richmond by Clem Thistlethwaite's Six Drug Store.—Advertisement.

Why Society Women Wash Their Own Hair

They do, not because it is a fad, but because they wish to obtain the greatest possible hair beauty and be sure they are not using anything harmful. They have found that in washing the hair it is never wise to use a makeshift, but is always advisable to use a preparation made for shampooing only. Many of our friends say they get the best results from a simple home-made canthrox mixture. You can use this at a cost of about 3 cents a shampoo by getting some canthrox from your druggist and dissolving a teaspoonful in a cup of hot water. This makes enough shampoo liquid to apply to all the hair instead of just the top of the head, as with most preparations. Dandruff, excess oil and dirt are dissolved and entirely disappear in the rinsing water. Your hair will be so fluffy that it will look much heavier than it is. Its luster and softness will also delight you.—Advertisement.

Have a Good Appetite

By Taking Vinol
It increases the appetite, aids digestion, transforms food into red blood corpuscles, muscular tissue, brain and nerve force, thus replacing weakness, nervousness and lassitude with strength and vigor.

Proof That There is Nothing Like Vinol
Scranton, Pa.—"I used Vinol for general weakness, poor appetite and loss of strength and flesh. At times I was simply too weak to work. With ten days after taking Vinol I could see an improvement. It gave me a splendid appetite, I have gained in flesh and feel stronger in every way." —Mrs. L. A. MEANS.

For all run-down, nervous, anemic conditions, weak women, overworked men, feeble old people and delicate children, there is no remedy like Vinol. Your money will be returned if Vinol fails—

NEW YORK. If you are feeling run-down, weak, nervous, tired in the morning, and generally ailing, these are the symptoms that should warn you to take care of your health.

Four persons in every ten are needing more phosphorus in their bodies. When you see thin and fretful people, or those who are anemic, pale, fruitless, off dependent or lacking in energy, you may look for the need of certain elements that make for a strong constitution.

Some people, after relying upon preparations composed chiefly of
