The wedding of Miss Louise Malisby, daughter of Mrs. Clara E. Malisby, and Mr. Houston Reese Marlett, son of Mr. and Mrs. Charles Marlett, was solemnized at the home of the bride on South A street, Wednesday at 12:30 p. m., in the presence of 28 guests. An altar was arranged in the living room on either side of which were tall pedestals filled with pink roses and pink sweet peas. In front of the altar were huge bowls of pink hydrangeas. The single ring ceremony was performed by Dr. J. J. Rae, pastor of the First Presbyterian church. The bride wore a frock of brown georgette combined with taffeta, elaborately beaded. Her slippers were brown. The bridal corsage was made up of Aaron Ward roses and forget-me-nots. There were no attendants. Following the ceremony a four course luncheon was served. The bride's table was set in the dining room with candles, wedding cake and French baskets filled with pink roses and pink sweet peas. Small tables were set in the other rooms for the guests. French baskets filled with pink roses and pink sweet peas were artistically arranged throughout the rooms. Mr. and Mrs. Marlett left on a motor trip, and upon their return will be for the present at the home of Mrs. Marlett's mother. ### Strong Women

By Dr. Valentine Mott.

Women and men too are just as strong and healthy as their blood. Vigor and health come with good

blood. Without good red blood a woman has a weak heart and poor nerves.

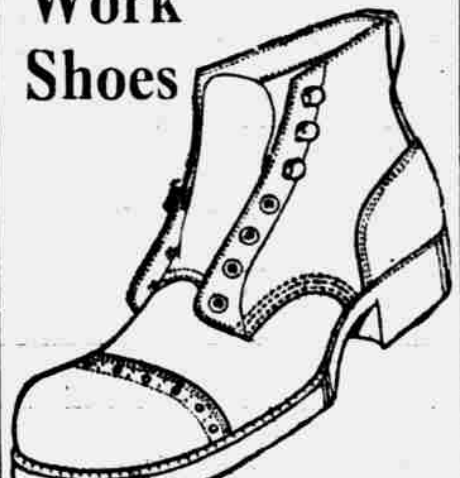

In the spring is the best time to take stock of one's condition. If the blood is thin and watery, face pale or pimply, if one is tired and listless, generally weak, a Spring Tonic should be taken. An old-fashioned herbal remedy that was used by nearly everybody 50 years ago is still safe and sane because it contains no alcohol or narcotic. It is made of roots and herbs and called Dr. Pierce's Golden Medical Discovery. If druggists do not keep it in tablet form, send 60 cents for a vial to Dr. Pierce's Invalids' Hotel in Buffalo, N. Y.

### How Is Your Weight?

While it is true that too much weight is not to be desired yet the fact remains that many men and women are thin to the point of danger. This danger lies in their having no reserve force or nerve power to combat deadly diseases. A little extra flesh is needed by all to feel well and to look well, and this calls up the question of how best to increase the weight. Physicians and chemists by experiments have solved the problem of increasing the white and red corpuscles of the blood by the administration of hypo-nuclane tablets, and this is usually followed by an increase of weight. ### GRANDMOTHER KNEW

There Was Nothing So Good for Congestion and Colds as Mustard

But the old-fashioned mustard-plaster burned and blistered while it acted. Get the relief and help that mustard plasters gave, without the plaster and without the blister.

Musterole does it. It is a clean, white ointment, made with oil of mustard. It is scientifically prepared, so that it works wonders, and yet does not blister the tenderest skin.

Gently massage Musterole in with the finger-tips. See how quickly it brings relief—how speedily the pain disappears.

Use Musterole for sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia).
