

## Short News of City

**WALTER MILES SAILS**  
Walter R. Miles, a graduate of Earlham College, and well known in Richmond and Indiana as winner of the state oratorical contest, and the national prohibition contest, is sailing this month for Europe, where he will represent the Carnegie Institute in Boston in the interests of psychological laboratory work in the laboratories of England, France, Belgium, Norway and Sweden. Mr. Miles expects to attend the All World Conference of Friends in London in August.

**SHOW "THE CRISIS"**  
"The Crisis," companion picture to the "Birth of a Nation," will be given at the Joseph Moore school Friday night under the auspices of the Parent-Teachers association of the school. A large number of tickets have been sold. Tickets also may be obtained at the door. The public is invited.

**SPEAKS ON CHURCH MUSIC**  
Church music will be discussed by Professor S. R. Garton, of Earlham, at Monday's meeting of the Richmond Ministerial association in the Y. M. C. A. The speaker is head of the music department of Earlham and an authority upon church music. Reports of special committees are to be heard.

**TO OBSERVE MOTHER'S DAY**  
Special plans for the observance of Mother's Day on May 9 are being made by Y. M. C. A. officials. Mother's Day has always been fittingly observed in Richmond, but this year is expected to surpass. A feature already planned is a banquet for the Y dorm men.

**HOLLAND TO MIDDLETOWN**  
Frank Holland, manager of the Murray theatre, went to Middletown, O., Thursday to sing some of his original songs in the Elks' minstrel there. He will sing "Miss Me," "What the Outlaw Bore," and others.

**BED IS EXTINGUISHED**  
A blazing bed at the home of Mrs. Nellie Thomas, 517 North Ninth street, was extinguished by the fire department about 6 p. m. Wednesday. Origin has not been ascertained. It is thought that the damage will not exceed \$25.00.

**MISS BROADDUS ILL**  
Miss Flora Broadbush, president of the Richmond Federation of Teachers, is confined to her home as a result of slight illness.

**MILES AT JONESBORO**  
Herman O. Miles, national financial director of the Forward Movement of Friends left Thursday for Jonesboro, Ind., to attend a series of Forward Movement conferences there.

**WATCH FOR RUN.**  
Richmond grocers look for a run on beans, macaroni, rice and other starchy foods, as the women of Richmond, in general with the rest of the country, have declared an unorganized boycott on 10 cents a pound potatoes. Grocers here say the sale of "spuds" has fallen considerably since Monday. Wholesalers look for another increase but report they are unable to obtain but a limited amount.

**STAR LIGHT DANCE**  
What promises to be a delightful "Star Light Dance" will be given under the auspices of several local young men, in Vaughn Hall, Saturday night. Kepler's orchestra will play.

**CAR IS SMASHED**  
A touring car, owned and driven by Ed Brown, suffered a demolished radiator and hood when the car smashed into a telephone pole north of the Masonic temple. A flat tire on the right front wheel is thought to have caused the driver to lose control.

## Funeral Arrangements

**Behnen—Funeral services for Miss Margaret Behnen will be held in St. Andrew's church at 9 a. m. Saturday. Burial will be in St. Andrew's cemetery. The Rev. F. A. Roell will officiate.**

**Koechling—Funeral services for Mrs. Elizabeth Koechling will be held in St. John's Lutheran church at 2 p. m. Thursday. Burial will be in Lutheran cemetery. The Rev. Nicklas officiated.**

## Irish Hunger Strikers Released Conditionally

**DUBLIN, April 15.**—Commenting on the release yesterday of 68 Sinn Feiners who had been on a hunger strike in Mountjoy prison, the Irish Times says: "Nationalist Ireland has worked itself into such a passion over the sufferings of the prisoners that a single death in Mountjoy prison might have provoked an almost uncontrollable outburst of crime and lawlessness. This at any rate has been averted, and combined with a breathing space it gives the new authorities in Dublin Castle, it may be accepted as a justification for the climb down, which in any other circumstances would have been wholly ignominious."

"It is too soon to rejoice, for the recovery of several of the victims is gravely doubtful," said the Freeman's Journal, "but the agony of a nation is relaxed, and self-control to check can now be directed into a resolute determination to break the system which could so outrage humanity and defy justice by a policy that might have betrayed the people into extremes of violence."

## Confesses Attacking Girl, at Altar in Revival

**STETSBURG, O., April 15.**—Harry Miller, 26 years old, of Akron was held in the Jefferson county jail here today after having publicly confessed to the murder of eleven-year-old Frances E. South during a revival last night at a little church at Beach Bottom, West Virginia, near here.

Miller went to the church altar and with his hands raised he prayed to God to have mercy on his soul for the death of the little girl. He said he found relief in telling all to God. Members of the congregation took Miller to Sheriff J. R. Litten of Brooks county, West Virginia, who believes the man to be slightly demented.

**PASTORS TO BE ASKED TO FEATURE CHURCH MOVEMENT**  
Indiana pastors, representing denominations co-operating with the Interchurch World movement, have been asked to observe Sunday, April 18, as community conference day, according to an announcement by Don D. Tullis, state secretary.

It is suggested that each minister choose the Interchurch World movement as his topic Sunday morning. In the afternoon or evening, where the plan seems advisable, union meetings are to be arranged, each pastor speaking on one particular phase of the movement.

## Annual Friends' Mission Meeting To Be Held May 20; Deficit Is Reported

Decision to hold the annual meeting of the foreign mission board of the Five Years Meeting on May 18, in the South Eighth street Friends church, and the financial report of the past year, consumed most of the time at the meeting Wednesday of the executive committee of the board, in the central offices of Friends here.

The \$155,000 budget of the past year was not obtained, the report stated, \$120,000 having been the total. Deficit was avoided, however, by carrying forward a considerable balance from the year before and by putting off until next year some mission station plans. Through the Forward Movement financial campaign it is hoped that a budget sufficiently large may be obtained for the coming year. The Forward Movement foreign mission allotment is \$250,000, one-fourth of the 1920-21 subscription fund.

Although the date of the foreign mission board annual meeting had been previously set for May 19, it was deemed advisable to set it forward one day on account of the triangular conference of the National Women's Missionary societies in Kansas City, from May 20 to 22, which several members of the board will attend.

## Y. W. C. A. Workers Talk On Industrial Program

**CLEVELAND, O., April 15.**—The industrial program was before the sixth annual convention of the Young Women's Christian association here today and provided heated discussion among the delegates. It has the approval of the Federal council of churches of Christ in America, which met here last May.

Among the principles advocated are the 8-hour day; abolition of child labor, and the right of collective bargaining.

The program includes full political and economic equality for women; equal pay when participating in men's work; abolition of night work for women; the right to organize and co-operative ownership.

## NEW UNIVERSITY HEAD.

**MINNEAPOLIS, Minn., April 15.**—Dr. L. D. Coffman, head of the department of education at the University of Minnesota, was elected president of the institution. He will succeed Dr. Marion L. Burton, who is president-elect of the University of Michigan.

## ENGLISH MINERS ACCEPT RISE.

**LONDON, April 15.**—Members of the Miners' Federation, by a majority of 65,135 votes, have decided to accept the government's offer of a 20 per cent on gross earnings. The decision of the men obviates the danger of a strike.

## THIS SALE REPRESENTS 100% QUALITY

There is only one real test of a tire. That is the QUALITY and length of service it gives. All other so-called tests are merely excuses for higher prices.

THE GUARANTEE—We agree to make good, FREE OF CHARGE, every tire listed above that gives out in the course of service as a result of any of the following defects: Fabric or tread separation, buckles, mold pinches, or rim cuts. This is a real guarantee—not an adjustment promise. Any tube proving defective within one year will be replaced FREE OF CHARGE.
