Bunting issued a check on a Hoopston, Ill., bank, in which he had no funds, and a merchant at Lewisburg, Preble county, who identified him in cashing the check had to make good the amount.

their support to the movement which has been endorsed by Mayor George Smith.

It is proposed that women join in the movement by donning gingham dresses. The Exchange club voted a fine of \$1 against any of its members who appear at the organization's luncheon next week not attired in denim. A parade of members dressed in overalls and gingham is planned for next week.

cording to reports received here today.

Dispatches said clubs had been formed in numerous places in Missouri, Kansas, Oklahoma, Texas and Arkansas.

The movement in Missouri began at Jefferson City, where state house officials and employees are signing pledges to wear denim until clothing prices fall.

The Kansas City, Kas., club had the support of the Chamber of Commerce. Virtually the entire town of Salina took the denim pledge.

Federal employees, both men and women, at Wichita, joined by 110 employees of the livestock exchange, reported an overall club, with the move-

WEAKNESS RELIEVED BY "BALMWORT"

Many men and women gain no strength. The least exertion tires them. Dull aches, pains like rheumatism, depression, or "blues" come easily. Ambition and energy are always at low ebb. What is the cause? The cause may vary—but if the Kidneys and Bladder are not doing their work perfectly—you can make a bet—that's where the trouble lies. This lady suffered 12 years. Mrs. E. Klipp, 644 W. Twelfth street, Oak Park, Ill., writes: "Your Balmwort Kidney Tablets certainly have done wonders for me. I have been ailing for 12 years with Kidney and Bladder weakness, but feel like a NEW WOMAN NOW." All druggists sell them.—Advertisement.

The inaugural "outfit" of the Rev. Joseph Brogan, mayor-elect of Emporia, and president-elect of the Emporia Overalls Club, will be overalls, he announced.

In announcing organization of an overalls club at Kansas University Chancellor Frank Strong, said he would lead the membership among the young men and that Mrs. Strong would set an example for the young women by adopting the cottage apron as the approved garb for both home and street wear.

The movement in Oklahoma is of state-wide proportions, Oklahoma City reported. Dallas and Amarillo, Tex., and Pine Bluff and Hot Springs, Ark., reported formation of clubs.

Friends' Magazine Features Opinions of Elder Persons On Forward Movement

Appearing in the Forward Movement News, which goes into 27,000 Quaker homes in the country, and in the American Friend, the official publication of the Five Years Meeting of America, this week are cuts of prominent Friends above the average age of 34, several of whom are present or former residents of Richmond and all of whom are actively backing the Friends Forward movement.

Dr. Walter C. Woodward, editor of the American Friend, has arranged the story. Benjamin H. Johnson says "It is time for Friends to show whether they mean business. It is time to quit talking and do something." Mr. Johnson is 87 years old.

Timothy Nicholson, 91 years old, one of the most prominent citizens of the city and state, is quoted in part: "Under the inspiration of a vision of great things for Friends in the near future the Five Years Meet-

Transfer Men Discuss Long-Hauling Problems

Various phases of the use of motor trucks and the possibility of their solving the transportation question, not only in cities but in interurban moving, was discussed at the banquet and smoker of the Eastern Indiana Transfer association in the I. O. O. F. hall Thursday night. A large group of local truck owners and dealers was present.

F. N. Daniels, of the Indianapolis branch of the Goodrich Tire company, and P. R. Baugh, representing the same company spoke. Ten new members were added. A banquet for the wives of members is planned.

For Colds, Catarrh or Influenza

Do you feel weak and unequal to the work ahead of you? Do you still cough a little, or does your nose bother you? Are you pale? Is your blood thin and watery? Better put your body into shape. Build strong!

An old, reliable blood-maker and herbal tonic made from wild roots and barks, is Dr. Pierce's Golden Medical Discovery. This "nature remedy" comes in tablet or liquid form. It will build up your body and protect you from disease germs which lurk everywhere. One of the active ingredients of this temperance alternative and tonic is wild cherry bark with stillingia, which is so good for the lungs and for coughs; also Oregon grape root, blood root, stone root, Queen's root—all skillfully combined in the Medical Discovery. These roots have a direct action on the stomach, improving digestion and assimilation. These herbal extracts in the "Discovery" aid in blood-making and are best for scrofula. By improving the blood they fortify the body against an attack of grip or cold.

Catarrh should be treated, first, as a blood disease, with this alternative. Then, in addition, the nose should be washed daily with Dr. Sage's Catarrh Remedy. Send 10c for trial pkg. of Medical Discovery Tablets or Catarrh Tablets to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y.
