GRAIN PRICES

CHICAGO, April 22.—Grain tone uneasy, with suggestions of selling on bulges. Wheat and Rye news firm. Provision talk a bulge sale. Break in corn futures has unsettled cash corn buyers, otherwise small receipts are indicated for April and May. Oats seedling looks further ahead in 70% of the belt than expected. Stock market shows rallying tendency but business sentiment is unsettled. Cotton was steady. Immediate grain problem is to provide buyers on the bulges. Overnight the situation contains the chance of another dip. The provision situation seems to be a weight on corn.

Cambridge Trying to Lift Self From Debt by Own Boot Straps, He Alleges

Complaint for injunction against the town of Cambridge City, in an attempt to prevent issue of bonds to pay the town's debts, on a charge that taxes are now above the legal 2 per cent on 1919 valuation of tax duplicate, \$1,163,503, was filed Wednesday afternoon by Timothy J. Connell, a citizen.

The plaintiff states that in 1918 Cambridge City was indebted to the extent of \$30,000, and that in October, 1919, the town endeavored to refund a certain amount of its indebtedness by issuing bonds, approval for issuance of which was given by the state board of tax commissioners.

The town advertised for bids for the bonds, and J. W. Wilde company, of Indianapolis, bid par and premium \$376, while the Wayne Trust company bid par plus \$100, it is alleged. The Wilde company afterwards refused to complete the contract, as did other bidders.

After this, warrant was issued by order of the town council to Harry Backman, a trustee, to be paid out of the June tax collections, which, the plaintiff alleges, is illegal.

FAITH

Good Old Fashioned Faith
—That's What The World Needs Most

WHAT is the cure for the world's present troubles—for unrest and envy and covetousness and fear?

Legislation? Industrial compromises? Political readjustments? We've tried them all, and they do not satisfy.

We're hungry and thirsty for Faith.

"The world needs a genuine religious revival," cabled the London financial editor of the New York Evening Post recently. And he added: "This is the view of hard-headed business men."

What business men are now proclaiming the churches have always proclaimed. You must touch the spirits of men if you are to change their lives: only to the extent of their faith in each other can they work together. All remedies are makeshifts except the Golden Rule.

Thirty denominations, knowing the need to be too great for any one denomination to meet alone, are cooperating in a nationwide campaign.

It is a campaign for deepening the spiritual forces of men; for enlisting their hearts, and their pocket-books too. And every man and woman who loves America will be glad of a chance to help.

For the hope of America is Democracy and the Founder of Democracy was the Founder of the Church. It was He who first called men sons of God, and so made all men brothers.

Not as employers and employees, not as members of parties or sects, but as sons of God and brothers all let us work out our problems together.

To strengthen the Church is our first great task; out of the Church flows Faith.
