## AFTER SIX YEARS' OF SUFFERING HIS LUMBAGO IS GONE

Well Known Kokomo Contractor Had a Lame Back, Full of Rheumatic pains, Muscles Sore and Joints Stiff.

### EVERYTHING FAILED

Now He Wants Everyone to Know That All These Aches and Pains Are Gone and the New Medicine Drecto Gets Full Credit.

"For years I've had a sore, stiff back and have suffered greatly from lumbago and rheumatism. Even though I took lots of treatments, I got no relief till I took Drecto, and there's a different story to tell," said Mr. E. A. Richards, the well known contractor of 733 S. Purdue St., Kokomo, Ind.

"My trouble started in my kidneys, I'm sure, and probably neglect on my part in not taking something for them has caused me lots of pain and suffering since. My joints were full of rheumatic pains. My back was lame from lumbago and my muscles ached. Time and again I'd take some little treatment, but it did me no good.

"Three bottles of Drecto have knocked out every pain in my body. I feel like I used to, full of energy, ready for a hard day's work when I get out every morning. It is a great feeling to be healthy and well again, and Drecto gets the credit from me."

Drecto is made from the juices and extracts of many herbal plants which act on the stomach, liver, kidneys, bowels and the blood. It relieves constipation, eases rheumatic pains, aids digestion, overcomes gas in the stomach and quiets the nerves.

All good druggists now sell Drecto and it is highly recommended in Richmond by Clem Thistlethwaite's Six Drug Stores.—advertisement.

## Little Friends of the Liver

The liver is the regulator of health. If the liver is active and well, good health and happiness prevail; but once you allow your liver to get torpid and sluggish, life becomes a misery. Dyspepsia, indigestion, biliousness, constipation, headaches and melancholy follow, resulting in lack of energy, loss of memory and ill health; but remember Carter's Little Liver Pills touch the liver and correct all liver ills.

Small Pill—Small Dose—Small Price

DR. CARTER'S LIVER PILLS, Nature's great nerve and blood tonic for Anemia, Rheumatism, Nervousness, Sleeplessness and Female Weakness.

Genuine must bear signature

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the real cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

Have you a bad taste, coated tongue, poor appetite, a lazy, discontented feeling, no ambition or energy, trouble with undigested foods? Take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief. Eat what you like. 10c and 25c

## Indiana Brevities

SHELBYVILLE—Forty per cent wage increases for high school teachers and 50 per cent for grade teachers have been granted here by the school board. The increase is effective during the next school year.

LA FAYETTE—An exploding automobile tire seriously injured Paul Miller, who served 18 months in the Rainbow division without receiving a scratch.

COLUMBUS—Thousands of acres of wheat are being harvested along lowlands and the Wabash river is still rising. Residents in this district have been forced from their homes, and all traffic to the city from the south and west has been stopped.

LOGANSPORT—Members of the Logansport Yarmen's Association have left their work. They declare that they are not on strike but are taking a "vacation." Superintendent Geddes issued a statement announcing that all men who did not immediately appear for work would be considered out of the employ of the company.

WABASH—Danger of serious flood here is passed, as the Wabash river is now slowly receding. Families driven out by the danger are now going back to their homes.

BILL NYE'S MOTHER DIES

MOOREHEAD, Minn., April 22.—Mrs. Eliza Loring Nye, 93 years old, mother of Edgar (Bill) Nye, the humorist, and of Frank M. Nye of Minneapolis, formerly representative in congress, died here Tuesday.

## TO RELIEVE CATARRHAL DEAFNESS AND HEAD NOISES

If you have Catarrhal Deafness or are hard of hearing or have head noises go to your druggist and get 1 ounce of Parmit (double strength), and add to it 1-4 pint of hot water and a little granulated sugar. Take one tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who has Catarrhal Deafness or head noises should give this prescription a trial.—Advertisement.

## What Indicates the Strength of a Bank ??

The strength of a bank does not lie exclusively in its Capital, Surplus nor Resources as shown by its balance sheet, although this institution ranks high in this respect.

No bank is stronger than the men behind it—the man who formulate its policies and conduct the business.

One of the strongest assets of this institution is its Board of Directors, all men of standing, who have made a success in their respective lines of endeavor.

These Directors are constantly in touch with the affairs of the bank, giving it the benefit of their wide experience in providing the utmost protection for you as a depositor and themselves as stockholders.
