Train Your Hair as an Actress Does"

No class of people devotes as much time to beauty as do actresses, and no class must be more careful to retain and develop their charms. Inquiry develops the information that in hair care they find it dangerous to shampoo with any makeshift hair cleanser. The majority say that to have the best hair wash and scalp stimulator at a cost of about three cents, one need only get a package of cantbox from your druggist; dissolve a teaspoonful in a cup of hot water and your shampoo is ready. This makes enough shampoo liquid to apply to all the hair instead of just the top of the head. After its use the hair dries rapidly, with uniform color. Dandruff, excess oil and dirt are quickly dissolved and entirely disappear when you rinse the hair. After this your hair will be so fluffy it will look much heavier than it is. Its luster and softness will delight you while the stimulated scalp gains the health which insures hair growth.—Advertisement.

Says His Prescription Has Powerful Influence Over Rheumatism

Mr. James H. Allen suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work.

He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom of rheumatism from his system.

He freely gave his discovery to others who took it, with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers. Your druggist has been appointed agent for Allen's in this vicinity with the understanding that he will freely return the purchase money on the first two bottles to all who state they received no benefit.—Advertisement.

dancing and music were enjoyed. A dainty luncheon was served. The members and guests included Miss Doris Packett, Miss Miriam Jordan, Miss Dorothy Korves, Miss Fay Schmidt, Miss Vesta Brumfield of Cambridge City, Miss Dorothy Rees, Miss Katherine Binkley, James Rees, Earl Tower, John Kelly, Cedric Johnson, Harry Thomas, Eugene Messick, and Wynne Evans.

A market will be held by the Delta Theta Tau sorority Saturday.

For the pleasure of the Rev. and Mrs. R. L. Semans and daughter, who will leave soon for a residence in Chicago, a basket supper will be given Thursday at 6:30 p. m., at the First Methodist church. All members are invited. All are asked to bring silver and dishes necessary for their families.

There will be a special meeting of the Aid Society and the Young Woman's Missionary Society of the Reid Memorial church Thursday evening, following the congregational meeting. Important business will come before the societies and all members are urged to be present.

Woman 80 Years Old

Says she owes her wonderful health to Vinol, our Cod Liver and Iron Tonic.

Wooster, O.—"The gripe left me in a weakened, run-down condition. Doctors had given me their best tonics without effect. As I have depended on Vinol to build me up every spring for the past nine years with such good results, I tried it. My appetite improved, my strength came back so I am not only taking care of my household duties, but direct the management of two large farms. I tell all my friends to use Vinol when they need strength."—Mrs. MARTHA SICKLES.

Women who are run-down, nervous, lack energy and working strength should take Vinol as it contains Beef and Cod Liver, Peptones, Iron and Hypophosphites, the very elements needed to restore a lost appetite, enrich the blood and create strength.

Columbia Quartette, Madame Sapin, and Marion Orchestra Charming; Indiana Work Represented

By EMMA L. FETTA

Better in solo appearances, but gracious and delightful in ensemble, the Columbia Stellar Male Quartette sang to a large audience in the Coliseum Wednesday night, in joint concert with Madame Cara Sapin, of Louisville, Ky., possessor of a wide range and rich voice. The Marion Civic orchestra gave a brilliant prelude.

It was the gala night of the State Music Teachers' convention and the audience was the largest of any. All convention delegates were special guests.

Too much praise can not be given the Marion Civic Orchestra, an aggregation fostered by the citizenship of Marion. Under the baton of P. Marius Paulsen, conductor, the members not only play technically well but with keenness and musical appreciation.

Although the "Viking Song" by Cole-ridge-Taylor, was strikingly given by the quartette, better symphonic perfection was reached in the three last numbers of the program, "Carry Me Back to Old Virginia" by Bland, "Ab-

BAD COUGH; NIGHT SWEATS; LOST WEIGHT

Mr. Coleman thought his time had come. But he's well now.

"I was taken with a dry, hard cough about 6 months ago. Finally I got so sore across the chest I could hardly breathe; had night sweats so bad everything would be wringing wet, and I coughed continually until I thought it would kill me. Had no appetite, spent over \$100 on doctors and medicines, and was worse off than when I started.

"The first bottle of Milks Emulsion did me more good than all the \$100 spent for other treatment. It soon gave me a good appetite, my cough left me, and I have regained the flesh and strength I had before I was sick."

Arthur Coleman, Box 391, Helena, Ark. "You need an appetite, a good stomach, and some real strength if you want to fight off disease. Give Milks Emulsion a trial at its maker's risk."

Milks Emulsion is a pleasant nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickly puts the digestive organs in shape to assimilate food. As a builder of flesh and strength, Milks Emulsion is strongly recommended to those whose sickness has weakened, and is a powerful aid in restoring and repairing the effects of wasting diseases. Chronic stomach trouble and constipation are promptly relieved—usually in one day.

"This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. Truly wonderful for weak, sickly children."

No matter how severe your case, you are urged to try Milks Emulsion under this guarantee—Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price 60c and \$1.20 per bottle. The Milks Emulsion Co., Terre Haute, Ind. Sold by druggists everywhere.

Mother of Mine" by Burleigh, seemed quite the song to emphasize his characteristics, although his second number, Lohr's "Ringers" was equally well done.

Norman Arnold, first tenor, gave "Ah! Moon of My Delight" by Liza Lehman.

Madame Sapin Popular.

Madame Cara Sapin is a member of the Louisville College of Music. Her voice is remarkable because of its range. She has a charming personality.

Wednesday afternoon in the Grace Methodist church the unusual happened.

Five Hoosier composers presented original compositions for the State Music Teachers' convention. They were welcomed with ovations not unworthy. Indiana has been foremost with authors, statesmen, dancers, inventors, violinists and tenors, but to

many of the Hoosiers gathered here it was a surprise to learn how near the top the state must stand in the American composers' realm.

The composers represented Wednesday afternoon were P. Marius Paulsen, of Marion, who presented his compositions by means of his own violin and his orchestra; Van Denman Thompson, of Depauw University, who played his organ number, "To My Country"; "Melody in A Major," and whose song cycle, "Music of the Star Shine," "We the Sons of Reason," and "Lonely, Starry Faces," were sung by John Hoffman, tenor, of Cincinnati; A. Verne Westlake represented in three piano numbers, "Prelude in C Minor," "Melody in A Major," and "Conquest," were played by Miss Frances Ekis, pianist; and Gloria Cotton-Marshall, of Upland, whose songs "The East Indian," "Little Starlight" and "The Call of Spring" were sung by a local women's chorus under direction of Mrs. Lewis King.
