American Legion Band Is Assured for City

An American Legion band to represent Harry Ray Post No. 65 is assured. The first practice will be held Thursday night in the Commercial club rooms. Using the men who reported Thursday night as a nucleus, Director Roland Nussbaum hopes to build up a band of 36 pieces.

In spite of the fact that some of the men were unable to be present at the first practice and others were not provided with instruments the first meeting indicated splendid enthusiasm.

Ward captains will have charge of canvassing the city by wards and precincts for new members. Committees will be appointed by the captains who will secure the names of all the ex-service men in their precinct. All men among the ex-service who are musicians will be asked to join the band regardless of whether or not they are members of the legion.

The next meeting of the band will be held at eight p. m. next Wednesday night.

RICHMOND'S NEW READY-TO-WEAR STORE

A Really Absorbing Display of

Spring Suits Gowns & Frocks

for Ladies and Misses

There are so many points of attraction in this Spring showing, that we hardly know which to emphasize with most prominence.

The models are very distinctive in the elaborate conceptions as well as the more severe tailored designs. The cloths are of the very newest and most fashionable weaves and the colors are of very rich tones with artistic trimming treatments.

And then there is another very vital attraction—a price moderation very unusual when associated with such elegant styles and qualities.

For a Delicious Breakfast

Frizzled Beef On Toast

In the morning try a new breakfast dish.

Open a jar of HOOD'S Dried Beef.

Unroll the big, paper-thin slices (it is not chipped but sliced)—get the spicy fragrance of the meat; note the natural appetizing color, indicating young and tender beef, and the perfect cure.

Melt a small lump of butter in a frying pan; "frizzle" the beef a few moments over a hot fire, have squares of hot buttered toast ready; cover each piece with crisp strips of meat and serve on hot plates. The

best breakfast you ever tasted.

Hood's Label beef is packed by one of the largest concerns in the country, especially for us. It is perfectly cured, sliced to transparent thinness, packed in sanitary glass jars and hermetically sealed.

As a luncheon and breakfast dish it is delicious and appetizing.

Ask your grocer for Hood Label Dried Beef — you'll say it's the best you ever tasted.

Enough in each jar for an ordinary meal.
