## What Bonus Do You Consider Just? Stars and Stripes Asks Service Men

The Stars and Stripes has asked The Palladium to take a referendum vote on the bonus question for all ex-service men.

The Palladium presents here the opportunity for every ex-service man in Wayne county to register where and how he stands on the proposed government bonus legislation and what form of bonus, if any, he favors.

Every man and woman who served in the World war is asked to fill out one of the blanks and return to the office of The Palladium. The referendum votes will then be forwarded to the congressman from this district and a compilation of the results will be sent to the Stars and Stripes, Washington, D. C., to be included in a nation-wide tabulation being prepared by that newspaper.

Will you assist the Palladium in securing a complete vote on this question by telling other ex-service men and women about this vote and urging them to give us their votes and opinions on the matter?

Are you for or against a bonus? (Yes or No).....

## Alkali in Soap Bad For the Hair

Soap should be used very carefully. If you want to keep your hair looking its best. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is Multisided coconut oil shampoo (which is pure and greaseless), and is better than anything else you can use.

One or two teaspoonfuls will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excess oil. The hair dries quickly and evenly, and leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get Multisided coconut oil shampoo at any pharmacy; it's very cheap and a few ounces will supply every member of the family for months.—Advertisement.

## "HAPPIEST WOMAN" TELLS HOW VOLA-TONIC BROUGHT NEW VIM, BETTER HEALTH

"I'm the happiest woman anywhere since I have been taking Volu-Tonic," said Mrs. Mabel Mason, 524 West Seventh street, Cincinnati, Ohio.

"I was down in bed suffering intense misery and had been that way for ten weeks when I started taking Volu-Tonic.

"I had influenza and didn't know a well day afterward. I had pains in my head and down my neck and intense cramps in my limbs and over my body. I was so weak I couldn't walk. If I tried to walk across the room I'd fall over against the wall and couldn't get along at all.

"Finally, I got so bad I had to go to bed and had been there ten weeks when I heard about Volu-Tonic and started taking it.

"Before I had been taking Volu-Tonic two weeks I was up out of bed and feeling fine and doing all my

work again. Since then I have taken at least ten bottles of Volu-Tonic and have kept improving all the time.

"All the pain and misery I used to have in my head and back and limbs is gone. I sleep like a baby every night and feel strong and refreshed when I get up mornings.

"I eat big meals, too, without a bit of trouble afterward and have gained so much weight that my friends and relatives hardly know me. My strength has come back also and I can do all my housework, even my washing and ironing.

"I can't begin to tell fully what Volu-Tonic has done for me and I want to recommend this medicine to everybody who is sick like I was."

Volu-Tonic, "Builder of Strength," is sold in Richmond by the five Quigley drug stores and is sold by one druggist in cities and towns everywhere near here.—Advertisement.
