What Bonus Do You Consider Just? Stars and Stripes Asks Service Men

The Stars and Stripes has asked The Palladium to take a referen-dum vote on the bonus question for all ex-service men.

The Palladium presents here the opportunity for every ex-service man in Wayne county to register where and how he stands on the pro-posed government bonus legislation and what form of bonus, if any, he favors.

Every man and woman who served in the World war is asked to fill out one of the blanks and return to the office of the Palladium. The referendum votes will then be forwarded to the congressman from this district and a compilation of the results will be sent to the Stars and Stripes, Washington, D. C., to be included in a nation-wide tabulation being prepared by that newspaper.

Will you assist the Palladium in securing a complete vote on this question by telling other ex-service men and women about this vote and urging them to give us their votes and opinions on the matter?

Are you for or against a bonus? (Yes or No).....

If for, which do you prefer?
