

CARDS' ATTACK IS JUST A LITTLE TOO WEAK; SCORE 3 TO 2

CINCINNATI, O., April 28.—By bunching their few hits and with an inopportune error by Janvrin, the Cincy Reds took a 3 to 2 pitcher's battle from the struggling Cards, Tuesday afternoon.

Both Reuther and Haines were in great form, with Reuther having a slight edge. Two hits and a base on balls gave the Cards two runs in the second. After that they were helpless before the shoots of the Red star southpaw. Fisher is scheduled to pitch today. The score:

U. S. WINS IN HOCKEY (By Associated Press)
ANTWERP, April 28.—The American hockey team defeated the Swedes in the Olympic contests by a score of 7 to 3.

BRINGING UP FATHER BY McMANUS

James S. Duncan.

The high regard in which American athletes are held in Europe is shown again in the announcement that France has made Jim Duncan an offer to train the French team for the Olympic games at Antwerp next summer. Italy several months ago engaged Platt Adams and American field and track stars will be seen in coaching and training roles in squads sent from other European countries to the sport classic.

Jim, christened James S., is thirty-one years old. He is noted mainly as a discus thrower. In 1912 he tossed the ancient missile 149 feet 6 1/2 inches from a seven-foot circle, a world's record at that time. Jim's a Coney Island boy, or was until he enlisted in the First Reserve Engineer regiment at Fort Totten, N. Y., in June, 1917. He was called a perfect recruit. He tipped the beam at 180 pounds and stood five feet ten inches tall. He went overseas with the First and after the war decided to stay in Paris, opening a gymnasium there after getting his discharge from the army. He was a lieutenant when mustered out.

Brazil Athletics' Rookie, King-Crab of Majors

There is a youngster named Brazil on the Athletics who wins the cake for being a king crab. He is an infielder. He never ceases complaining. If he hits a single he grumbles because it wasn't a double. He hollers murder because the doubles are not triples and because the triples are not four baggers. He thinks that the whole world is combining to give him the worst of it. Just the same he gives promise of being a fair sort of ball player before long, and Connie Mack declares that his future is more than bright.

With Otto Miller acting as coach and first lieutenant to Uncle Robbie, Ernest Krueger has become the first string catcher of the Brooklyn, and has shown up to a good advantage behind the plate. The former Giant is always a dangerous batsman and handled the slabsters in an efficient manner. His throwing to the bases was erratic last season, but this year his aim is more accurate. In the opening game Casey Stengel tried to pinch second, but Ernie threw him out, and in the second J. Miller was credited with a steal while Krueger was behind the plate. The backstop, however, was in no way responsible for the steal of Jack, who went down to second while Mameaux held the ball.

Some club owners in the big minor leagues who are counting on purchasing valuable pitchers from the majors when managers in the "big show" start slicing their rosters, may be due for disappointment.

One writer who has visited nine major league training camps says eight of the teams are shy of good pitching material and are in the market for valuable men.

This is a rather gloomy outlook for a few club owners in the American association, who are shy pitching material and are counting on some capable men dropping back when the major league schedules open.

BOSTON NATIONALS MAY PLAY IN CITY

The Boston Nationals are negotiating with the Richmond Exhibition company for an exhibition game to be played here May 19, in which they guarantee that Hank Gowdy, Maravilla, Walter Holke and other players of the regular line-up will appear.

The club will be on its way from New York to St. Louis and has an open date. Walter E. Haggood, business manager of the Boston team, has written here to make arrangements for the game. The action of the Richmond management will depend to a certain degree on the terms offered by Haggood.

HIGH SCHOOL ASPIRANTS WORK OUT WITH EARLHAM

Several high school youths worked out with the Earlham track team Tuesday afternoon. The workout was short lived, however, as Mowe took the squad on a cross country jaunt. The high school lads fell in and managed to keep up with the older thrills. No announcement has been made as to what high school intends to do in baseball, track and tennis. It is probable, however, that Richmond will enter a team at the tri-state meet at Cincinnati and the annual state high school meet.

BIGGEST A. A. CROWD
TOLEDO, O., April 28.—Thomas J. Hickey, president of the American Association announced here today that the 14,945 paid attendance at the opening game of the local baseball season, was a new record in the league in its 19 years existence.

EXHIBITION CO. NOT INVOLVED IN COUNTY B. B. LEAGUE PLANS

Directors of the Richmond Exhibition company said Wednesday that they are not directly interested in proposed plans by other men to have Sunday baseball in Richmond this summer.

Practically all of the \$10,000 recently raised for league ball, has been returned to the subscribers. The subscribers were asked, however, for a contribution towards the maintenance of the park until next spring. No subscriber was allowed to give more than \$25, although several insisted on doing so. Wednesday's figures show that \$1,265 have been contributed towards this fund and outstanding subscribers are expected to swell the fund to about \$1,400.

Current Expenses \$1,200.
The current expenses for the park for a year will be about \$1,200. This includes rent, taxes, interest, cost of buttons and maintenance. Other money taken in during the year will be put in a fund for baseball next year.

The Exhibition company notified Richmond factory owners and others that if they wished to have teams use Exhibition Park, they were welcome to do so, without any charge. If an admission was charged for these teams, however, the company would have to be paid.

Several Richmond baseball promoters are formulating plans for the summer. The latest is an enlarged Suburban League. This would include teams in Wayne and Preble and possibly Henry counties. Richmond would have four teams in the league and arrangements would be made whereby one would play at Exhibition Park every Sunday.

League Already Formed.
Such a league has already been formed by two Richmond teams, All Stars and Senators, as traveling teams. Adoption of the latter plan would mean that two more Richmond teams would be entered in the league and games played at home.

One Richmond promoter is in favor of having a strong semi-pro team represent Richmond this year. He feels that part of the money originally raised for league ball should have been kept for the formation of a semi-pro team.

Exhibition Co. Not Involved.
The Exhibition company is not fostering any of these plans, and if any are successful, the first to make application for the park on Sunday afternoon, will be granted its use.

The only plans formulated by the company, are for obtaining big league teams to play exhibition games here during the season. Officials of the company are closely studying the schedules of both major leagues and three games are possible. These are so late in the season, however, that nothing definite has been accomplished.

No doubt exists but Richmond would turn out in force for any big league game held here. The other plans, however, have adherents and opponents.

WEATHERMAN BOSSING EARLHAM'S ATHLETICS

Although Ray B. Mowe is supposed to be athletic director at Earlham, the real boss is the weatherman. Despite Coach Mowe's orders that the baseball squad should use Reid Field Tuesday the weatherman got peeved and sent one of his pet Rocky Mountain storms.

Consequently the baseball squad spent the time watching the track squad vainly try to practice upon the soggy mass of mud supposed to be the Reid Field track. Mowe and Higgins gave up and gathered about 25 men for a cross country jaunt in the regions back of Earlham. Some mud.

EARLHAM INTERCLASS MEET IS CALLED OFF
The annual Earlham interclass track meet had been postponed until late in the school year, said Coach Mowe Wednesday. The primary reason for the meet this year was to give the mentor an accurate line upon abilities of candidates. The Cincinnati track meet accomplished this. The 15 men that took part will compose the squad for the rest of the season. Tomlinson will be added to the squad. He squares himself in his studies. "He is one of the best dash men at school and would make a great mate for Fauquier," says Mowe.
