What Bonus Do You Consider Just?

Stars and Stripes Asks Service Men

The Stars and Stripes has asked The Palladium to take a referendum vote on the bonus question for all ex-service men.

The Palladium presents here the opportunity for every ex-service man in Wayne county to register where and how he stands on the proposed government bonus legislation and what form of bonus, if any, he favors.

Every man and woman who served in the World war is asked to fill out one of the blanks and return to the office of the Palladium. The referendum votes will then be forwarded to the congressman from this district and a compilation of the results will be sent to the Stars and Stripes, Washington, D. C., to be included in a nation-wide tabulation being prepared by that newspaper.

Will you assist the Palladium in securing a complete vote on this question by telling other ex-service men and women about this vote and urging them to give us their votes and opinions on the matter?

Are you for or against a bonus? (Yes or No).....

If for, which do you prefer?

A Cash Bonus? Loan for home or farm?.....

Liberty Bonds? Free tuition or training?.....

Should the bonus be based on: Length of service?.....

Or

The Same for All?.....

What other choice would you include?.....

Open Knife Electric Switch Banished, Beginning Oct. 1

M. H. Friedley, state fire marshal, on the request of Indiana fire chiefs and electricians, has issued an order which bans the "open knife" type of electric switch in Indiana after October 1.

This kind of switch is said to be very dangerous and national campaign for the elimination of this type is now under way. Reports indicate that hundreds of fatal accidents in the United States have resulted from the use of "open knife" switches.

There are many of them in use in Wayne county and Richmond. The order of Mr. Friedley provides that after Oct. 1 all new electrical installations and alterations must meet state regulations.

The order closes with: "Safety enclosed switches must be so marked as to indicate, without opening the enclosure, whether switches are closed or open. We ask the earnest cooperation of all municipal officers, electricians, builders, contractors and property owners in the enforcement of the rules of safety."

Marion Man Does Not Hesitate to Give Open Praise

Suffered From Rheumatism,
Catarrh and Weak Kidneys.
Is 76 Years Old, But is Feeling
Good These Days.

Took Dreco, the New Root
and Herb Remedy, and De-
clares it Has Done Him
Much Good.

"I am glad of the chance to tell the people of Marion what great good this new remedy Dreco, has done me," are the words of that good old gentleman, Mr. W. A. Minor, who resides at the National Soldier's Home, Mr. Minor was born in Ripley Co., and served during the Civil War.

"I've suffered very much lately from rheumatism of the joints and muscles. They gave me a lot of pain and it seemed there was no relief from it. Catarrh also bothered me very much, especially at night. It would wake me up as my breathing was very difficult. I had a vile taste in my mouth all the time and my head was stopped up."

"Since taking Dreco, all the pains have left my joints and muscles; the first time I've been free from pain in a long time; my catarrh is much better, and I never am waked during the night as before. Dreco has done me worlds of good and I gladly recommend it to all good citizens."

Dreco, the herbal remedy that did so much for this gentleman, is a vegetable remedy, containing no iron, mercury, potash, nor any acids or oils. It acts on the stomach to assist it in digesting the food. Rouses a sluggish liver to full action, strengthens the kidneys; quiets the nerves; induces sound sleep; expels catarrh of the nose and stomach and rebuilds a run-down system.

All good druggists now sell Dreco and it is being especially introduced in Richmond by Clem Thistlethwaite's Seven Drug Stores.—Advertisement.

Think what Labor owes to Him!

UNTIL His thirtieth year the Master was the Carpenter of Nazareth.

Could He possibly forget those carpenter years when the years of His ministry began? Could the men who labor with their hands ever be far from His thought and prayers?

To such men, oppressed and driven, men bent by toil, with hopeless hearts, He spoke a phrase that flamed with power.

"You are sons of God," He told them.

Sons of God—brothers of their rulers and employers; with an equal right to happiness, to comfort and opportunity. All the hopes of Labor in all the centuries had their beginning in that splendid thought.

The Churches cooperating under the name of the Interchurch World Movement offer the program of the Master; and His Golden Rule.

"Whatsoever ye would that men should do to you, do ye even so to them."

By that rule the industry of the future must be directed. Its products must be not merely goods, but good; not merely wealth but happiness and character and joy.

If you believe these things, you believe in one of the fundamental purposes of the Churches and of their agent, the Interchurch World Movement.

And you have this month your chance to help. Whether you labor with hand or brain, whether you are inside the Church or out, you are a sharer in the benefits of the influence of Jesus Christ.

Help to make that influence the ruling spirit of the modern world. Help to make industry a spiritual enterprise, where men shall work together not in envy but in mutual respect—as brothers all, and "sons of God."

AFTER CLOUDS COMES SUNSHINE.
AFTER DESPERENCY COMES JOY.
AFTER SICKNESS COMES HEALTH.
AFTER WEAKNESS COMES STRENGTH.

In the spring when you're "all in"—fagged out—blood thin, if you will turn to Nature's remedy, a tonic made from wild roots and barks, which has stood fifty years as the best spring tonic—you will find strength regained. No need to tell you it's Dr. Pierce's Golden Medical Discovery, put up in tablet or liquid form, and sold by every druggist in the land. After a hard winter—shut up indoors, your blood needs a temperance tonic, a tissue-builder and blood-maker such as this "Medical Discovery" of Dr. Pierce's.

Twining, Mich.—"We have used Dr. Pierce's Golden Medical Discovery as a general tonic medicine. When any of us didn't feel right we would use a bottle or two, and would be all right. "At the time my daughter was developing I gave her Dr. Pierce's Favorite Prescription, and prior to that Dr. Pierce's Golden Medical Discovery as she was a delicate girl, and it always benefited her."—MRS.
