Mr. and Mrs. Bert Kolp will be host and hostess for their regular assembly dance Friday evening in the Odd Fellows' hall. Kolp's orchestra will furnish the music.

The Syncopating Five will play for the dance to be given Tuesday evening, May 4, at the Odd Fellows' hall, by Frank Bescher, Clarence Coyle, Roland Wrede, Peter Lichtenfels and Edgar Loehr. This orchestra has been playing a winter engagement at the Gold Dragon Cabaret in St. Petersburg, Fla., and is enroute to New York to play a summer engagement. A large number of invitations have been issued and it is expected this will be one of the most successful affairs of the season.

An enjoyable affair will be the "Anti-Prohibition Hop" to be given Thursday evening, May 6, in the Odd Fellows' hall by the Old-Hi club. Old overalls and gingham dresses are to be worn. Plenty of novelties are being arranged for the dance. The Evan Smith orchestra has been secured to furnish the music.

Jack Cunningham will give his regular assembly dance Tuesday evening in Vaughn hall.

The Tatoohkiya Camp Fire girls will give an entertainment Friday at 7:30 p.m. in the high school auditorium. The public is invited to attend. A number of dances will be given under the direction of Miss Elizabeth Kolp. Following is the program:

- 1—"The Life of the Corn," an Indian Drama in five dances.
- 2—Group of Camp Fire Songs.
- (a) "Mammy Moon."
- (b) "Burn Fire Burn."
- (c) "Bugga Man."
- 3—Burlesque Indian Drill with selected orchestra.
- 4—Indian Songs (Cadmian). Mrs. Fred Bartel.
- 5—Solo Indian Dance—Miss Lucile Spears.

## AMERICAN LEGION

The whistle will blow on May 17. An that day 9,000 batteries will open up simultaneously on the extended front between the Atlantic and Pacific Oceans. On that day the 9,000 posts of The American Legion will go into action on a common zero hour.

They are going to capture as many as possible of the three and a half million odd service men who are not members of The American Legion.

The drive will start May 17 and end May 22. National Headquarters has designated this period as Membership Week. Every one of the 9,000 posts is expected to line up for the jump-off, to keep going in spite of difficulties of the terrain and not to stop until the day designated for consolidating the gain.

Forty-nine Departments will go over the top together. In each department the state organization will be responsible for the drive within its jurisdiction. Generalship and staff work will have full play, but it will be the driving power of the regiments and companies on the city and county lines, which will directly produce the new members.

The campaign will show the comparative power of accomplishment of The American Legion in each of the 40 departments. Each State will be judged by the showing it makes. The pride of post and State should be the same sort of fighting pride which made every American division—every regiment—defend and uphold its reputation always. Each post, each State will be relied upon to hold its own in the totals of the new members obtained between May 17 and May 22.

## DEVELOP BORER TO BORE EUROPEAN CORN BORER

(By Associated Press)  
SASKATOON, April 30.—An internal parasite to destroy the grasshopper by "boring from within" is being developed at the University of Saskatchewan. Dr. A. E. Cameron, Dominion entomologist, announced Friday.

While ordinary methods used to combat the grasshopper menace to growing crops this year, Dr. Cameron said he hoped the spread of the parasite would be sufficient next year to prevent any further grasshopper plague.
