

FRIENDS CONVE- NE FOR MEETINGS HERE AT END OF WEEK

Missionary applications for 1920-'21, and new mission work will be considered by the candidates committee of the American Friends' Board of Foreign Missions in the South Eighth Street Friends' Church, Saturday.

This session will be held in advance of the annual board meetings of the foreign and home mission departments of the Five Years Meeting and the annual meeting of its executive committee, which will occur during the coming week. Recommendations of the candidate committee will be referred to the board.

Members of the candidates committee are Charles E. Carey of Fairmont, Ind., Minnie Anderson, of Plainfield, Ind., Harriet F. G. Peale, of Selina, O., and Ross Hadley, of Richmond, general secretary of the Foreign Mission board.

To Consider Mission Work.
On Sunday, Friends from all parts of the country will gather at the South Eighth Street Friends' Church to consider the needs of mission work throughout the world. The foreign mission board will convene in annual session at the South Eighth Street Friends' Church on Tuesday morning, May 18. Sessions will close some time Wednesday.

Outstanding in the considerations before the Foreign Mission board, is the proposed missionary budget. The executive committee has recommended a \$250,000 budget, but Ross A. Hadley, general secretary, said Thursday he thought this would be increased to probably \$300,000 in face of increasing field work. New and heavy demands are expected.

To Appoint Principal.
A principal will probably be appointed to take charge of the boys' boarding school in Victoria, Mexico. Other additions to the Mexican staff may be made. In Africa additional workers are said to be badly needed. Consideration will be given the establishment of a boarding school on the outskirts of Holguin, Cuba.

May Increase Salaries.
Whether the cost of living has increased sufficiently to justify an increase in missionary salaries, will be discussed by the board. Official action will follow. The present average missionary salary is \$1,200 a year with lodging and medical attention furnished.

Foreign mission board reports will be made by the following officers: George H. Moore, Georgetown, Ill., president; Charles M. Woodman, of Richmond, vice president; Lucy Hill, Greenfield, recording secretary; Edgar Hatt, Richmond, treasurer.

Convening Wednesday morning in the South Eighth street church, the Home Missions board will hold sessions until Thursday afternoon when a joint session of the Home Mission and Indian Affairs committee will be held. Questions pertaining to rural and urban church questions, negro, and mountaineer church work will be considered. A budget will be adopted.

Officers of the home mission board are: Chairman, Ellison R. Purdy, of Minneapolis, Minn.; secretary, Edgar Stranahan, Oskaloosa, Iowa; treasurer, John R. Carey, Baltimore, Md.; acting secretary, Miss Ruthanna Sim, Richmond.

Will Report on Southland.
Dr. N. S. Cox, of Richmond, former chairman of the Indiana Yearly committee on Southland Institute, who was recently appointed chairman of the Five Years Meeting, Southland Institute, will report.

An enlarged program in co-operation with the general plans of the Forward Movement will be considered by the Bible school board in semi-annual session on Thursday, May 20. Officials who will be present are: Wilbur K. Thomas, Philadelphia, chairman; William J. Sayre, Muncie, secretary; Ancel E. Ratliff, Fairmount, treasurer; Ruth Farquhar, Wilmington, O., and Lenora N. Hobbs, Bloomington, O., members at large, and David E. Henley, business manager.

To Name Overseer.
An overseer for the Forward Movement endowment campaign will be appointed by the executive committee, which will be in session Wednesday and Thursday, May 19 and 20. Allison R. Purdy, of Minneapolis, is the only member resident out of Richmond.

The other members are Dr. Walter C. Woodward, chairman; Levi T. Pennington, who is living in Richmond while head of the Forward movement; President David M. Edwards, of Earlham, and Dr. Allen D. Hole, of Earlham.

CATARRHAL DEAFNESS MAY BE OVERCOME
If you have Catarrhal Deafness or are even just a little hard of hearing or have heard noises go to your druggist and get 1 ounce of Parmit (double strength), and add to it 14 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day. This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone losing hearing from Catarrhal Deafness or head noises should give this prescription a trial.—Advertisement.

CATARRHAL DEAFNESS MAY BE OVERCOME
If you have Catarrhal Deafness or are even just a little hard of hearing or have heard noises go to your druggist and get 1 ounce of Parmit (double strength), and add to it 14 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day. This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone losing hearing from Catarrhal Deafness or head noises should give this prescription a trial.—Advertisement.
