York, M. Painleve went to Washington, where he conferred with Ambassador Jusserand and met many American notables.

## SERVICE COMMITTEE IS ORGANIZED FOR WAYNE CO. SOLDIERS

A permanent Wayne county Service Men's Welfare committee, headed by Howard Dill, was formed at the organization meeting held Thursday afternoon in the Y. M. C. A. building.

Representatives of the city, American Legion, Salvation Army, Social Service Bureau, Ministerial association, Rotary club, Red Cross, lodges, and newspapers, were invited to attend the meeting by Capt. Joseph L. Bachus, field representative of the service and information branch of the war department.

### Dill Conducts Meeting

Mr. Dill conducted the meeting after his unanimous election as chairman. Short talks were made by Dr. L. F. Ross, representing the Red Cross; Ray Umply, representing the American Legion; Joseph Harrington, Jr., of the Knights of Columbus; Rev. S. C. Lee, of the Ministerial association, and Mrs. A. W. Roach.

The purpose of the local committee will be to assist the Red Cross, American Legion, and other organizations looking after the needs of the former service men. It is not the intention to take over any of the work of these organizations but merely to act as a unit or clearing house where all the claims and needs of the veterans may be cleared up and referred to the proper authorities.

Dr. Ross informed the committee that only a 50 per cent return had been received from the questionnaires that were sent out recently to the ex-service men in Wayne county. The committee will undertake to check up the 50 per cent who did not reply.

### Information Badly Needed

Captain Bachus pointed out that the government has provided abundant relief in the form of vocational training, medical treatment, insurance, and allowances, but that in many cases the men are not informed as to what they are entitled to, and did not know how to proceed with their inquiries.

Committees similar to the one in Wayne county have been organized in 260 congressional districts in the United States, in order to give the ex-soldier every available aid in securing relief.

### Wholesaler Says Price Cutting Near Its End

CHICAGO, June 4.—J. V. Farwell, head of the wholesale dry goods house bearing his name, does not believe that there can be any early recession of prices in the dry goods field.

"I think this wave of 20 per cent slashing is about over," said Mr. Farwell. "It was started as an advertising feature and it is unsound in practice. The Chicago merchants of the better class are not cutting prices in that way. Mills cannot supply the staple dry goods in the face of the heavy demand, and I cannot see how a general reduction of retail prices can be brought about at this time."

### Lawall Will Move; Dry Cleaners to Take Room

L. C. Lawall, jeweler, at 41 North Eighth street, said Friday he expected to move his establishment to 609 Main street about July 1. Lawall said that a drycleaning company, composed of Peter Lichtenfels and George O'Brien, will occupy the Eighth street site.

### County Children Brought Back From White School

Five Wayne county charity orphans have been placed and eight children have been returned from White's Institute to their parents during the last two months, it was announced at

the called meeting of the County Board of Children's Guardians in the woman probation officer's room at the courthouse Friday. The meeting was short.

Two boys and three girls were committed to the reform school by the board and three adoptions were authorized. Owing to the absence of a quorum the regular meeting on Wednesday was postponed.

### Tennis Sharks Attention; Here's Dope on Courts

Richmond tennis enthusiasts interested in installation of courts in Glen Miller Park, are urged to meet in the Y. M. C. A. at 7:30 p. m., Monday. The project of installation has been compiled by Del Davis, city engineer. He estimates that to put on four courts, put on a regulation surface and to erect a wire backstop, will require about \$250.

If a sufficient number of interested persons attend Monday's meeting, a delegation will attend the meeting of the board of works next Tuesday.

# REED'S Tomorrow -- Last Day! OF THE GREAT "RED STAR" Carload Lot Sale

This sale has been a tremendous success—your friends bought—your neighbors bought—in fact, nearly all who saw this wonderful oil range demonstrated, decided that they must have one delivered to their homes at once.

They were quick to recognize why the "Red Star" Oil Range is winning all tests for quickness, economy, cleanliness and convenience in cooking.

The "Red Star" is the first and only oil stove to burn any grade of liquid fuel without the aid of wicks or asbestos rings. The eight and one-half pound, patented, double flame ring burner perfectly vaporizes all heat units of the fuel. Produces its own gas. Leaves no odor and greatly increases the degree of heat.

An exclusive deflector insures an even heat in all parts of the oven, making an oven of unusual baking possibilities. The oven door has a glass window through which the progress of the baking may be watched and the heat regulated accordingly.

The "Red Star" Oil Range is the absolutely safe oil stove.

## RED STAR

Detroit Vapor Oil Stove

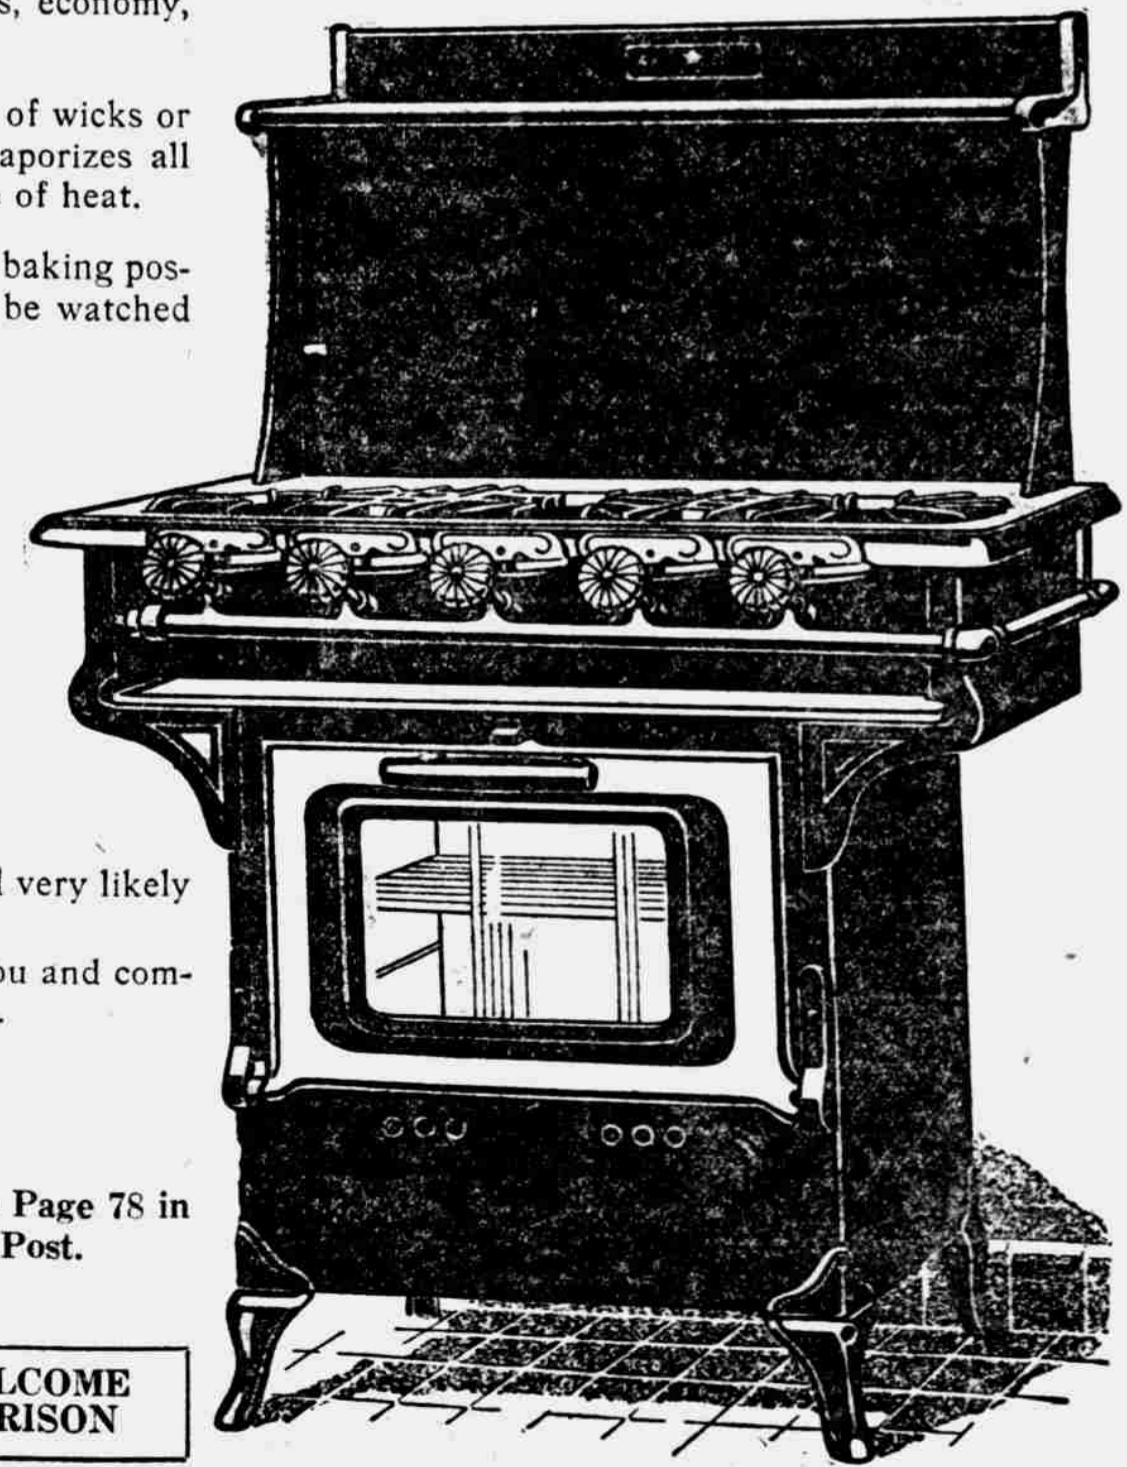

In addition to its exceptional cooking qualities the "Red Star" is designed for beauty without excessive ornamentation. For durability. For sanitation. The "Red Star" is a credit to any kitchen. It is built to give a lifetime of faithful service.

The "Red Star" will be made for years to come. But we doubt if you will ever again be offered one on such attractive terms. Tomorrow is the last chance—the sale positively closes. "Red

Stars" go back to normal prices. And very likely they'll soon advance in price. So don't let one day stand between you and complete cooking comfort and satisfaction. Read the Special Offer and then act! Another day and it will be too late!
