

REDS AND BROOKLYN TANGLE FOR TOP OF LEAGUE IN 4 GAMES

CINCINNATI, Ohio, July 13.—The league leading Brooklyn Dodgers will arrive in Cincinnati Friday and will play four consecutive games. The largest crowds of the year are expected Saturday and Sunday, as the series with the Dodgers will about settle the league leadership question.

Three times this year the Reds have been forced to put the skids beneath an ambitious contender. Brooklyn, Chicago and Pittsburgh being the unlucky. The three out of four games at Brooklyn on the Red's eastern invasion, pulled the Dodgers out of first place. They have recovered, however, and are leading the Reds.

The Dodgers appear to have easy picking with the Cubs, as they copped a double header Monday by sand lot scores. The Reds also copped, defeating the Phillies 4 to 3 in ten innings. The game should have been won in nine innings, but three errors in the ninth allowed the Phillies to score two runs and tie the score. Hits by Duncan, Daubert and Neale in the tenth unraveled the skein. The score:

BIG BRASS BAND TO HELP WELCOME NINE FROM ZANESVILLE, O.

Tentative plans by Omer Todd, athletic manager, are that a brass band, parade, automobiles and electric horns will usher in the first game of the inter-divisional series between the Richmond and Zanesville division baseball clubs at Exhibition Park Thursday afternoon.

Todd believes that a stinging defeat will accompany Zanesville from Richmond Thursday night. Todd is optimistic regarding his team. He believes Zanesville and Cincinnati will be taken into camp. He is doubtful of Columbus, however.

The latter division has had a railroad league for several years and is perfectly organized. A railroad semi-pro team travels from Columbus on Saturdays. This team, strengthened by several players from the league, will be shoved against Richmond.

Cy Fitzgibbons is captain of the Richmond division team. He had a squad of 30 players at Exhibition Park Monday afternoon. Half of these were from out of town but no sensational players were discovered. The same number of players will be out to the park Tuesday and Wednesday afternoons.

Indications, according to Todd, are that Roop will start Thursday's game against Zanesville. The lanky hurler has shown great stuff in recent work-outs. Ching McConaha has also been going good. Garthwaite, the other hurler, may play second because of his hitting. Cy Fitzgibbons at short, Winters at third and Craycraft at first complete the infield.

Carl Runnels, the 18 year old hurler for the Shamrocks, seems to have center field clinched. Hengstler has been going good in the left garden. Tommy Fitzgibbons is a capable gardner, but has a fatal weakness with the stick. Despite this, however, he has a good chance for the right field berth.

Work Starts on Field.
Work is to be started on the athletic field at the Pennsylvania east yards next week. This is to include a cinder running track, baseball diamonds and football field, and four tennis courts.

Although not contemplated this year Todd says a recreation house or a Y. M. C. A. building may be built by the railroad at the yards. Columbus has a large building that is maintained for the employees but which is self supporting.

Suburban Leaguers Worry Over Centerville Defection
Sunday's Suburban league baseball games depends upon action taken by a meeting of Suburban league moguls in the Y. M. C. A. Friday night.

The chief topic at the meeting will be Centerville. This latter ball club has been slipping, and last Sunday it slipped. A meeting of baseball fans is to be held at that town Tuesday night for reorganization purposes.

It is believed that Suburban league moguls will bolster Centerville so as to finish the season. Except this town, the league is a real success.

Lynn was one of the latest teams to enter but Lynn is on a par with Whitewater and Eldorado for record crowds.

IS ABLE TO WORK AFTER BEING OFF FOR SIX WEEKS
Indianapolis machinist was down with kidney trouble, lazy liver, disordered stomach and nervousness.

Claims the new medicine Dreco has given him prompt relief and advises the public to try it.

"I advise everyone who has a sluggish liver, weak kidneys or stomach trouble to get a bottle of Dreco at once for it will surely relieve them," declared the well known machinist, Mr. N. W. Thonburgh, of 962 Ewing street, Indianapolis, Ind.

"I often had to get up five or six times during the night; this broke up my rest very badly and next morning I'd be tired out and not fit for work, my liver was lazy which gave headaches, dizzy spells and the no-account feeling, my food did not digest well but lay heavy in my stomach."

"Dreco put a stop to all this and now I sleep the whole night through without waking up; I never have a dizzy spell nor a headache. Dreco did me so much good that my wife is also taking it and it has about relieved her constipation and nervousness. Both of us are great believers in Dreco and have told a lot of our friends about it."

Dreco acts on the bowels and relieves constipation, rouses a sluggish liver to full action, strengthens the kidneys; purifies the blood; quiets the nerves; induces sound sleep and acts as a tonic to the vital organs, giving renewed energy and resistance. All good druggists now sell Dreco and it is being especially introduced in Richmond by Clem Thistlethwaite's seven drug stores.—Advertisement.

GAME'S GREATEST FIRST BASEMAN

George Sisler in action.

George Sisler of the St. Louis Browns, the greatest first baseman in the game, is leading the American league batting procession with an average above .400. Sisler broke into the game as a pitcher, like Babe Ruth, but his great hitting ability soon got him a job in the lineup.

GLAD SISTER ESCAPED OPERATION

Physicians had given my sister up to die; they wanted to operate for gall stones, but she was too weak and could only talk in whispers. I got her a bottle of Mary's Wonderful Remedy and in 3 weeks she was able to get about and walked a mile to church."

It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allay the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. K. C. BASEBALL CLAN HAS A SHAKE-UP SESSION

Dissatisfied with showing made so far this season, the baseball clan of the Knights of Columbus pow-wowed Monday night.

James Sharkitt was made manager, Carl Geier was appointed captain. Games are wanted. Those interested are to write to the K. of C. club rooms at Fifth and Main streets.

Commercial League

The Item and Pennsylvania Commercial leaguers will stage the first game of the week of that organization at the playgrounds Tuesday afternoon.

The meeting of the two resulted in a game for the newspaper clan. A different story may be told Tuesday. The railroaders have been getting in plenty of practice and have rounded into a formidable aggregation.

Thursday will see the Himes dairymen and Home Telephoners mixing things at the playgrounds. The dairymen have visions of a Commercial league championship. So have the phone tribe. When Nicodemus, of the dairymen, is right, he is hard to beat. But when he is not right, even the Palladiums could beat him.

The Y. M. C. A. and Palladiums will close the Commercial league program for the week. The last meeting of the team resulted in a victory for the Falls, but since then the association team has strengthened while the Palladiums have slipped.
