

REDS BEAT INDIANS IN PRELIMINARY TO NEXT WORLD SERIES

BROOKLYN, N. Y., July 27.—Walter Reuther has been nominated by manager Pat Moran to start the opening game against Brooklyn Tuesday afternoon. Senior League probably will start the second game, Red Miller the third, and Jimmy King the fourth. "Sam" is the Red's only regular outfielder.

Maybe the Reds can't whip the Dodgers or Giants, but they are sure to win on American leaguers. The Cleveland Indians, being of the American circuit, received a 4-to-3 defeat from the Reds Monday. Cleveland used a balanced line-up, but the Reds used a balanced line-up for which they paid money to see in action. The score:

OLYMPIC LADS ARE OFF FOR BIG GAMES; LOOK FOR A SUCCESS

NEW YORK, July 27.—The United States Olympic team, consisting of 230 track American athletes, sailed Monday on the steamship Princess Matilda for Antwerp.

The American team, which includes track and field stars, swimmers, wrestlers, boxers, fencers and bicyclists from almost every state in the union and Hawaii, before its departure was given a farewell reception at the Manhattan opera house.

Telegrams of encouragement and wishes of success from the governors of 11 states were read. Later the athletes marched to the Hudson river pier, where they crossed to Hoboken and boarded the steamship. Gustavus K. Kirby, chairman of the American Olympic committee, who will leave later in the week for Antwerp, presided at the reception. He expressed the hope of the committee for the success of the contestants at the Olympic, and told the athletes that the action of the government in providing a "transport for the trip, and the 'saw-appreciation' of the country in the value of sports in the rebuilding of the nation.

The fund to meet the expense of the American team is short about \$25,000, but it is expected to raise \$100,000 of this in New York and \$15,000 in Philadelphia.

Many Wish 'em Success.

Telegrams were read from Governor Cox of Ohio, Democratic nominee for president; Governor Smith, of New York; Governor Edwards, of New Jersey; Governor Coolidge, of Massachusetts; Republican vice presidential nominee; Governor Davis, of Idaho; Governor Stephens, of California; Governor Burnquist, of Minnesota; Governor Sprout, of Pennsylvania; Governor Allen, of Kansas; Governor Hobbs, of Texas, and Governor Lowden, of Illinois.

Governor Cox expressed his "utmost faith that the traditions of America will be upheld."

The team which left today included 108 track and field athletes; 48 swimmers, both men and women; 46 wrestlers and boxers; 20 fencers and cyclists. The American hockey team and ice skaters have participated already in some of the events at Antwerp and the polo team will be selected from the American army of occupation.

The athletes went aboard ship Monday night, with the exception of a few of the men, who were slightly affected by the change in water and climate, after their arrival at Fort Slocum. Arrangements have been made by the committee for training accommodations aboard ship and the coaches will supervise light workouts on the trip across.

Jack Mackay, of Cornell, the head coach, will be assisted by Lawson Robertson and William Hayward, and the coaches expressed the expectation of being able to get the men in good shape for the events before they reach the other side.

Commercial League

The course of the rushing Y. M. C. A. commercial league baseball team may be switched to the down-grade when it encounters the Pennsylvania scrappers at Exhibition Park, Tuesday afternoon. Both teams have been going good.

Thursday afternoon will see the team and Himes Dairy men tangle at Exhibition Park. The team stepped into first place last week when the Home Telephone were whipped by the Y. M. C. A.

The forty and lowly will clash Friday afternoon when the Palladium and Telephone meet at the Playgrounds.

BAD TASTE LEFT BY SINGLE G'S EFFORT

COLUMBUS, OHIO, July 27.—The smashing of the record for the season by the great Indiana pacer "Single G," followed by the defeat of that horse in the free-for-all race under circumstances which left a bad taste in the mouths of many of the spectators, featured the opening of the Grand Circuit meeting at the Driving park Monday.

The hero of dozens of great turf battles won the first heat in 2:01 and then finished "absolutely" last in the next two rounds. The Boston gelding, piloted by Tom Murphy, gathering in the major portion of the purse and the field players cashing their tickets, while those who had backed the Indiana horse to win the race said things which would not look well in print. The \$5,000 stake for 2:05 pacers furnished a surprise; the Omaha pacer Hal Mahone beating a good field in which he had sold third choice in the auctions.

Single G, \$100, the field \$60, was the early selling on the fast pace, but later the field money became more

plentiful and the market worked up to \$80 for the short end. Sanardo made the pace in the first heat, Single G coming from the rear and barely slipping the gelding at the wire in 2:01. Single G was separately timed the last half in 0:58 3/4.

In the second heat he swerved around on the first turn and was a very bad last when Sanardo breezed in a winner in 2:03 3/4. Allen was questioned by the judges and stated that the horse had sulked. Whatever it was he did it again in the final heat, again finishing a bad last, Sanardo winning in a drive from Gladys B in 2:05 3/4. This is the first race lost by Single G this season. Presiding Judge Swisher stated that the race would be further investigated.

Legion May Plunge Into Winter Athletics

Plans for an extensive plunge into winter athletics are being made by members of the Harry Ray Post of the American Legion. One brought the proposition to the notice of Commander Hunt, Monday. He said it would be given attention at the next meeting.

Members advocating football and basketball teams of the legion, say a host of material is included within the membership. Numerous college and high school basketball and football players are included. The Richmond independent football team of last fall was composed mostly of members of the American Legion.

Home made advice is just as satisfactory as any other brand.

NET TOURNAY CALL BRINGS OUT TALENT

City tennis courts are being worked overtime this week by tennis enthusiasts trying to get in top form for the tennis tourney scheduled to get underway at the playground courts next week.

Playground Supervisor Eckel issued the call for entries Monday. Tuesday saw several signatures affixed to registration blanks at the Y. M. C. A. Entries for the city and junior tournaments can be made there. Boy entries, however, must be made at the playgrounds. The entrance fee can be paid later.

Speculation is rife among dopesters as to probable winners. Keith King stands head and shoulders above anyone else in the boys' class. Shel Simmons and George Everman have the big edge for both singles and doubles in the junior class. Opposition may be offered by Roland and Bill Kays, however.

The senior division winner, or the class for anyone above 44 years old, appears to be anybody's race. A swarm of likely contenders are expected to sign. Among these are Bob Coate, Ted Lanning, Jim Harrington, Taggart, Frank Holland, Isley, Retmeyer.

Ed. Wilson, Ben's Kof and Eckel, and several dark horses.
