

## AMERICA'S CUP STAYS IN AMERICA AS BIG GREEN BOAT'S BEATEN

(By Associated Press)  
ABOARD STEAM YACHT VICTORIA, July 28.—"I am very sorry, but the best boat won," was Sir Thomas Lipton's remark as Resolute crossed the line a victor and defeated the Irish baronet's fourth attempt to capture the trophy.

"We all did our best—skipper, designer, and crew—and we have been beaten fair and square," said Sir Thomas.

"I have been treated throughout with the greatest fairness and sportsmanship by Americans."

"I shall wait till next year to give some one else a chance to challenge and then I shall rechallenge myself."

"I have no excuses to offer. Resolute's the better boat."

SANDY HOOK, N. J., July 28.—The America's cup stays in America. This was decided shortly before sundown Tuesday when the American defender, Resolute, captured the 1920 regatta, three races to two, by defeating Sir Thomas Lipton's Shamrock IV in the final race.

The defender outslatted the green sloop decisively, boat for boat, in the last contest of a tempestuous series—the closest and most hard fought in the history of the precious trophy—crossing the line at 7:52:22 (unofficial time), only about 25 minutes before expiration of the six hours' time limit.

Finish is Against Time. Indeed, the last half of the race was a race of the defender against time, with the fate of the contest resting on the wind, for the challenger was about one mile astern when the American sloop flashed over the line.

After having been led by the challenger two-thirds of the distance to the first mark, a windward leg, Resolute crossed its bows 10 miles from the start and breezed into a lead which it maintained and steadily increased to the finish line.

By the time 22 miles of the course had been covered the defender was a mile and a half in the lead, reaching back and forth on its way to the finish line. At one time toward the end it was two miles ahead of Shamrock, but the challenger came up to within a mile at the finish.

Big Margin Without Handicap. The elapsed time was:  
Resolute ..... 5:35:15  
Shamrock IV ..... 5:48:20

In other words, Resolute took 13 minutes and five seconds less than Shamrock to cover the course.

With the time allowance of six minutes 40 seconds, which the defender received from Shamrock, the corrected time was 5:41:40.

Despite failure of his fourth attempt to lift the cup, Sir Thomas Lipton announced his intention of challenging with a new Shamrock in 1922, unless, in the meantime, another challenge is handed the New York Yacht club, which retains custody of the cup.

## TENNIS MEN FAIL TO GET TOGETHER

Tennis enthusiasts in Richmond are lax in getting together. The middle of the week has arrived and not one entry for the tennis tournament to be held at the playgrounds has been received.

Gus Eckle, playground supervisor, says every tennis player appears anxious to enter the tourney, yet when told to sign up, says he will later on. The playgrounds will be closed for the year the last week of August and it will take two weeks to play off the tourney.

Eckle says entries can be made at the Y. M. C. A. Those signing there are to signify what division entry is to be made in, also partner in doubles. Eckle would rather have entries made at the playgrounds, however.

The tennis courts will be thoroughly rolled and marked the last of the week and the first of next. This will put them in perfect condition for the start of the tourney.

## BRINGING UP FATHER BY McMANUS

## REDS, WINNING FIRST, MOVE NEAR DODGERS; MUST WIN 4 GAMES

BROOKLYN, N. Y., July 28.—The Champ Reds are but 11 points behind the league leading Dodgers, but must capture all four games of the series to grab first place.

This probably is the most difficult undertaking of the year for the Reds, but with the memory of the stinging defeats from Brooklyn and the three out of four series captured on the last eastern trip, they believe the stunt can be pulled.

The first of the four game climb was successfully navigated Tuesday by a one-sided 8 to 3 score. The Reds scored by bunching their 10 hits. Brooklyn made 11 hits but Reuther kept them scattered. The score:

## PENNSY TEAM OFF FOR CINCINNATI GAME

The Richmond and Cincinnati division baseball teams of the Pennsylvania league are to hook up at Xenia, Ohio, Wednesday afternoon. The game is to be played at Xenia because a better attendance will turn out for the game than at Cincinnati.

Richmond and Cincinnati are tied in divisional standing. Cincinnati has been defeated by Columbus and won from Zanesville. Richmond has the same record. Judging from comparative scores against Zanesville, Rich-

mond should be favorite in Wednesday's game.  
Because of injury to Garthwaite in a S. A. L. game last week, Gabriel will be seen on second base for Richmond. The rest of the line-up has Riner, pitcher; Graycraft, catcher; Dunn, 1b; Fitzgibbons, 2b; Winters, 3b; Boyd, lf; Runnels, cf; and McConaha, rf. The team left for Xenia Wednesday morning. In addition to the regulars, Wilson, Hentzler, Moore and Barmore were taken along as extras.

## WITHDRAWN TEAMS WANT GAMES NEAR RICHMOND

Withdrawal of the Richmond Shamrocks, Miller-Kempers and Senators from the Suburban baseball league leaves three traveling baseball teams in Richmond that want games with teams in surrounding towns. Abingdon, Union City, New Paris, Eaton Eldorado, Centerville and other places take notice.

The Richmond Kaysee team, reputation to be faster than the above three, is also in the field for games. Those wanting games with the Kaysees are to write to the Knights of Columbus club rooms at Fifth and Main streets.

## KILLED BY GOLF BALL

## OLYMPIC ATHLETES WORK OUT ON SEA; UNIFORM AGREED ON

(By Associated Press)  
ON BOARD U. S. S. PRINCESS MATOIKA, July 28.—Perfect sailing weather today permitted the members of the American Olympic team to settle down to their eleven day training routine. A 70 yard cork track has been laid on the upper deck and punching bag and wrestling mats have been placed. There is a canvas swimming tank on the lower deck, but when filled with sea water today it split under the strain and will have to be repaired.

The sprinters practiced starts and dashes in the forenoon, while the distance runners circled the lower deck many times this afternoon under the eyes of their trainers. The wrestlers, boxers, fencers, shot putters and tug of war men worked out under the direction of their respective coaches.

For the balance of the trip the training will be for twelve a day sessions when the weather is fair.

Transferred to Upper Deck. Owing to the heat of the lower decks, first place winners in the tryouts for Marathon runners, cyclists and sprinters have been transferred to the sick bay and upper deck cabins by constant use of the transport floor. This change is much appreciated by the athletes and team officials.

Dress and competition uniforms were distributed this evening. They consist of a blue flannel coat, a cap with an American shield, white flannel trousers, white shoes, white jersey shirt with embroidered shields and white trunks with red, white and blue bands and border.

Two stowaways have been discovered aboard the transport. One of them is John Norton of Toledo, who was also a stowaway on the Finland when the American Olympic team sailed in 1912.

## ON BOARD U. S. S. FREDERICK

July 28.—The Navy athletes enroute to Antwerp are keeping up hard practice on the quarter deck, the rowing crew, wrestlers, boxers, fencers and runners exercising twice daily.

The Frederick, which has aboard 101 athletes and coaches of the Navy Olympic party, is 145 miles ahead of the Princess Matoika, carrying the other Olympic teams.

## DROP 3 CITY TEAMS FROM SUBURBAN LOOP

An expected cut in the ranks of the Suburban Baseball league was made Tuesday night when the Richmond Shamrocks, Miller-Kempers and Senators were dropped. The league now consists of Eldorado, Boston, Centerville, Whitewater, New Madison and Lynn.

The cut in membership at Tuesday's meeting in the Y. M. C. A. was made because managers of home teams say Richmond traveling teams are poor drawing cards; also that the brand of ball put up has been very inferior. The only team that brings out a crowd is the Richmond Shamrocks. This team worked hard, but lately has slowed up because two of its best players quit.

The schedule for August as compiled at Tuesday's meeting follows:  
August 1—Whitewater at Centerville, Eldorado at Lynn, Boston at New Madison.

August 8—Lynn at New Madison, Centerville at Boston, Whitewater at Eldorado.

August 15—New Madison at Whitewater, Eldorado at Centerville, Boston at Lynn.

## RUSHVILLE TO PLAY EAGLES NEXT SUNDAY

Rushville Tail Lights, claimers of baseball championship of eastern Indiana, will back their claims against the Richmond Eagles at Exhibition Park Sunday afternoon. Incidentally the Eagles are claiming the same championship.

The showing made by the Eagles in the last four games has resulted in a larger attendance at each baseball game. Women attendants will be admitted free to all games for the rest of the season. Manager Haas announced Wednesday.

It is believed that one member of the Rushville Tail Lights hails from Rushville. The rest are class players hired from Indianapolis and Cincinnati and Rushville strongly backs its team, thus insuring good players.

Manager Haas said Wednesday he believed the Richmond Eagles would go through the season without another defeat. This includes the so-called championship games that are to be played with the Richmond Giants, Hagerstown and the champ of the Suburban league. Several strong teams yet remain upon the schedule.

**Eaton vs. Ingomar Sunday**  
EATON, O., July 28.—Eaton will hook up with Ingomar at the ball park here Sunday afternoon. The coming visitors have been going strong this season and it is expected the game Sunday will be of the peppery sort.
