

ROOSEVELT SPEAKER IN CHICAGO; STATE CAMPAIGN BEGINS

CHICAGO, Aug. 12.—Franklin D. Roosevelt, Democratic candidate for vice president, opened his campaign here last night with the first address he has delivered since he accepted the nomination last Monday.

Before a crowd of 3,000 at the Auditorium theatre, he urged Republicans and Independents to join the Democrats in support of the platform adopted at the San Francisco convention and of the ticket nominated there.

He told Republicans their party had been split by a quarrel among the leaders and that the faction represented by Harding was the "old guard," which Theodore Roosevelt had opposed. Addressing himself particularly to those who are not Democrats, Mr. Roosevelt said:

"The day is past when it is either popular or useful to damn everybody and everything connected with the opposition."

Fires First Gun.

"The Republican leaders, however," he said, "show no signs of having taken to heart the drastic lesson taught them at that time."

Seven hundred women were given the place of honor on the stage.

LAFAYETTE, Ind., Aug. 12.—The Democratic campaign was formally opened in Tippecanoe county when Dr. Carlton B. McCulloch, Democratic gubernatorial nominee, addressed the members of the Jackson club and a large delegation of voters. He spoke on the stand of the Democrats on the League of Nations and bitterly attacked the present Republican state administration. Prof. Albert Stump of Indianapolis, also delivered a talk.

Dr. McCullough said the Democrats were glad to take up the challenge of the opposition on the League of Nations, and that the Democrats were striving for the same principle as was indicated by the star of Bethlehem. "Peace on earth, good will to men."

"That's what Woodrow Wilson has fought for," he said, "and that is what 'Jimmie' Cox stands for, and what every rightful thinking American should stand for."

People Oppressed of Rights.

Referring to the state issues, Dr. McCulloch declared the people of Indiana were oppressed of their rights by the autocracy of James P. Goodrich.

The new tax law, he said, was a case of passing the buck, and the blue sky law was a joke. He declared the people were made to believe they were being protected by the so-called blue sky law, whereas it meant nothing.

NAME, PUT IN MAIL POUCH LEADS TO MARRIAGE

WASHINGTON, Ind., Aug. 12.—E. W. Greenwood and Clarence Evans, clerks in the postoffice, were sacking outgoing mail more than two years ago when Evans spied the name of Miss Ethel Davis, Mt. Vernon, Ky., written on the inside of a mail pouch.

Greenwood, being single, complied with Evan's suggestion that he undertake correspondence with the young woman. His letters were answered and later he met Miss Davis.

Miss Davis later gave up her position as assistant postmaster at Mt. Vernon and accepted employment in Indianapolis. Announcement received here Monday told of the marriage of the couple at Mt. Vernon, July 31.

FEDERAL AGENTS GO AFTER 212 DRAFT DELINQUENTS

CHICAGO, Aug. 12.—A new round-up of slackers was launched here Thursday when United States deputy marshals and agents of the Federal bureau of investigation started combing Chicago for 212 men alleged either to have failed to register for the draft or to answer summonses of the local boards.

The list of the 212 alleged delinquents and slackers was received from Washington Tuesday by District Attorney Clyne.

WEEGHMAN SOLVENT, IS COURT DECISION

CHICAGO, Ill., Aug. 12.—Charles Weeghman & Co., owner of a chain of restaurants, is solvent. There is no need for a receiver.

This was the decision of Judge Kickham Scanlan after hearing a receivership petition filed by attorneys representing two creditors, Case & Martin and the Security Flour company. They claimed the action was necessary to insure payment of debts totaling near \$7,000.

Weeghman's attorneys explained that all creditors except these two were willing to give him a chance to show his solvency and that the bills in question were only 30 days old.

Judge Scanlan immediately threw the case out of court. He attacked the action brought by the two creditors, saying it was a "firebrand—sufficient to wreck any solvent concern."

Good Morning, Mars!

PARIS, Aug. 12.—Mars is attempting to signal the earth by means of telephotography, according to Camille Flammarion, famous French astronomer. He asserts the white spot that recently appeared on the Martian equatorial plateau could not possibly have been snow, because it is the planet's summer time. It is the third time since 1879 that the noted spot, which cannot be accounted for except as an effort by the Martians to communicate with the earth, has appeared, he said.
