

LIGHT PLANT BUDGET ASKS ONLY FOR 1921 RUNNING EXPENSES

Superintendent James Dillon of the municipal light plant, informed the board of public works at its meeting Monday that the 1921 budget for the plant, which he will be ready to submit to the city controller Tuesday, appropriates only for actual operating expenses.

If it is found necessary to provide additional plant equipment next year, provision for the same can be made by additional appropriations, Dillon said.

"It no budget appropriation for additional plant equipment is provided, then there can be no criticism as was made recently over the purchase of a coal conveyor for the plant," the superintendent stated.

The board accepted the rerecommendation of Fire Chief Miller, and appointed Captain Harry Williams, second assistant chief.

Doran Budget \$17,000.

The board advertised for bids for a new flooring for the Doran bridge, to be made of creosoted wooden blocks. It is expected that the improvement will cost between \$17,000 and \$20,000.

Petition for the reopening of an alley from Laurel street to Railroad street was received.

Final estimate of the cost for a new curb and gutter on the north side of North D street, from North Eleventh to North Twelfth street, as reported to the board, is \$397.67.

Superintendent Dillon of the municipal plant, was granted 10 days' vacation.

SCORE OF INJURED IN WRECK OF 144

TERRE HAUTE, IND., Aug. 16.—Twenty persons were injured when two coaches of Pennsylvania passenger train No. 144 overturned and two were derailed while the train was passing over a weakened culvert, Sunday evening, near Bluff City, Ill. Railroad officials here say that none of the persons is seriously hurt.

Medical aid was rushed to the scene of the accident. The injured were carried to East St. Louis, and a wrecking train cleared the tracks.

A west bound passenger train had passed the bridge an hour before the wreck. At that time the culvert was in good condition, railroad employees say.

Names of no Richmond persons are included in the list of the injured. No. 144 is scheduled to arrive here at 11:45 p.m.

County May Have \$35,000 To Spend on Hospital; \$25,000 is Appropriated

Dental was made Monday by W. Howard Brooks, county auditor, of a report that the board of county commissioners had neglected to make an appropriation for the county tuberculosis hospital for next year.

Mr. Brooks called attention to the fact that the commissioners have approved an appropriation of \$25,000 for the purpose of repairing and remodeling the main building at the Smithfield institution so that patients can be properly cared for in it.

He also states that there will be approximately \$10,000 remaining out of this year's appropriation for the institution and that this sum can be reappropriated for next year, making a total appropriation of \$35,000 for 1921.

The county board last week revised specifications for bids for the construction of a cottage for the superintendent of the hospital farm and work on this building is expected to start soon.

6,000 Letters Are Sent Out For Earlham Drive

Six thousand pieces of literature telling of the Earlham college campaign and its purposes have been sent out from the campaign headquarters in the Starr Piano store, and 20,000 more pieces are to be sent out just as soon as addressing of envelopes has been completed.

The work of organization has been completed and as the campaign enters its sixth week the educational program of the drive is getting under way. Letters containing the literature together with display advertising which has already started and which is to be carried on in newspapers throughout the county is to be the main means of education.

Personal solicitation of about 21,000 persons in the county will commence the last two weeks of the campaign, when the campaign arrives at the intensive stage.

Teams of 10 men each with a captain, will make the personal solicitation. No solicitor will go into a home or office in which advance notice of his call has not been received. A good sized office force is now busy at headquarters preparing envelopes for mailing all advance information.

Auto Turns Over, But Injuries Are Slight Ones

Four of the six occupants of an automobile escaped without injury and two others suffered only slight scratches when the machine in which they were driving plunged over a 12-foot embankment at the cross-roads south of New Paris, on the New Paris Pike, shortly after midnight Saturday night.

The two injured persons were Mrs. Leroy Cox, South Eighth street, and her daughter, Vivian Cox. The other occupants of the car were Wilbur Vogelsong, South Ninth street; Earl Stanley, of Liberty; Iris Iglesman, South Eighth street, and Leroy Cox.

Although the people escaped serious injury, the car was badly wrecked. The top was demolished, steering wheel bent and the fenders smashed.
