BULLET TAKEN FROM THIGH.

WABASH, Ind., Aug. 19.—Bert Williams of Delphi was operated on here for the removal of a bullet from his right thigh. He thought he was suffering from rheumatism. While working on an interurban line here last week, Williams felt a "shooting pain" in his right leg. He investigated and found what he thought was a slight cut. The pain continued to grow worse and yesterday an X-ray picture was taken which disclosed the bullet imbedded in the flesh.

Thursday PM

Dear Pete:

Just flew into Pittsburg to close that N and P purchase while I was waiting for the contract to be signed who ambles in to the G.M.'s office but President Holt! Asked me if I had a cigarette. Slipped him my "Camel Garage". Remember, he hit the "straight" boys when I met him last year?

Pete, you ought to hear Mr. Holt talk Camels! Gee, I thought I was some Camel speaker. But he went right to the meat with the subject. Say, if I could have shorthanded that line of super-stuff I'd have the job writing Camel ads by noon today!

"Reynolds ought to get a dollar for every Camel cigarette," Mr. Holt declared. "Why, my boy, Camels are simply wonderful," he added. "Don't ever let anybody talk about mild cigarettes compared with Camels! I know! (Get that, Pete). I've proved it to a hundred smokers that Camels are the mellowest and most refreshing cigarette in the world." Etc, Etc.

Pete, Camels won Mr. Holt like they won me—on their quality! After hearing him cut loose, I felt like saying: "you tell it, old parcel post, I can't express it!"

Pete, I'm hatching an idea about Camels. I'll spill it your direction next time I write! It's what York State folks call a "pip-ing!" And it's ripe!

You tell the next five-up.

Shorty.

By all means!
