FIRE TRUCK CUTS GRASS FOR WABASH CITIZEN

WABASH, Sept. 7.—The grass-cutting and sprinkling problem has been solved by one man in this city. He is the father of one son nine years old. Building a miniature fire wagon over the lawn mower and attaching a small reel of garden hose, a bell and a rope extending to the end of the mower handle, he made the implement into a useful plaything.

Now the son and the neighbors' boys contest to see which one will have the privilege of operating the "fire truck" and wear the outfit that goes with it. As a result, the grass is being kept well cut.

Wins in Texas Race

Pat Neff.

After a hard fight with former Senator Bally, Pat Neff of Waco has won the Democratic nomination for governor of Texas. The nomination is equivalent to an election. The defeated candidate based his campaign on opposition to labor unions and to the Wilson administration generally, both of which were championed by

Mr. Taylor declared that organized labor at the present time is one of the greatest movements of reform in existence and stated the labor movement is the kindergarten of the church. Referring to the statement made by the Rev. Dougherty, he scored the officials of any church who would object to their minister addressing a labor meeting.

The Rev. H. S. James, of this city, for over 10 years pastor of the United Brethren church, has been re-appointed to the pastorate by the 75th annual session of the White River conference of the United Brethren church, which just closed its sessions at Barboursville church, Terre Haute.

PROMINENT REALTOR DIES.

MINISTER MAY BE FIRED FOR SPEECH

SHELBYVILLE, Ind., Sept. 7.—The Rev. E. A. Dougherty, pastor of the West Street M. E. church here, while addressing the labor unions of this city Monday during the Labor day celebration, stated that his appearance on the program today would probably result in removal from his charge here when the next conference is held. Despite this fact and that he was aware that an effort had been made by the official board of his church to prevent his speaking today, the Rev. Dougherty stated he had taken up the cause of the laboring men here and consented to make an address. The talk by the Rev. Mr. Dougherty was part of an all-day meeting at the park, which included an athletic meet.

TAKE UP SUBSCRIPTIONS; SENTENCE WAS UNJUST

DALLAS, Tex., Sept. 7.—To atone for a miscarried justice, subscriptions to a fund for Ben Perry, a negro who served eight years of a life sentence in the state penitentiary for a crime of which he was innocent, are being daily received by Dan Harston, sheriff of the Dallas jail. Sheriff Harston obtained a confession from Green Hunter, another negro, who was hanged in the jail here recently for attacking an aged white woman near Dallas, that he was guilty of the crime. Perry was convicted of—an attack on a young white girl at Bryan, Texas. The sheriff hopes to raise a considerable portion of the fund in Dallas county, where Perry was tried.

600 March in Parade

The labor day demonstration here today was especially significant, coming after a four months' strike of the furniture workers of Shelbyville. The labor unions, 600 strong, held one of the largest parades ever given here. T. N. Taylor of Terre Haute, president of the state Federation of labor, also spoke.

Mr. Taylor declared that organized labor at the present time is one of the greatest movements of reform in existence and stated the labor movement is the kindergarten of the church. Referring to the statement made by the Rev. Dougherty, he scored the officials of any church who would object to their minister addressing a labor meeting.

Automotive Association To Stage Banquet, Sept. 20

Plans for a big meeting with out-of-town speakers and a banquet at the Arlington hotel for the next meeting Monday, Sept. 20, were made at the meeting of the Wayne County automobile association.

Believing that a rousing meeting is necessary to impress upon dealers of automobiles and accessories the value of the organization, it is intended to bring up matters of mutual concern for consideration. Chief among these matters is the problem of competing with firms that wholesale as well as retail.

Here's how Joe's fish story really started

WE CLAMBERED down,
THROUGH HEAVY thickets.
AND WE rowed the boat,
OUT TO a rocky ledge.
WHERE BLACK bass hide.
THEN JOE let out a roar,
FOR HIS cigar box.
HAD FISH lines in it.
INSTEAD OF smokes.
AND HE refused with scorn,
OUR CIGARETTES.
HE SAID they were not.
EVEN FIT for bait.
HE'D HAVE a man's smoke.
OR NOTHING.
AND FOR an hour.
HE GOT nothing.
NOT EVEN a bite.
WHILE WE pulled 'em in.
AT LAST he grunted,
"GIMME A cigarette."
AND IT just happened,
HIS LUCK changed then.
SO NOW Joe swears,
THAT THOSE cigarettes.
WERE SO blamed good.
HE BAITED a hook.
WITH ONE of them.
AND CAUGHT a whale.
PARTICULAR FISH, he says,
HIMSELF AMONG them,
ARE JUST the sort.
THAT THEY satisfy!

MANY a cigar smoker will agree that Chesterfields "satisfy." They let you know you're smoking. And yet they're mild—mild and smooth. What's the secret? Just knowing how to blend choice Turkish and Domestic tobaccos—just right!
