

## TELEPHONE COMPANY ASKS AN INJUNCTION AGAINST J. NEWMAN

EATON, O., Sept. 14.—Alleging John H. Newman threatened to cut down and destroy a telephone line on his premises, the Eaton Telephone company obtained a temporary injunction Monday in common pleas court that prevents him carrying out the alleged threat. The company was required to give \$100 bond, pending final disposition of the case upon its merits.

The company avers there are about 11 poles on Newman's premises on the Eaton and Gettysburg road and that these and the line in question were erected about 10 years ago, at which time, the company alleges, Newman raised no objection to the location and building of the line; nor did he object to or in any manner attempt to interfere with the company entering the premises for the purpose of making repairs, etc.

About two months ago, the company avers, Newman notified and demanded the company to remove the line from his lands and threatened to cut down the line if not removed by the company. The company further alleges it offered Newman reasonable compensation for any injury he sustains by reason of the line, but that he refuses to accept compensation and demands its removal.

The line serves eight or ten patrons north of Newman's premises, the company states.

**Alimony is Awarded.**  
In a divorce, alimony and custody-of-child action brought in common pleas court by Irma Barnhisler, Lewisburg, against Armand Barnhisler, Judge A. C. Risinger awarded the wife \$10 a week temporary alimony, to be paid semi-monthly. The husband also is to pay \$50 expense of a public sale, including two accounts.

From the balance of proceeds from the sale the wife is to receive \$150, while the remainder of the money is held for further order of the court. Household goods now in possession of the wife are to be held by her, while goods purchased by the husband's parents are to be held by him.

**Foutz Burial is Held.**  
Funeral and burial of David E. Foutz, 45, unmarried, who died Monday morning in St. Elizabeth hospital, Dayton, will take place Wednesday afternoon at West Alexandria, in Sugar Hill church. Burial will be in the cemetery adjoining the church.

Foutz was a shoemaker and had lived in Dayton the last several years. He was born in Preble county. His parents, Mr. and Mrs. Jacob Foutz, live at West Alexandria. A brother, Joseph Foutz, is postmaster at Kitchel, Ind. Another brother, John Foutz, lives near West Alexandria.

**Will Hear Injunction.**  
Judge A. C. Risinger will hear the injunction suit of F. M. and Gertrude Wood against James Bowman Thursday in common pleas court. A temporary injunction was granted a few days ago to the Woods. The suit also involves a claim by the Woods for \$1,340 damages. A farm lease, alleged neglected crops, alleged neglected repairs and other violation of the terms of the lease, so claimed, are grounds upon which the suit is based.

**Juries Are Drawn.**  
Drawing of the grand and petit juries for the October term of common pleas court was expected to take place today, following an order issued Monday by Judge A. C. Risinger.

### A Sure Way To End Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips. By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.—Advertisement.

## Escaped an Operation

There is nothing in the world a woman so much fears as a surgical operation. Often they are necessary, but often not; and many have been avoided by the timely use of that good old-fashioned root and herb remedy Lydia E. Pinkham's Vegetable Compound. If you are suffering from some dread ailment peculiar to your sex, why not profit by the experience of these two women whose letters follow?

### These Two Women Saved from Operations.

Cedar Rapids, Ia.—"After the birth of my last child I had such painful spells they would unfit me entirely for my housework. I suffered for months and the doctor said that my trouble was organic ulcers and I would have to have an operation. That was an awful thing to me, with a young baby and four other children, so one day I thought of Lydia E. Pinkham's Vegetable Compound and how it had helped me years before and I decided to try it again. I took five bottles of Vegetable Compound and used Lydia E. Pinkham's Sanative Wash and since then I have been a well woman, able to take care of my house and family without any trouble or a day's pain. I am ready and thankful to swear by your medicine any time. I am forty-four years old and have not had a day's illness of any kind for three years."—Mrs. H. KOENIG, 617 Ellis Blvd, Cedar Rapids, Iowa.

Sandusky, Ohio.—"After the birth of my baby I had organic trouble. My doctor said it was caused by too heavy lifting and I would have to have an operation. I would not consent to an operation and let it go for over a year, having my sister do my work for me as I was not able to walk. One day my aunt came to see me and told me about your medicine—said it cured her of the same thing. I took Lydia E. Pinkham's Vegetable Compound and used Lydia E. Pinkham's Sanative Wash and they have cured me. Now I do my own housework, washing and ironing and sewing for my family and also do sewing for other people. I still take a bottle of Vegetable Compound every spring for a tonic. I recommend your medicine to others who have troubles similar to mine and you can use my letter if you wish."—Mrs. PAUL PAFENFUSE, 1325 Stone St., Sandusky, Ohio.
