

DEMOCRATIC ORATORS SCORE REPUBLICANS IN EATON SPEECHES

EATON, O., Sept. 28.—Governor John M. Parker, of Louisiana; W. A. Julian, of Cincinnati, Democratic candidate for United States senator, and W. G. Pickrel, of Dayton, Democratic candidate for congress from this district, spoke here Monday night at a political meeting in the opera house.

Governor Parker and Julian defended the League of Nations and accused the Republicans of blocking adoption of the league and constructive and progressive legislation of the Democratic administration. They appealed to the women to go to the polls and vote, telling them that Governor Cox was all-American and stood for the citizenry of the country as against the money powers.

Pickrel appealed to the voters to support Vic Donahey for governor and referred to him as "watch dog" of the state treasury. The speaker claimed Auditor Donahey had saved the state millions of dollars by rejecting illegal claims and receipts of interest from banks for use of state money. He asserted the Republicans loaned state money to favored banks and no interest was paid.

Griffin Rensman presided at the meeting, which was attended by quite a number of women.

Files For Children.

Alleging his wife, Maude, became infatuated with another man and left their home in Richmond, Ind., in November, 1919, and went to live with the other man, Pearl Murray has filed suit here in common pleas court for custody of their four children, whose ages range from 3 to 11 years. The oldest child, Frank, is with the father, while the other three children are with the mother.

Murphy names Ora Short in his complaint. Murphy claims he has been helping support the children, under an arrangement sanctioned by the court, which permitted him to see the children at all times. He alleges his father-in-law threatens to do him bodily harm if he comes to see the children. He alleges the children are not receiving the proper care and attention. The couple married about 12 years ago.

Stranger Intoxicated.

In police court Monday a stranger giving his name as Andy Rutledge and giving three different cities as his place of residence, paid a fine of \$10 and costs for drunk. He was placed in the city jail Sunday night. Some "boozo" was found on him. Police say he is a follower of county fairs.

Sues For Foreclosure.

Suit for foreclosure of a mortgage securing \$364 has been filed in common pleas court against Caroline Crandall by the Camden Building and Loan association company of Camden.

GROWING DEAF WITH HEAD NOISES? TRY THIS

If you are growing hard of hearing and fear Catarrhal Deafness or if you have roaring, rumbling, hissing noises in your ears, go to your druggist and get 1 ounce of Farmine (double strength), and add to it 1/2 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises.

Clogged nostrils should open, breathing becomes easy and the mucus drops from the throat.

It is easy to prepare, costs little and is pleasant to take. Anyone who is threatened with Catarrhal Deafness or who has head noises should give this prescription a trial.—Advertisement.

ORDER CONSTITUTION MADE FOR CHAMBER OF COMMERCE BODY

A constitution and by-laws for the Richmond Chamber of Commerce will be prepared by Byram C. Robbins and a committee, says an announcement today by the general committee which has been working on this project for several months.

Dues in the new organization will be \$25 annually. Every classification of the city's professional, financial, labor, industrial, commercial, club, religious and business life will be represented in the chamber. Any group which has ten representatives will be entitled to representation on the board.

Two members of the proposed chamber will attend a meeting at Centerville on Oct. 6, when a Wayne County Breeders' association will be organized. The committee expressed an appreciation of the growing importance of linking the activities of the agricultural interests of the county with those of the city.

Davis Delivers Speech.

Theodore Davis, president of the Wayne County Farmers' Federation, member of the executive committee of the World war, is out to capture a seat in congress from the Thirtieth district, New York state, the district which produced the late Sereno E. Payne. Captain Shuler will be a Democrat.

Mr. Norman J. Gould, Republican incumbent, will attempt to carry the district out of an unbroken Republican record. Captain Shuler was in the Second division, won the distinguished service medal, the legion of honor, the croix de guerre twice and four citations.

It was proposed to enable the farmers to become active in the organization by suggesting the advisability of having at least one representative from every township in the chamber,

which would give the agricultural interests representation on the board of directors. Mr. Davis will present the scope and purposes of the body to the farmers at townships meetings of his federation, which will be held soon.

Details of the organization and the proposed charter will be presented to a mass meeting of citizens to be called as soon as this work has reached a definite stage.
