Other members of the party are Henry Burr, tenor; Albert Campbell, tenor; John Meyer, baritone; Frank Croxton, basso; Monroe Oliver, monologist; Fred Van Eps, banjoist; Frank Banta, pianist, and accompanist. The Sterling Trio, the Peerless and American quartets are made up from members of the party and will favor with concerted numbers.

About a week ago this company announced a reduction in the prices of collars. Other prominent shirt and collar manufacturers here declined to day to comment on the action of Earl & Wilson, but expressed belief that no reduction in their own products could be expected at this time.
