

INDIANA SOFT COAL MAY COST CONSUMER \$8 TON, DELIVERED

INDIANA STATE CAPITOL, Oct. 5.—The price of Indiana coal, delivered to the consumer in Indianapolis, will not exceed \$8 a ton, when coal prices are announced by the special fuel and food commission, according to indications today.

While no announcement has been made concerning the price, it is believed that the commission will follow closely the margins of profit and cost allowed jobbers and retailers by the Federal fuel administration. The Federal regulatory body permitted retailers to charge approximately \$2.50 a ton for expenses in handling the coal and profit. The commission has announced that some Indiana coal, for emergency purposes, can be had at the mine for \$4 a ton. Allowing jobbers the necessary margins for handling the coal and delivering it to the retail dealers and other expenses of bringing the coal to the consumer, it is believed that \$8 a ton will fairly approximate the cost of coal to the public when the commission has completed its price fixing.

Announcement Due This Week.
Announcement of coal prices by the commission is expected tomorrow or Wednesday. It is understood that Jesse E. Eschbach, chairman of the commission, will call the state regulatory body together and make recommendations for the various prices for Indiana coal. Mr. Eschbach and a corps of assistants have been gathering information concerning coal prices for some time and a series of public hearings was held last week.

It is understood that the price of coal at the mine is one of the problems which has been vexing the commission. Two courses are open to the commission in fixing the price of coal at the mine. One uniform price may be adopted for the entire state or a number of different prices for mines operating under varying conditions may be decided upon.

Uniform Prices Held Unfair.
Many operators have insisted that it would be unfair to establish a uniform price at the mine on account of the different conditions prevailing at various mines throughout the state.

Persons in close touch with the work of the commission have noticed a decided change in the attitude of the coal interests of the state. From the open hostility which resulted in a suit in Federal court, and which characterized the public hearings, the coal men have changed to an attitude of co-operation, it is said.

**NATURE STUDY CLUB
PLANS STATE PARK**
INDIANAPOLIS, Oct. 5.—Discussion of the project for a state park and recreational center in the northern Indiana sand dune region will be one of the chief features of the Nature Study Club, which will meet at Turkey Run state park, October 9 and 10. The club will have as its guests the Prairie Club of Chicago. This club

OHIO WOMAN TO RUN FOR JUDGE

Florence Ellenwood Allen.

Florence Ellenwood Allen, at present assistant prosecuting attorney of Cuyahoga county, Ohio, is running for a seat on the common pleas bench. She has the distinction of being endorsed by every important woman's club in Cleveland, despite the fact that most of the clubs are non-partisan organizations. In addition to this the Democratic party and the Republican women's organizations have also endorsed her nomination.

has a club house on the Indiana shore of Lake Michigan in the heart of the dune region and its members are said to be supporting the project for a state park.

CATARRHAL DEAFNESS MAY BE OVERCOME

If you have Catarrhal Deafness or head and ear noises or are growing hard of hearing, go to your druggist and get 1 ounce of Parnint (double strength) and add to it 1 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who has Catarrhal Deafness or head noises should give this prescription a trial—Advertisement.

Sunday Will Be Big Day

At First Methodist Church

Sunday, Oct. 10, is to be a big day in the history of the First Methodist church, according to plans announced by the Rev. R. W. Stoakes, pastor. Commemoration services in observance of the dedication of the church, over 30 years ago, by Bishop McCabe, and the annual celebration of Rally day, will be combined. The Sunday school will make an effort to have a large attendance. Following the regular opening services of the church with Sunday school, a program will be given in honor of the dedication of the church.

At noon a basket dinner will be served, and a general social period held. At 3 p. m., another service will be held, with special music and talks. It is hoped to have a large Epworth League meeting at 6:30 p. m. Evangelistic services will be conducted at 7:30 p. m. The program for the day, with the names of persons to take part is to be announced later in the week.

Vic Donahey Visits

Preble County in Tour

EATON, O., Oct. 5.—Residents of Preble county will have an opportunity to meet Vic Donahey, the Democratic candidate for governor, Thursday, October 7.

Members of the Democratic Central committee have arranged for him to make a tour of the county on that date. He will make the following stops in the towns: Vienna, Leavert, West Manchester, Eldorado and New Paris.

At 12:30 he will speak at Campbelltown, and at the Eaton court house at 1 p. m. Stops will be made in Camden and West Alexandria in the evening.

Brand New Way to Remove Hairy Growths

(Actually Removes Roots and All)

The vexed question of how to completely remove superfluous hair has been solved at last! By means of the new phelactine process, the hairs entire, roots and all, come out before your very eyes—easily, harmlessly, "quick as a wink." It is so different from the depilatory, electrical and shaving methods, you simply must try it to fully appreciate its remarkable advantages.

Phelactine is perfectly odorless, non-irritating, non-poisonous—a child could eat it without the least injury. It leaves the skin so soft, smooth and hairless, no one could tell you ever had a moustache or other hairy growth. If you will procure a stick of phelactine from your druggist and follow the simple instructions, you will certainly be astonished and delighted with the result.—Advertisement.

played a prominent part. Many remain with their machines by General Gallieni to transport 5,000 troops from the right wing of the sixth army to Nanteuil on the extreme left wing, in order to counter-attack on Von Kluck's flank and make possible the victory of the Marne.

"What is the incident that impressed you most during the trip?" a journalist asked of one of the veterans yesterday.

"My taxi-meter showed \$75 francs at the end of the two days," replied the driver. "I never got paid for it. That's what has remained most lucid in my memory."

FINGER-TIP SYSTEM IS

INSTALLED IN BANK

SAN JUAN, P. R., Oct. 5.—For the convenience and protection of depositors a local bank has installed a fingerprint system for those who cannot sign their names to checks or deposits. Finger-prints instead of signatures will be used as a means of identifying checks.

PURDUE APPOINTS

DAIRY JUDGING TEAM

(By Associated Press)
LAFAYETTE, Ind., Oct. 5.—Prof. F. D. Lucas, of the dairy department of Purdue University Agricultural School has announced the members of the dairy judging team which will represent the university at the National Dairy Show to be held at Chicago, October 7 to 18. The team members will be G. L. Brown, of Milford, Ind., Paul Blackburn, of Decatur, Ind., and W. I. Poe, of Rockville, Ind. R. B.

Oyler, of Warsaw, Ind., will be an alternate. The team will compete in an intercollegiate contest in dairy judging which will be held in connection with the dairy show.

Lee B. Nusbaum Takes Trip as Marshall Field's Guest

Lee B. Nusbaum departed today for Fort Wayne, where he will join a party of seven Indiana merchants, guests of Marshall Field & Company, of Chicago, who are to make a tour of the cotton growing and mill districts of Virginia, North Carolina and South Carolina. Mr. Nusbaum did not know who the other Indiana merchants in the party would be. The party will proceed from Fort Wayne to Washington, thence south. A large number of merchants of the Middle Western states are the guests of the company.

When you feel so "blue" that even the sky looks yellow, you need BEECHAM'S PILLS

A sluggish liver and poorly acting kidneys fail to destroy food poisons, which affect the mind as well as the body.

ALL DRUGGISTS SELL IT

First
Miss Shepherd sang, "In the Gloaming." The New Edison stood on the stage by her side.

Then
She suddenly stopped singing. The New Edison took up her song, and continued it alone.

185 times - no difference !

Miss Betsy Lane Shepherd, famous concert soprano, has made this test 185 times. 185 public audiences, in 185 cities, have heard her compare her voice with its RE-CREATION by the New Edison. No one, out of a total of more than 100,000 listeners, has been able to tell when Miss Shepherd was singing, and when the New

Edison—except by watching her lips. 4,000 similar tests of direct comparison, made by over fifty other celebrated vocalists and instrumentalists, have given this same result. The New Edison is perfect realism achieved!

What kind of music "gets" you ?

Tell us—and we'll show you how all its emotional power is RE-CREATED by the New Edison

Is it the soulful violin?—a mellow contralto?—the scintillating flute?—a sweet, soothing tenor?—that draws the quickest emotional response from you.

Let us play your favorite voice or instrument in a new kind of Realism Test. See whether you are touched by the RE-

CREATED music in the same way that you are touched by the living music.

We want to show you that the New Edison RE-CREATES all the vital power in all music.

Remember what to ask for—"personal favorites" Realism Test!

The NEW EDISON

"The Phonograph with a Soul"

Perfect realism is your one vehicle to the inner joys of music which you crave.

Mr. Edison spent three million dollars in the research work which gave the New Edison perfect realism. He did this in order that the phonograph might transcend its former limitations, and (here we quote Mr. Edison's own words), "bring into every American home, music so realistic and so perfect in its rendition as to be an unending source of benefit and pleasure."

The instruments which proved this perfect real-

ism in Miss Shepherd's 185 tests were all exact duplicates of the original Official Laboratory Model on which Mr. Edison spent his three million dollars. You can also have an exact duplicate of this three million dollar original. We have it in our store, and guarantee it to be capable of sustaining the same test of direct comparison.

Important Practical Detail
Our Budget Plan brings your New Edison for immediate enjoyment, without asking for immediate payment. Ask about it when you come in to hear the "Personal Favorites" Realism Test.

Escaped an Operation

There is nothing in the world a woman so much fears as a surgical operation. Often they are necessary, but often not; and many have been avoided by the timely use of that good old-fashioned root and herb remedy Lydia E. Pinkham's Vegetable Compound. If you are suffering from some dread ailment peculiar to your sex, why not profit by the experience of these two women whose letters follow?

These Two Women Saved from Operations.

Cedar Rapids, Ia.—"After the birth of my last child I had such painful spells they would unfit me entirely for my housework. I suffered for months and the doctor said that my trouble was organic ulcers and I would have to have an operation. That was a awful thing to me, with a young baby and four other children, so one day I thought of Lydia E. Pinkham's Vegetable Compound and how it had helped me years before and I decided to try it again. I took five bottles of Vegetable Compound and used Lydia E. Pinkham's Sanative Wash and since then I have been a well woman, able to take care of my house and family without any trouble or a day's pain. I am ready and thankful to swear by your medicine any time. I am forty-four years old and have not had a day's illness of any kind for three years."—Mrs. H. KOENIG, 617 Ellis Blvd., Cedar Rapids Iowa.

Sandusky, Ohio.—"After the birth of my baby I had organic trouble. My doctor said it was caused by too heavy lifting and I would have to have an operation. I would not consent to an operation and let it go for over a year, having my sister do my work for me as I was not able to walk. One day my aunt came to see me and told me about your medicine—said it cured her of the same thing. I took Lydia E. Pinkham's Vegetable Compound and used Lydia E. Pinkham's Sanative Wash and they have cured me. Now I do my own housework, washing and ironing and sewing for my family and also do sewing for other people. I still take a bottle of Vegetable Compound every spring for a tonic. I recommend your medicine to others who have troubles similar to mine and you can use my letter if you wish."—Mrs. PAUL PARENTHUS, 1325 Stone St., Sandusky, Ohio.
