

KNIGHTS OF PYTHIAS VOTE TO PRORATE WAR RELIEF FUND

Indiana's contribution of \$27,000 to the Pythian war relief fund will be returned to various state local lodges in proportion to the amount originally contributed. It was decided yesterday at the closing session in Indianapolis of the annual meeting of the Grand Lodge, Knights of Pythias of Indiana, at which several from Richmond lodge Knights of Pythias are in attendance. It was decided Tuesday that the money would be placed in the hands of a committee which was to use it in caring for disabled returned Pythian soldiers, but after an objection was raised to this plan, it was finally agreed to further prorrate the contributions among the local organizations in the state.

Amount to Be Prorated.
The committee appointed Tuesday to supervise the distribution in accordance with the provision of the first decision will act in prorating the amounts to the local lodges. The committee is composed of Grand Chancellor Neal, Grand Master of the Exchequer Morris and Grand Master of Records and Seal Brown.

The question of changing the method of electing grand lodge officers from Australian ballot to a referendum vote of grand chancellors in each local lodge was held over until the meeting next year. A referendum vote will be taken on the question before that time.

An increase in the per capita tax from 60 to 80 cents was approved. One-half of the increase will go to the sinking fund for the Indiana Pythian building.

Officers Installed.
Newly elected officers were installed at the morning session. Senator James E. Watson made a brief address. He paid a tribute to the late Charles F. S. Neal, past grand chancellor of the order, and congratulated the lodge on the great increase in membership. The meeting of the grand lodge adjourned early in the afternoon.

Approximately 400 women from all over the state are expected to attend the annual meeting of the Grand Temple, Pythian Sisters of Indiana, which begins with a session Thursday morning at the Indiana Pythian building, at Indianapolis. Election of officers is the principal business to come before the order today.

Officers to Be Advanced.
Officers of the order who will be advanced, and the position which they will hold for the next year, are Mrs. Maude Constable Goodland, grand chief; Mrs. Hattie Brown, Dana, grand senior; Mrs. Faye Tyson, Butler, grand junior; Mrs. Mayne Easterday, grand manager; Mrs. Minnie Johnson, Indianapolis, mistress of finance; Miss Cornelia Hood, Bluffton, grand mistress of records and correspondence; and Mrs. Emma Holliday, Monticello, grand protector.

At the election Tuesday afternoon Nathan J. Lane, of Liberty, was elected grand outer guard over six other

MODERN BUILDINGS SPRING FROM RUINS OF LOUVAIN

(By Associated Press)

LOUVAIN, Belgium, Oct. 7.—From the ruins of Louvain, to which the Germans applied the torch on August 25, 1914, are springing dozens of modern buildings. They lack the historic interest of the destroyed structures, but no city in Belgium will be able to boast of a more up-to-date appearance than Louvain when the work of reconstruction is finished.

The city presents to the stranger an unusual appearance—masses of ruins here, new five story buildings there, with the old undestroyed buildings in sharp contrast.

No efforts has yet been made to rebuild the famous library. The Belgian government, however, is gradually

finding in Germany, traces of many of the priceless manuscripts and other books looted from the library by the Germans.

AIRPLANE FOREST PATROLS LATEST GUARD INNOVATION

(By Associated Press)

WASHINGTON, Oct. 7.—Airplane forest patrols in California were able recently to reach the scene of a fire forty-five hours sooner than had they proceeded by train and pack mule, a report to the army air service shows. An aerial observer spotted its blaze in Lassen forest while all foresters were engaged in fighting another fire in the Merced forest. Planes picked up the fire-fighters in the Merced zone and rushed them to the Lassen fire.

"In three hours," says the report, "the fire fighting personnel was on the job fighting the flames, whereas, had they proceeded by train and pack mule, 48 hours would have been consumed."

"The day will come when men and equipment will be carried by airships to the scene of fire, both men and equipment dropped by parachute, while the airship will rain down fire extinguishing chemicals from above."

The Housewives Burden

When a woman is almost distracted from overwork, her home is in disorder, crying children, and on top of all is suffering from backache, bearing down pains, or some other form of feminine ills, then she should remember that hundreds of women in just her condition have been restored to health and regained their youthful strength by taking Lydia E. Pinkham's Vegetable Compound and not rest until she has given it a fair trial.

Proof that it Restored the Health of These Two Women

Cairo, Ill.—"Some time ago I got so bad with female trouble that I thought I would have to be operated on. I had a bad displacement. My right side would pain me and I was so nervous I could not hold a glass of water. Many times I would have to stop my work and sit down or I would fall on the floor in a faint. I consulted several doctors and every one told me the same but I kept fighting to keep from having the operation. I had read so many times of Lydia E. Pinkham's Vegetable Compound and it helped my sister so I began taking it. I have never felt better than I have since then and I keep house and am able to do all my work. The Vegetable Compound is certainly one grand medicine."—Mrs. J. R. MATTHEWS, 3311 Sycamore Street, Cairo, Ill.

Chattanooga, Tenn.—"I used Lydia E. Pinkham's Vegetable Compound before my baby came when I could no longer keep up. It strengthened my back and relieved me of the ill effect which so often develops at such times. That was my first experience with the Vegetable Compound. Years afterwards I took it during the Change of Life and got along so well I scarcely ever had to lie down during the day and seldom had dizzy, fainting spells. I am now well and strong, can do all my housework with perfect ease and it is a comfort to me to be able to say to other suffering women 'take Lydia E. Pinkham's medicine and be strong.' I will be glad to have you use my name if it will be the means of helping any one."—Mrs. R. A. FAIRBURN, 606 Orchard Knob Ave., Chattanooga, Tenn.
