

SENATOR HARDING HAS FIRST CONTACT WITH SOLID SOUTH

CHATTANOOGA, Tenn., Oct. 14.— Senator Warren G. Harding, Republican presidential nominee, had his first real experience with pure Southern Democracy today, and, if one is to credit enthusiastic Republicans, the Tennessee Democracy is beginning to waver, largely on the issue of the League of Nations and opposition to what they call "Wilsonism."

It was to this territory that the Republican nominee came today in the hope of making a dent in the Solid South. Tonight, in the tabernacle where "Billy" Sunday conducted his revivals, the candidate spoke to more than 8,000 men and women, and there were others outside who could not break through to obtain a glimpse of what they call "Wilsonism."

Many Democrats were in the crowd. Many had come from long distances and from Georgia and Alabama. They wished to hear about the League of Nations, they declared. A number admitted they had not made up their minds.

CIVIL WAR BATTLES RECALLED.

Senator Harding paid a tribute to the courage of the South, reviewed the "strife of blood," and recited the history of Chickamauga and Missionary Ridge.

"But," the nominee exclaimed, "America is reunited," and he said he rejoiced to acclaim a new America. All the North and South needed, he said, was understanding, and he said the understanding had come.

He chose to speak to the Southern voters of the Republican policy of protection of the mutuality of interest with the North and of his abiding faith in American institutions. America, he said, has a President instead of a King, "though sometimes we have a President who is not always unmindful of that distinction."

Senator Harding made an attack upon the Wilsonian Administration, charging that the President had usurped the powers of the legislative branch of the Government. The nominee declared it was notorious that so long as it was controlled by a Democratic majority, Congress exercised no will of its own.

"When the President said 'Go' it went and when he said 'Come' it came," shouted the candidate. "Under his hand Congress ceased to function as a co-equal branch of the Government."

CONGRESS CALLED SERVICE.

Senator Harding said that for either of the three branches to invade the field delegated to another was a step beyond its own authority and usurpation of the authority of the other.

"Congress under Democratic control, with rare exception, was a mere echo of Executive," he said.

"He did not inform them from time to time respecting the state of the union, as the constitution contemplates; he told them what to do," he continued. "The Democratic platform of 1912, for example, declared for a one term limit, and a bill actually was introduced, and I think reported to the senate, to carry this platform declaration into effect. But the President not only compelled its abandonment, but accepted a renomination."

FIERY, ITCHY SKIN QUICKLY SOOTHED WITH SULPHUR

If you have catarrh, catarrhal deafness or head noises caused by catarrh, or if phlegm drops in your throat and has caused catarrh of the stomach or bowels, you will be glad to know that these distressing symptoms may be entirely overcome in many instances by the following treatment which you can easily prepare in your own home at little cost. Secure from your druggist 1 ounce of Parment (Double Strength). Take this home and add to it $\frac{1}{4}$ pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. An improvement is sometimes noted after the first day's treatment. Breathing should become easy, while the distressing head noises, headaches, dullness, cloudy thinking, etc., should gradually disappear under the tonic action of the treatment.

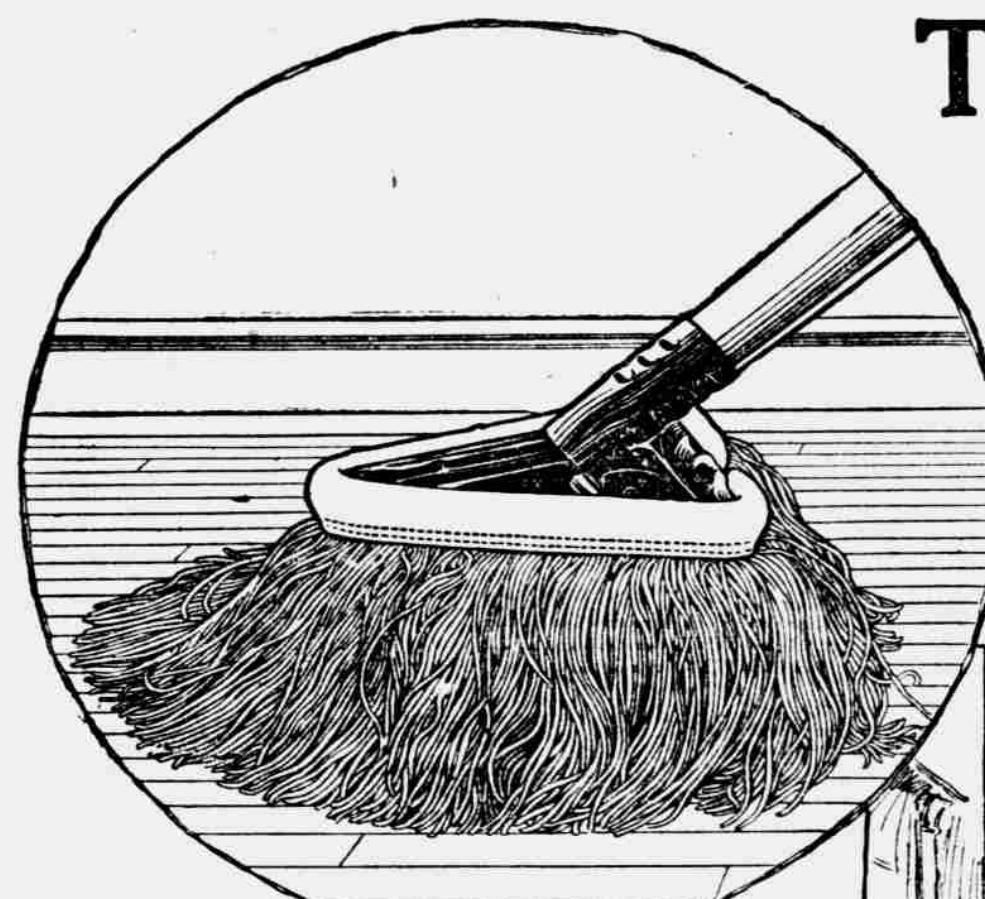

The moment this sulphur preparation is applied the itching stops and after two or three applications, the eczema is gone and the skin is delightfully clear and smooth. Sulphur is so precious as a skin remedy because it destroys the parasites that cause the burning, itching and disfigurement. Menth-Sulphur always heals eczema right up. A small jar of Menth-Sulphur may be had at any good drug store. Advertisement.

This Is Your Last Chance to get your O-Cedar Polish Mop at The Old Price Advance Prices Effective Nov. 1st

BUT a few days remain for you to buy an O-Cedar Mop at the old price.

Increasing manufacturing costs make the raise in price necessary if we are to continue to give you the biggest, most convenient—time, money and labor saving household utility.

The increase is only 25c—but 25c is worth saving.

Originally, (before the war), the price of the O-Cedar Polish Mop was \$1.50.

During the war, we used war materials—short length cotton—mill ends of drill—surplus steel for centers and by making the mop smaller we were able to keep the price down.

Now the sources of supply of most of these items are cut off. We must go back to before-the-war materials and pay today's prices for them. For instance cotton cord cost 14c to 16c per pound before the war. Today it costs us 58c. Handles that cost 4c in 1914 cost 12c today. Our labor costs have advanced 200%. And so on.

We will not make a mop that is not up to the O-Cedar standard. We can't continue the O-Cedar standard at present prices. So the advance of 25c is absolutely necessary for us to continue O-Cedar Mops as the millions of housewives want them.

The 25c advance in price is effective November 1st. Even if you do not need a new O-Cedar Mop just now it will pay you to buy one at your nearest store today.

Almost every woman in America knows the work—the time—and the money the O-Cedar Mop saves. And how much prettier, brighter and cleaner it makes the floors. They know it saves back-breaking stooping and bending. When you use an O-Cedar Mop your floors will be the envy of your neighbors.

Easy and Simple to Clean and Renew

Second only to the wonderful utility of the O-Cedar Mop is its simplicity. No trick to learn to wash, clean or renew it. It can be washed and cleaned without bother and muss to take it apart, and fuss and work to put together. When an O-Cedar Mop needs renewing, simply wash it in boiling water, pour a little O-Cedar Polish in the can and let mop stand in it over night. The next morning it is practically as good as new.

Get an O-Cedar Mop today. Your dealer guarantees it to give perfect satisfaction or will return your money.
