

FEDERATION LEADER SPEAKS TO FARMERS AT EATON SATURDAY

EATON, O., Oct. 15.—W. E. Lytle, representing the Ohio Federation of Farm Bureaus, will address a farmers' meeting here Saturday afternoon in the courthouse auditorium, as a preliminary to a membership campaign that will be launched next Monday by the Preble County Farm Bureau. The meeting is scheduled for two o'clock.

In the membership drive to be inaugurated Monday by the county farm bureau it is expected each farmer in the county will be solicited for membership in the organization.

Legion Conducts Lyceum.
Advance sale of tickets for the local American Legion post lyceum course attraction next Monday evening in the opera house is very encouraging to the post. It is the opening attraction of the five-number course to be presented this winter. The Virginian Girls' sextet, a singing orchestra, is the attraction for Monday night.

Predicts Lower Prices.
W. E. Schillenz, manager of the grain elevator of the Eaton Farmers' Equity company, in commenting upon market conditions, states it is his belief that wheat will sell at \$1.50 a bushel. He says he expects to see corn sell as low as 60 cents a bushel. Manager Schillenz says the company elevator handled and moved at least 90 per cent of this year's wheat crop in this vicinity, and that the bulk of it was marketed at much higher levels than prevail at this time.

Democratic Speaker Here.
Members of the Womens Democratic club say Mrs. Serenna Hause, of Dayton, one of two Democratic nominees for state senator from the Preble-Montgomery county district, will be greeted by a large audience when she speaks here this evening in Democratic headquarters in the Minor block, Main and Barron streets.

Local Couple Married.
Miss Marie Sanders, daughter of Mr. and Mrs. Herman Sanders, and Martin Shalloe, of Columbus, O., were married here Thursday morning at 8 o'clock in the Catholic church by Father J. M. Hyland. They will reside in Columbus.

Will Attend Conference.
County School Superintendent W. S. Fogarty is on the program for an address before an important conference on rural education to be held next week in Terre Haute, Ind. He will speak Tuesday afternoon on "Rural School Education." The conference will be supervised by the federal bureau of education.

Postpone Gymnasium Meeting.
Contrary to expectations, organization of a gymnasium club was not effected Wednesday night. A meeting called at the armory for the purpose was postponed because of inability of several members of a volleyball team from Richmond, Ind., being unable to be present. It was expected the visitors would have much valuable information to offer in organization of the local club, in which quite a number of local business men have interested themselves.

Catarrh Germs Move Out When Hyomei Moves In.

No stomach dosing. Hyomei is made chiefly of oil of eucalyptus taken from the eucalyptus forests of inland Australia, and combined with other excellent antiseptics. In inland Australia the atmosphere is so impregnated with balsam thrown up by the eucalyptus trees that germs do not thrive, and in consequence coughs, colds, catarrh and other nose and throat afflictions are practically unknown.

Breathe Hyomei and get the same pleasant germ-killing effect as you would get in the eucalyptus forests. Hyomei is sold by D. & S. Drug Co. and A. G. Luken & Co. and druggists everywhere on a guarantee of satisfaction or money refunded.—Advertisement.

Mr. Uesugi, M. A., B. D., a graduate of the University of Chicago, arrived at Earlham from Indianapolis Friday morning. He gave a short talk at the close of the chapel exercises after a letter of introduction from Amos K. Hallowell, of Indianapolis, had been read.

Mr. Uesugi has been in America about 10 years. He has obtained money for his schooling by lecturing and by the sale of Japanese prints and pictures, of which he has a large number. He has lectured at some of the principal churches and colleges of the country.

During his stay in Richmond he will have his pictures on display at Earlham. He will also give several lectures, although no definite arrangements have been made.

It is his intention to fit himself for missionary work before returning to Japan.

Dutch Stock Quotations Sink to Lower Levels

(By Associated Press)
AMSTERDAM, Oct. 14.—Efforts to stabilize Dutch financial affairs are being made following another drop in stock quotations today, but some financiers express the opinion that there are no signs that the low mark in prices has been reached. The stock most seriously affected were Havana sugar and royal Dutch petroleum, which sank, respectively to 660 and 729, but American exchange was somewhat easier.
