Your Doctor Asks

One question before all others

You have heard it many times, "Are your bowels moving regularly?" Before all else, he asks this. Why?

The reason is this: Most human ills result from ineffectual bowel elimination. Medical science for years has taught this truth.

Millions of men and women know it today. They know that to keep well they must keep free from constipation.

Till recent years, however, most people did not know this one thing: Old-fashioned cathartics, slow in action and uncertain of results, endangered health. They took too long to act. They allowed time for the intestinal waste to send its poisons through the body.

the old-fashioned, slow-acting type of cathartic.

For safe and certain results, physicians everywhere now prescribe a harmless mineral water. This water is known as Pluto. It never fails to give prompt and complete results. The reason is the minerals it contains.

These minerals soften the waste accumulation. The water helps to flush it gently away. Relief is prompt and complete. The action is pleasant and gentle—entirely free from the griping effects of old-fashioned cathartics.

Know real health

A small amount of Pluto in a tumbler of hot or cold water, and the poisons are soon flushed away. Health is safeguarded, normal activity restored. You feel fit once more.

Every day, more and more men and women are learning the secret of health. You see them everywhere. Happy—smiling. Minds clear. Faces beaming health. Thousands take Pluto Water even when they are not constipated. They know the system needs a periodic cleansing. They keep their health at par this way.

Do this today: Ask at your druggist's for a bottle of Pluto Water. Try it at home. Take it on arising, or before meals. Mark its gentle, harmless action. Note how prompt and complete the results. You will feel like a new person!

Pluto Water is the reliable home laxative—effective both for children and grown-ups. As a laxative take ¼ tumbler of Pluto; as a cathartic, ½ tumbler; as a purgative, ¾ tumbler—add hot or cold water to fill glass. Keep Pluto always in your home. Safeguard your family's health. Bottled at French Lick Springs, Indiana. Your physician prescribes it.

Eleven Years of Rheumatism was Easily Relieved

Indiana Farmer's Joints Ach-
ed So Bad He Could Not Sleep, But Had to Get Up and Walk the Floor. Declares Drego Wiped Out Every Pain for Him After He Had Tried Many Other Remedies.

"For the past eleven years I have not known what it was to be free from rheumatism," are the words of that highly esteemed farmer, Mr. Ferrell Clemens of Union Port, Randolph Co., Ind.

"My backached constantly and I was so stiff I could hardly bend over. My joints ached so badly at night that I could not sleep but would walk the floor. My kidneys were acting bad and my liver was sluggish. I tried everything I heard of that was good for rheumatism and aching joints, but they failed to do me good.

"One day I was in Muncie and heard a lot of talk about Drego and the marvelous good it was doing for the folks around there, so I bought some Drego, took it home and started taking it. That proved to be the best money I ever spent for soon my joints began to grow easy and before many days had passed I was free from pain, something I hadn't known for years. The pains have not returned either, so I'm very happy over my deliverance. My liver has been worked off well and my kidneys regulated. Drego sure is one grand medicine."

All druggists now sell Drego and it is being especially introduced in Richmond by Clem Thistlethwaite's seven drug stores.—Advertisement.
