EATON, O., Oct. 19.—Samuel Walker, colored, and Noah Wysong were removed Monday by Sheriff George Jones to the penitentiary at Columbus where Walker will serve a sentence of from one to twenty years for shooting with intent to kill, and Wysong will serve from one to three years for abandoning legitimate children. James McIntosh acted as a deputy sheriff in conveying the prisoners to the penitentiary. Walker and Wysong were indicted by the October grand jury and each pleaded guilty to the indictment.

**Cited for Contempt.**  
James and Ed Bowman and Garfield Phillips have been cited to appear here Oct. 30 before Judge A. C. Risinger in common pleas court to answer to a charge of contempt of court. They are alleged to have disregarded a court restraining order.

**Obtains Divorce.**  
Upon grounds of cruelty and gross neglect, Clara Shaffer was divorced Monday from Dewey Shaffer in common pleas court and restored to her maiden name of Silvers. The decree was granted by Judge A. C. Risinger. The Shaffers were married in July, 1919, in Eaton.

**Obtains Judgment.**  
In a justice's court in Butler county James Gates obtained judgment against Virgil Sweeney for \$170, alleged to represent loaned money. The transcript was filed here in the Probate court, from which an order of execution was issued. Sweeney's counsel filed a motion to strike the case from the docket, upon the ground that the local court had no jurisdiction and that the execution should have been issued in Butler county. Judge A. C. Risinger sustained the motion Monday and ordered the case stricken from the docket.

**Tries to Oust Company.**  
Within ten days from October 11 has been granted the Twin Valley Light & Power company to plead to an action brought against it by the village of West Elkton, in which the village seeks to oust the company from the village, upon the alleged ground that the company has never held or operated under a franchise from the village.

**Overrules Motion.**  
In a damages suit brought in common pleas court by W. J. Comstock, of Canada, against Ollie Hodgkin, of New Paris, as the result of a collision of automobiles, a motion filed by Hodgkin to require Comstock to make his petition more definite and certain, was overruled Monday by Judge A. C. Risinger. Comstock's counsel charged the defense was "stalling" to delay trial of the case. Comstock has been in Eaton some time to prosecute the case. Comstock's and Hodgkin's cars came together several weeks ago on the Richmond pike, near New Hope, and Comstock immediately filed suit against Hodgkin for \$700 damages.

**Deliver Addresses.**  
Ohio Grand Master Hughes and Grand Scribe B. F. Garrett are on the program for addresses at the semi-annual meeting of the Odd Fellow lodges of the Preble county district, to be held Thursday in Camden. Mayor F. C. Shuey, of Camden, will deliver an address of welcome at the opening of the meeting at one o'clock in the afternoon. Prayer will be offered by the Rev. S. I. Gear, of Camden, and the Rev. J. A. Fante, of Ithaca, will pronounce the benediction. Special music will feature the program. Supper will be served at 5:30 o'clock. The meeting will be held in the opera house.

**At an evening session, at 7:30 o'clock, the Camden lodge degree team will confer the Initiatory degree upon a class of candidates, followed by first degree work by the degree staff of Lewisburg lodge.**

**Meat Cause of  
Kidney Trouble**

Take Salts to flush Kidneys if Back hurts or Bladder bothers.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weak, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush out the body's urinous waste get four ounces of Jad Salts from any pharmacy here: take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia-water drink. — Advertisement.

## OPERATIC STAR CONSECRATES HER LIFE TO PROMOTING INTEREST IN OPERA IN U.S.

Madame Marguerita Sylva.

Madame Sylva, world famous operatic star who is conceded to be "the greatest living Carmen," is now devoting her time and her fortune to bringing to Americans a true realization of what opera means and promoting opera organizations. She was greatly impressed, while singing in practically every large city in Europe, to find that France, Belgium, Germany, Holland and Italy had organized opera companies in practically every large city while England and America have few such bodies—only in one or two of the larger cities. To remedy this condition in the U. S. is her aim. She already has helped form the National Opera company in Washington and is using her talent to raise funds to finance the organization.

baseball here next Sunday afternoon it will mark the closing game of the local season. Eaton defeated Eldorado in a game here a few weeks ago.

**Taken to Reformatory.**  
Samuel Myers, minor, was removed Monday by Deputy Sheriff G. R. Wehrley from the county jail to the state reformatory at Mansfield, where he will serve from one to seven years for grand larceny. Myers was indicted by the October grand jury and he pleaded guilty to the indictment.

**PLEA FOR DISCHARGE  
CHARGES WASTE IN NAVY**  
NEW YORK, Oct. 19.—Applying for the second time for discharge from the naval reserve force, Warren S. Fisher, Republican candidate for Congress here, Monday served notice on Secretary of the Navy Daniels in a telegram that he would charge him and Franklin D. Roosevelt, ex-assistant secretary of

the navy and now Democratic vice presidential nominee, with "false utterances in your endeavor to hide the truth of the willful waste and loss of millions of dollars of public funds through the maladministration of your office." Fisher explained he desired his discharge because he wished to make his charges "free of any military obligations to you or your office."

**PRESIDENT CONFIRMS  
SENTENCE OF OFFICER**  
WASHINGTON, Oct. 19.—President Wilson has confirmed the sentence of dismissal from service and fifteen years' imprisonment at hard labor, imposed by courtmartial upon Second Lieutenant John C. Gottenkiene, of the 55th artillery. The officer was convicted of deserting his command at Neuhausen, Germany, in June, 1919, after embezzling \$26,051 of military funds.

**RELEASE FOR WOMEN WHO SUFFER**

The multitude of American women who suffer terribly day after day and year after year from ills peculiar to their sex is almost beyond belief. —yet there is hardly a town or hamlet in the United States wherein some woman, and often many, do not reside who have been restored to health from some of the worst forms of female ills, and often avoided operations by taking Lydia E. Pinkham's Vegetable Compound.

**These Two Women Tell of Their Experience.**

Carrollton, Ky.—"I suffered almost two years with female weakness. I could not walk any distance, ride or take any exercise at all without resting. If I swept the floor or did any kind of work it would bring my sickness on. I was weak and languid, had no energy, and life was a misery to me. I was under the care of a good physician for several months and tried other remedies. I had read of Lydia E. Pinkham's Vegetable Compound and decided to try it. After taking twelve bottles I found myself much improved and I took six more. I have never had any more trouble in that respect since. I have done all kinds of work and at present am an attendant at a State Hospital and am feeling fine. I shall always recommend your Vegetable Compound."—LILLIAN THAYER, 824 South 6th Street, Carrollton, Ky.

Onalaska, Wis.—"Every month I had such pains in my back and lower part of stomach I could not lie in bed. I suffered so it seemed as though I would die, and I was not regular either. I suffered for a year and was unfit to do my housework, could only wash dishes once in a while. I read an advertisement of what Lydia E. Pinkham's Vegetable Compound had done for other women and decided to try it. It surely did wonders for me. I have no pains now and can do my own housework without any trouble at all. I will always praise your medicine. I do not believe there is a doctor that can do as much good for female weakness as can Lydia E. Pinkham's Vegetable Compound and you may use these facts as a testimonial."—MRS. LESTER E. WARNER, R. 1, Box 69, Onalaska, Wis.

## SPECIAL WIRE WILL FURNISH ELECTION RETURNS TO MASONS

The newly appointed board of directors of the Richmond Masonic Club organized Monday evening in the new club rooms at the Masonic Temple. This board will have supervision of the club for the ensuing year and is composed of Joseph Ratliff, master of Webb lodge, No. 24; George Hodge, T. Mason Byer, Clarence W. Foreman and Karl C. Wolfe, of Webb lodge and D. D. Minnick, master of Richmond lodge, No. 196; William Bond, L. C. Niewoehner, Frank Benn and Clarence Mayhew of Richmond lodge. These members were appointed by the masters of the two Blue lodges.

**Wolfe Named Chairman.**  
Karl C. Wolfe was elected chairman, T. Mason Byer, vice chairman and Lewis C. Niewoehner, secretary-treasurer; T. Mason Byer, George Hodge and Clarence Mayhew constitute the entertainment committee. This committee already has plans laid for a winter season of pleasure and profit for all members of the club which includes every master mason of the two lodges in Richmond and all sojourning members who affiliate with the club. A fee of \$3.00 is charged for affiliation while all local members enjoy the privileges free. The first event in the club will be October 27, when Webb lodge No. 24, will celebrate past masters' night and will go to the club room after the exemplification of the

master mason degree where an enjoyable entertainment will be given. Past Grand Master Charles J. Orblison of Indianapolis will be the principal speaker at this event.

**Election Night Program.**  
Election night the returns of the voting will be received by special wire at the club rooms and the entertainment committee promises that the evening will not drag even though the returns may be slow in coming in. An incomplete inventory of the musical talent shows that there is some of the finest talent in the city to be found among the club membership and it is very probable that a musical organization will be developed culminating in a musical comedy being presented for the pleasure of the public near the close of the season next spring. Frequent entertainments in the club rooms will be given by the talented members.
