

EARLHAM STUDENTS AWAIT BUTLER GAME; AL CARTER INJURED

Special preparations for the game with Butler at Indianapolis next Saturday are being made by the student body at Earlham. Probably the largest crowd that ever followed a football team from the Quaker school will make the journey to Indianapolis to see the Maroon and White tackle the Blue and White of Butler.

Considerable gloom was placed on the Earlham prospects for a win over their rival school when it was found that Al Carter, who piloted the team in Saturday's fracas with Rose Poly, sustained a fractured bone in his hand in the early part of the game, but played throughout. This injury may keep the diminutive little Quaker out of Saturday's conflict. He will play the game if bandages and tape can put him in condition.

Jinx Follows Team
The same old "jinx" is pushing the Quakers hard during this season and but for the fighting spirit of the team they might become discouraged and give up. Earlham defeated Butler last year by a score of 6 to 0. The game was bitterly fought and the one touchdown made was due to superior generalship by the Quakers.

This year Butler has a new coach in Pat Page, of Chicago football and coaching fame. He has brought in a squad of real football players with the intention of putting the Irvington school on the athletic map. A good deal of his reputation depends upon Saturday's conflict and, according to reports from the Bulldog camp, no means will be spared to win from Earlham. Butler's big homecoming day will be this day, and they are making it a gala day.

May Replace Carter
Coach Mowe will try to develop a man to take the place of Carter should the latter be unable to get in the game. Snyder may be given a chance at the job, as he is a football player. Snyder has had more football experience than Emslie, but Emslie has him bested as an openfield runner. The pivot position is a hard one to fill and has been the bane of Mowe throughout this season. With the two most likely candidates out, it has become a vital question.

Gordon, star tackle who has been out since the opening game with Hanover, is out for practice and may get into the Butler contest. He has considerable animosity against the Bulldogs and will prove to be a demon if able to play.

Practice Monday night was light, and Tuesday will be devoted to signal practice. Wednesday evening the only scrimmage of the week will be held behind guarded gates. No chances are being taken by the Quaker mentors on Butler getting inside stuff, as seemed to be the case last year.

Boxers Training Hard

To Entertain Richmond

A good boxing contest is expected by Promoter Jimmie Reese, who returned from Cincinnati Monday where he looked over the training party of Marty Reese and Ray Hurst, who are to stage an exhibition bout at the Eagle's hall Thursday evening, Oct. 21. Both men are said to be preparing to entertain the fight fans of the city with a real milling, and if such proves the case there is no doubt that future fights will prove popular.

Lon Bauman, who will referee the bout will arrive here Thursday morning. Both fighters are expected Wednesday evening or Thursday morning. Tickets for the affair are on sale at all downtown cigar stores and a good sale is reported. Many of the best seats have not yet been taken, but Mr. Reese expects them to be sold out by Wednesday evening.

The Richmond Giants handed the Chestnut Club at West Manchester, O., a terrific walloping 13 to 4, Sunday afternoon. The game was well played before a record crowd in the West Manchester Park. Batteries: Mitchell and Knox; Robbins and Robinson.

AMERICAN LEAGUE BALL CLUB OWNERS GIVEN TIME LIMIT

CHICAGO, Oct. 19.—Owners of five American baseball league clubs, those of Philadelphia, St. Louis, Washington, Detroit, St. Louis, and Cleveland—men who have supported President Ben Johnson, of the league in several controversies this season and in past seasons—have until November 1 the opportunity of joining the other three club-owners of the league and entire league of the National League in the reorganization of baseball or face the prospect of a fight to oust them from major league play.

Favor New Agreement.
Representatives of all the National League baseball clubs and three American League clubs, New York, Chicago and Boston, today were on record favoring abrogation of the national agreement between professional leagues, with the national commission abolished, and a civilian tribunal of three men not financially interested in the game, in complete control.

Yesterday's conference of more than nine hours' duration, closed its work with resolutions, adopted last night proposing complete reorganization of Major League baseball.

The twelfth club or the new scheme of play to be followed next season will be chosen from some other city, should it develop that one of the outstanding five club owners fails to express willingness to enter the new pact, it was stated today.

Plan Is Outlined.
Reorganization plans, outlined by A. D. Lasker, stockholder of the Chicago National League club call for a chairman of the proposed tribunal with salary of \$25,000 a year. The other two members are to receive a remuneration of \$10,000 a year. The agreement in force for 25 years, makes the tribunal supreme in authority with no appeal from its rulings.

President Hayner today expressed the hope that the five absenting American League club owners would be present at the Nov. 8 meeting in order that the "major league clubs may unanimously go before the minor leagues at their Kansas City meeting on November 9th."

Today congratulatory telegrams from all over the country were received by President Hayner and A. D. Lasker, of Chicago, author of the plan to place baseball in the hands of a disinterested commission.

High, Not Discouraged, Turns Out to Practice For Wilkinson School

Members of the high school football team turned out Monday evening in high spirits because of the splendid showing made against the fast Elkhart eleven last Saturday. The one point defeat was not at all discouraging because of the fact that the team present a fighting front to the visitors and showed that they have the real stuff for football players.

Coach Noll was well satisfied with his team, although many small mistakes of the afternoon were pointed out so that they can be taken advantage of in the next game with Wilkinson.

RUMOR COCHRAN MAY GIVE CARP PERMIT TO FIGHT

Charles B. Cochran, English promoter, who holds Carpenter under a contract which prevents the Frenchman from even discussing a match with Dempsey until December 31, refuses to confirm a rumor that he intends to release the French fighter and permit him to meet the American champion.

Cochran arrived in the U. S. recently. He says he is not connected in a business way with R. G. Welsh, who has announced that Levensky may get an attractive contract to fight in England.

Schumaker Missed Goal Saturday, Not Davis

Due to the mistake on the part of the Palladium, the wrong man was named as missing the goal after touchdown in the high school football game with Elkhart last Saturday. Davis was named and Schumaker made the try at goal.

Dayton Boxing Bout Postponed Until Nov. 8

DAYTON, O., Oct. 19.—The Blockie Richards-Frankie Callahan bout that was scheduled for this city the night of Oct. 23 has been postponed until Monday night, Nov. 8. Miami A. C. officials were called to Columbus yesterday by Tom Jones, manager of Callahan, and upon their return last night made the announcement of the postponement. The Columbus boxer contracted a case of sunac poisoning when his canoe overturned and he was forced to crawl through the bushes in affecting a landing on the shore of Buckeye lake where he had been doing his training for this contest.

On account of the heavy advance sale of tickets, the club officials announced that there will be no new issue of tickets, the ones now on sale will be used for the new date.

son high school at Wilkinson next Saturday afternoon

Made Good Showing

Dope previous to the game with Elkhart last Saturday had it that the locals would be defeated by a big margin, but the last week of practice put in was so strenuous and well carried out that the local team now has a chance to make a good showing through the rest of the season even though not winning all their games.

Wilkinson is a much smaller high school than Richmond, but the boys play football from kindergarten on so that they are expected to give the Red and White a run for their money. It will be the first out of town game for Richmond and the kids at the high school expect to have things ready for a celebration when they get the report.

Get Rid of Soreness.
Monday night's practice for the high school consisted of a few limbering up exercises to get the soreness from Saturday's encounter out of their system. None of the players were hurt in the game and can all be worked into the team with new plays and formation in preparation for Wilkinson and following games.

Bowling

I. H. C. League Standing.

Teams	Won	Lost	Pct.
Jumbo	12	3	.800
Empire	10	5	.667
Easy Pull	7	8	.467
Hoosier	6	9	.400
Kentucky	5	10	.333
Light Draft	5	10	.333

The first round of the I. H. C. league closed with the bowling Monday night on the Twigg alleys. The fast traveling Hoosiers stepped out and copped two out of three from the Jumbos. The first series that the league leaders had lost. Shissler and Ulrich of the Hoosiers rolled the same total and averaged 172, which aided materially in the win for their team.

Way, of the Easy Pull, come out with a high score of 231 and averaged 199 for the evening. In spite of this record, his team lost two out of three to the Empires. The Kentucky outfit came to life and copped three in a row from the Light Draft organization. This puts these two teams in a tie for the cellar championship.

The second round of the bowling league should see some nifty scraps. The Jumbos got away to an early lead in the first games of the season, but some of the others are now beginning to get their stride and will rank up high before the end of the year.
